HAVE YOU MET...

...Sophie Mazur? Sophie was born in Pennsylvania of Polish parents. She and her husband and children moved to Cleveland in 1940. Her brother urged them to make the move and they never regretted it. Jobs were available and they both became employed.

Eventually Sophie and her family made their home in Maple Heights.

Sophie was widowed four years ago. After some time the chores involved with maintaining a home (cutting grass, shoveling snow and other jobs) became too burdensome. The decision to move was not too difficult.

Sophie moved to the Villa Serena four months ago and she is delighted that she did.

The family has grown over the years. There are now seven grandchildren and three great-grandchildren. Her grandson Joey, was recently married and the picture of Joey and his lovely bride has a 'place of honor' on the TV set.

Sophie enjoys walking, television and especially bingo! Tuesdays and Saturdays and when the Villa has Big Bingo, she is right there.

For the last four years Sophie and her niece, Mary, have always gone out to dinner on Friday evenings. They now have altered their plans somewhat. Mary is now a member of Villa Serena and they enjoy our dinners. Sophie said it is the "best buy in town and the food is great".

Have you met (Continued)

When we have our luncheons, Sophie daughter often attends Sophie is blessed with a loving, caring family.

We are glad to have such a pleasant and happy neighbor. Welcome, Sophie.

ANNIVERSARY PARTY REPORT

We celebrated 24 years at Villa Serena on Thursday, February 28. What a party!!!

Dinner served at 5:00 was outstanding. We sang happy birthday to several of our friends and happy 60th wedding anniversary to the Joseph Heisers.

Kathy Comoso, fro our favorite newspaper 'Grandpeoples Mini-news', was present and brought greetings from her paper and took pictures here.

At 6:30, the Ohio Bell Chorus under the direction of Romeo Pallante, presented a group of lovely songs, including a medley 'Good Old Days', many Broadway show tunes and a Dixieland Jamboree. Barney Zalek was the piano accompanist. They were all wonderful!

Frank Petrone was introduced and said the Villa Serena should be Shangri-La...love is quality at the Villa Serena.

Ice cream was served as a special treat and people thought it was very sweet.

At 7:30, Mike Jacobs and his band played for dancing. Dancers and audience both were very appreciative.

We march 'round and 'round to 'Grand Old Flag' and many more patriotic tunes.

The program closed with 'God Bless America'.

Happy 24th Anniversary!.

EXERCISE CLASS NEWS

Walking and exercising deters bone loss. This in turn prevents hip fractures. The mind and body react together. Your reaction time to break a fall is greatly increased when mind and body work together. By preventing and avoiding inactivity, you are able to prevent many accidents. Keep active! See you in class.

LUNCH AND BINGO REPORT

Altho Wednesday, March 6th was a dreary day, lunch at the Villa Serena was super and swift as usual.

By 1:30 we were back in our places with our lucky BINGO cards and smiles on our faces. Mary Calogero called loud and clear and as usual, response was smiles or groans.

Several check book organizers were given as door prizes.

Mr. Chesler called for several games and the final fill-up game. If won in 57 numbers, it would pay \$200.00!!! But since no one did this, calling continued until a lucky guest filled her card and won \$40 as a consolation prize.

Why not come next time for a delicious lunch and bingo? It makes a delightful afternoon and may be profitable also.

FROM RUBY TO YOU

Something to think about. We didn't really have too bad a winter this year. Thank God for that and our many other blessings. But at last a perfect chance for Mary Ann Tobin to do her thing. She said it was her big wish to make angels in the snow.

Well, Mary Ann, we're still waiting to see those angels!

The rest of us are going to try to make angels of ourselves instead - just in case we still have any fences to mend - now's the time.
