APRIL

High winds with blowing snow and freezing temperatures are on their way. April Fool! Remember all the tricks we used to play on our families and friends in our younger days? Write me about some of those jokes. We will include a couple in next month's column. I'm looking forward to receiving quite a few entries.

April overflows with hope, tradition and the joy of religious days. Holy Week ending in glorious Easter Sunday is an inspiration to many of us, renewing our faith.

Passover or Pesah is a time of great feeling of the importance of history for a great many of our members. It culminates in the deeply moving Seder Feast. The first Passover brought us the motzah which we all have now used as a staple in our homes.

April brings us gentle breezes, even bees and butterflies already and daisies and sweet-peas will be bursting forth. We'll have spring luncheons and much community hooplah. Mark your calendars and participate! I feel like a cheer leader for spring. Don't forget your April Fool jokes. Put them in an envelope and leave with Dorothy. I don't think she'll mind.

DANCERCISE

Exercise is great for the mind as well as for the body. It gives you a sense of well-being and a can-do attitude toward life.

If you haven't been a part of the exercise class at Villa Serena, it's time you give it a try. There are still a good three months left before the summer break.

You will find us stretching, bending and doing some line dances every Tuesday afternoon at 2:00. Join us! It'll make you feel great and add a little cheer to your life. You'll discover what fun you have been missing and what a nice way it is to make new friends!

PROF. KALL

Prof. Kall. He is the one we look to for comments and opinions on the events going on in this world. Whether the events be large or small, Prof. Kall will talk about them and sometimes we have a discussion. Everyone is entitled to ask questions or comment and that is what makes the session interesting.

Prof. Kall will be at the Villa Serena on Wednesday, April 22nd, at 7:00 P.M. If you have not attended his talks, drop in.

MARDI GRAS

March 3rd was Shrove Tuesday and guests gathered for a delicious dinner of ribs or chicken and for dessert apple pie!

By 7:00 P.M., we had filled the Red/Blue Room and lobby for our "Dixieland" band with Barney Zzlek, leader on piano, Billy Sullivan, clarinet and sax, Larry Ziegler, drums and Stankiewicz on horn. Fantastic!!! They opened with "Alexander's Ragtime Band" and "Way Down Yonder in New Orleans". Songs of the 30s were played as the dance floor became crowded. The Bird or (chicken) dance was played and dancers (hens) plus one rooster took part in a very fast dance!

"Have Negala" was sung by Mr. Chesler. Harvey Sternberg and Mary Calogero led the marchers 'round and 'round the hall to "When the Saints go Marching In".

(Continued next column)

MARDI GRAS (Continued)

The program closed with patriotic songs, "American the Beautiful", "Glory Hallelujah" and "God Bless America".

What a stimulating evening of lively music!

BRIDGE NOTES

I am sorry that Jo Grundman's last name was inadvertently omitted from the list of winners at our anniversary bridge party last month.

During the remainder of this session, we will concentrate on "Play of the Hand". I will give principles which normally produce the best results but the player must learn when to apply these principles.

Come join our group and improve your game. We meet every Friday from 1:00 to 3:00.

CERAMICS CLASS

Can spring be far off now? Marie had spring on her mind when she made that really nice butterfly and daisy napkin holder. She also made a softee puppy and so did Alice. Don't those little animals look adorable in those softee colors? Ruth made a handsome looking collie and Jenny's turkey platter came out beautiful. I know Clara's soup tureen is getting a lot of compliments and Mercedes will get plenty on her Persian kitten when she gets back from Texas.

By the way, I'm sure we all miss Mary Jane who at this time is half way around the world visiting her son in Japan! Those of us back home will just have to be satisfied with the blossoms about to burst forth for the Easter season.

The Villa Serena gift Showcase will be an Easter parade starting the first week in April. Don't miss the gorgeous baskets, chick boxes, duck and bunny carts--all bright and beautiful in the colors of spring. These pieces make wonderful gifts for kids or adults and best of all, these hand-crafted items are very reasonably priced.

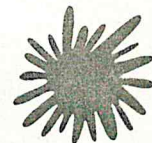

I can't praise those students of mine enough for the extra work they put in to make these wonderful pieces for the Showcase. They work so hard so the Showcase can be a success. Our Showcase is like a little art exhibit and without the students to make it that way, it just couldn't happen.

Thank you. Happy Easter

ATTENTION VILLA VOICE STAFF

I will be on vacation the latter part of April so would appreciate it if you could give me your articles for the May issue of the Villa Voice by Saturday, April 11th. if possible.

