LINES IN PRAISE OF SPRING

Ah, Spring,  
with mother love caring for all  
things born with helpless infancy,  
sustaining all that flies and grows--  
the bird, the grass, the flower, the tree;  
giving a new lease on life  
from last winter's snow;  
demonstrating virtues  
which man should show.

Ah, Spring,  
devoted to idealism,  
showing the reason in God's plan,  
you fill your purpose well.  
That's all God expects of man:  
peaceful understanding  
in every nation near and far  
a renewing of faith in love of life,  
not hate, not greed, not war.

RENEWAL OF THE FAITH

April is the month in which the flowers once again begin to bloom, the grass turns green and everything comes to new life and beauty.

Just as the earth is beginning to blossom and bloom, so do our Jewish friends come together to think in terms of the renewal of the faith.

Passover begins on April 20th, this year and represents the exodus from generations of slavery to the rebirth of the Jewish people in the land of promise.

So, as we begin this holy season, may we wish all of our Jewish friends a Sweet Passover hoping that their renewed faith will carry them through a time of peace of mind and good health.

UP AND DOWN THE HALLWAYS

We have several friends who are recuperating and we wish them good health. They are Amelia Nagy, Frank Lucas, Ruth Gruenwald and Christinia Colagiovani.

Our sympathy to Mary Tarro. Her husband, Joseph, recently passed away.

We also want to extend sympathy to Katherine Pazderak whose brother Jack passed away. Also to Mary Calabrese whose brother Walter recently passed away.

Thank you to Ginny Russell, Margaret Rose's daughter, for the books she donated to our library.

ST. PATRICK'S DAY CELEBRATION

Wednesday, March 15th, was a lovely Sunny day. Everywhere people in green were seen waiting for dinner. Even the tables were decorated with green cloths. Our dinner started with cantaloupe and beer served by the Men's Club. Then corned beef and cabbage, with lime green ice cream for dessert. Quite a feast!!!

At 7:00 P.M., we were welcomed again by Mr. Chesler who was striking in his green trousers. He introduced Marty and Dominic Kilroy from Cleveland State University, who entertained us with Irish ditties. They accompanied themselves on accordion, guitar and violin.

The tunes included a ballad Black Velvet Band, a humorous ditty, Charley and the NPA and a sea chanty, The Mermaid. These songs were fast moving and very well performed.

Mr. Cornelius McCarthy gave us an Irish greeting.

We finished with a sing-along with Dorothy Papcke and Mr. Chesler leading us.

Mr. Chesler closed the program with an Irish prayer. Erin Go Bragh!!!

HIGHLITES!!!

How safe and sound. That's the best part of any trip. Epcot Center was a good experience. A lot to see. We got in a lot of walking although the bus and boat are available. The grounds are very scenic. From Orlando we flew to Tampa, where we departed for Jamaica where we boarded the Regent Sun for our cruise. Docked at Puerto Limon, and then we all took a tour to a banana plantation where we saw growing to shipping processing which is an amazing surprise! Also we saw how these peoples exist which makes Mayfield Heights look like heaven on earth.

Next stop Panama Canal, a feat of engineering of the ages, and the highlight of the trip.

Next was a side trip to San Blas Island, home of the Cuna Indiana, a tribe of small people whose sewing and applique are the finest and are their livelihood. Homes on this island of sand are thatched huts. They house several generations each. It was an adventure getting off the ship and the island via "tenders" -- in other words, lifeboats. Then to Cartaghena to see San Felipe Fort where the Spaniards hid all their gold and fought the British. Next we drove up a winding hill 524 feet to Papi's Convent a devotion to Our Lady of Conde Laria which bears a portrait of Santa Clara above the altar which is elaborately trimmed in 22 carat gold leaf. We also saw "Old Town" which is all 15th century buildings which cannot be updated.

Heading back for Jamaica it got very windy and sort of rough.

TOUR (Continued)

Thank you Mr. and Mrs. Chesler and Mary Calogero for the very interesting and diversified trip. Also for keeping an eye on all of us.

BRIDGE NOTES

Attendance was down last month for several reasons--some went south to avoid our winter weather, several went on the cruise, some were ill and others stayed home on very cold days. We hope all of you will be coming back soon.

On St. Patrick's Day, we had a "2Prize" which was won by Edythe Leighton.

On April 14, we will have our Spring Bridge Party. It will be the usual progressive game starting at 1:00 PM. Donation is 50¢ and all money will be given as prizes to high scorers. There will be a "2 Prize" for those who always get bad cards.

After play we will have refreshments and time to visit with other players. Come join us.

HAVE YOU MET.....

.....Chuck and Vera Kozak? Chuck and Vera have been residents of the Villa Serena for three years and from the beginning have made their presence felt by their friendliness and helpfulness to the other residents.

All their married lives they have been active in civic affairs. Chuck was a Councilman in North Randall for eight years and Vera served as President of the Women's League, volunteered at Villa Sancta Anna, a home for the aged. She also volunteered at the Civic League in North Randall mainly in Children's activities. They are both still involved in the Country Neighbor Program in Andover, a group which directs its efforts in taking the elderly to doctors appointments and delivering meals-on-wheels.