If you are not able to do that, please give your reports to Dorothy. Please do not put them under my door because they will not be picked up until I return and that will be too late for the May issue. Thank you.

SHOWCASE CLASS

Spring is here and the bright days bring forth all those pretty light colors we love. By the time you read this the Showcase will be jumping with bunnies, lambs and jelly bean bags. We have calico eggs filled with tiny stuffed animals and some perky Easter baskets. All these cute goodies are lovingly hand made by grandmothers just for you and your loved ones. Nothing is imported so that is good for the trade balance. When you give a gift made at the Villa Serena it is always unique.

A word about prices--we try to keep all our items priced low --and with all our supplies becoming more and more expensive all the time this is no easy task. We know that you'd probably like to buy it for nothing (we would too) but that is not why the Showcase exists. We are not out to gouge you but we won't give our items away. They represent a lot of hard and often tedious work. We know you'll agree that you get real value for your money at the Villa Serena.

We want all of you to be a part of the Villa Serena Showcase. You say you don't sew--well perhaps you can sell. Talk about the Showcase and the things that are there. Perhaps you don't see anything for you but maybe someone you know outside the Villa is a potential customer. Some of you dear ones are very good at this salesmanship thing and we can use you! P-L-E-A-S-E put on your thinking caps all you

marketing strategists. Come give us your ideas for the Showcase.

P.S. Would the nice lady who let me borrow her cute Santa decoration see me so I can return it. I've lost the paper with your name.

ART CLASS

There are 3 months of art classes left until the summer recess starts the first of July.

Now would be a good time for you to join the Monday afternoon art class since the spring weather is near and a fine time for artistic expression to blossom.

Beginners and advanced students are invited to join us in this very rewarding hobby of drawing and painting.

The class meets Monday afternoon from 1:00 to 3:00 P.M. You are free to look in on the class and see the artistic work being done.

SEWING CLASS

Is it my imagination or is the year one fourth over? Whew! I can hardly keep up with these articles. Those ancient Romans didn't know what they started with all that "tempus fugit" stuff.

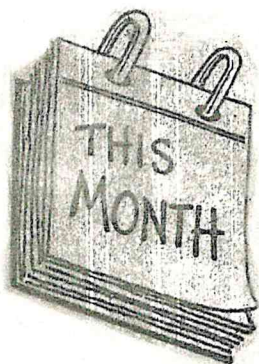

Nevertheless, this is my favorite time of the year. The longer, warmer days and all that sunshine give me renewed energy. It's also time for spring cleaning (ugh!) and to think of our warm-weather wardrobes. It's time to open that closet all the way and look things over. Since Cleveland weather goes from winter to summer overnight you want to be ready. Funny (and nasty) things can happen to clothes that just hang in your closet unworn. Have you noticed it too--spots, holes, gaps, wrinkles, shrinkage, stretching, even fading, not to mention dust! Time to get to work and then come to the sewing class. First we'll get things in order and then you can concentrate on a real-live, brand-new project. Perhaps a skirt or a pair of slacks to go with that blouse you received as a gift. Perhaps a cool knit shirt or blouse. Sewing has never been easier or more fun--we guarantee it.

DINNER AND BINGO

Friday March 20th, a delicious dinner at 5 was followed by Bingo at 7 PM. We carefully chose cards with our "lucky" numbers. A big crowd listened as Mary Calogero called numbers "loud and clear" for all present to hear. As usual, winners were elated and losers deflated. Mr Chesler called for final fill-up game. If won in 57# \$170.00 would be prize. No one was lucky, but one of our guests won in 59# and received \$40.00 consolation prize. Next month fill-in will pay \$180.00.

WHY NOT GIVE IT A TRY??

THE HOLY SEASON OF THE YEAR

The people at Villa Serema represent many faiths but each one worships in his own way. Compassion for others is one of the main issues for each.

The first part of April welcomes the season of Passover for those of the Jewish faith and the coming of Easter for the Christians. May we all resolve at this time to make new friends and to treat everyone as we would like to be treated.

Although our prayers are different, they all ask for contentment and forgiveness of our past sins. We wish all of you a Happy Passover and a Happy Easter.

To close the season of Passover we will have our Passover dinner on Tuesday, April 21st at 5:00. We will serve the traditional meal and invite everyone. The price is just \$\$6.50 per person. Please get tickets early.