Chuck is a graduate of East Tech High School. He served in the European Theatre in the Armored Division in WWII. His working years were at American Steel and Wire and Uncle Bill's where he was manager of the Mayfield store. Upon leaving there, he went to work for F.B. Wright, an industrial distributor, and retired from there after 13 years.

Vera is a graduate of South High School and worked at Heiner's and Fazio's where she was deli manager.

The Kozaks have been married for 38 years and have two sons and two daughters. Their

oldest son is Director of External Affairs for the National Museum of Arts in Washington, D.C. The other son is a Vice President of F. B. Wright in Westchester, Pa. Their daughters live in the Cleveland area. One has a dancing school and the other is a teacher of retarded children. Chuck and Vera have eleven grandchildren and two great grandchildren and enjoy baby-sitting for them.

The Kozaks enjoy fishing and boating at their summer residence at Pymutuning Reservoir where they have a mobile home.

During the winter they enjoy the activities at the Villa Serena where they volunteer their time setting tables and serving at the dinners. Chuck is also a member of the Men's Club.

We are delighted to have Chuck and Vera Kozak as residents and wish them many more happy and healthy years.

## MY THOUGHTS ON VACATIONS

Well, I'm back from the wars, so to speak. I hope you missed me last month 'cause I did miss you all. Margaret Rose informed me that in case I stayed away from the pinochle tournament just so I would be missed, I should know that it worked.

Back to the present. I am recuperating from surgery and all is well. I have taken advantage of my family's solicitation while I should not be "over doing". Pretty soon I'll be back to laundry, cooking, shopping and be glad of it.

One thing that is in order now is a brief vacation but where to go. According to some friends, it is Florida. Others say there is only man-made attraction there but no natural beauty. I'll bet they have never seen the sparkling Gulf of Mexico with it's clean and luring beaches.

Another possibility is the great west coast, so attractive and sunny. A week at Monterey Bay is most relaxing and thrilling. Here's a big deal for you. We were in Carmel when Cling Eastwood was elected Mayor. Lots of local excitement. That's something to tell our kids, isn't it?

Another really far-fetched idea is a trip to Hawaii. It's a little too far even for my imagination. Even though the flowers and mountains and scenery and macademia nuts are sooo tempting, I guess we'll skip that for now.

Guess what, it's been decided. We are going to Toledo to check out the new waterfront development. Being rather

practical, we will postpone more exotic adventures for later this year. For now we won't have to miss bowling, dancing, pinochle, exercise and ever-loving baby sitting with our grandsons.

Bood to be back in the swing of things. See you soon.

## AN EXCITING EVENING FOR US

Many of you should remember the last visit of the "OHIO BELL CHORUS" to the Villa Serena, a group of men and women who have given us marvelous programs of music and song many times over the past 15 years.

They are coming back again!!!  
You will love them!!!

If you have never heard them sing, this should be a "don't miss" program on your calendar of activities.

We will welcome them after dinner at 7:00 P.M. on THURSDAY, APRIL 13th.

Dinner for this particular program will be on Thursday rather than our regular Friday.

Get your tickets early for dinner and make sure to stay for our evening's entertainment, you will be glad you did.

See you on April 13th!!!

BIG BINGO REPORT

Friday, March 19th, after a delicious dinner, we settled down to play BINGO. Mary Calogero called for a variety of new and different games, with the usual happy winners and sad losers. Door prizes were some small gifts and boxes of Girl Scout cookies.

Mr. Chesler called for the final fill-up game with a prize of \$200.00 if won in 57 numbers. No such luck. However, a lucky guest won \$40 as a consolation prize.

I repeat, why not join us next month to try your luck?

SPRING GREETINGS

The season of "awakening time" has come upon us once again. As we enter into this beautiful season of Spring, let us be grateful for our God's blessings shown in his many ways by all of the flowers and trees beginning to blossom.

Let's take time to reflect our blessings that surround us in our everyday living. Resolve to begin the season with your own "inner blossoming".

I don't know about you, but I am ready for Spring when the daffodils and crocuses begin to pop their heads up through the ground in all their beauty and the grass begins to change from that ugly brown to a lush green carpet that brings joy to our days and sunshine into our lives.

(Continued next column)

SPRING GREETINGS (Continued)

Why don't you resolve now to plant your garden of flowers very early and shower it with love of family and friends lending a strong arm to someone in need of your support. You may not have gold to give, but certainly love is much greater than gold in value.

My only wish is that while I live God will make me worthy of my friends and I pray that all the happiness you have given others may shine around you today and fill your heart with happiness in the coming days of reborn beauty.

Mary Calogero

BIG BINGO TIME AGAIN

Calling all bingo players. Did you know that on Friday, April 7, we invite all of you to another Big Bingo?

We will start with dinner at 5:00 and at 7:00 the action begins. The cost is just \$5.00 for three cards. A very good value.

Prizes you ask? Well, if you are the one who gets a fill-up in 57 numbers, you can be the one to have \$200.00 in your hands. What luck!

If no one wins in 57 numbers, we will continue calling and the next one to get a fill-up will win a prize -- a very good prize.

So we hope to see all of you on Friday, April 7th, for dinner and then on to the games.
