Many have experienced the confusion of traffic accidents and have had to summarize exactly what happened in a few words or less on insurance forms. The following quotes were taken from these insurance forms and were eventually published in the "Toronto Sun", July 26, 1977.

---

"Coming home, I drove into the wrong house and collided with a tree I don't have."

"The other car collided with mine without giving warning of its intentions."

"I thought my window was down, but found out it was up when I put my hand through it."

"I collided with a stationary truck coming the other way."

"A truck backed through my windshield into my wife's face."

"A pedestrian hit me and went under my car."

"The guy was all over the road. I had to swerve a number of times before I hit him."

"I pulled away from the side of the road, glanced at my mother-in-law and headed over the embankment."

"In my attempt to kill a fly, I drove into a telephone pole."

"I had been shopping for plants all day and was on my way home. As I reached the intersection, a hedge sprang up obscuring my vision. I did not see the other car."

"I had been driving my car for 40 years when I fell asleep at the wheel and had an accident."

"As I approached the intersection a stop sign, suddenly appeared in a place where no stop sign had ever appeared before. I was unable to stop in time to avoid the accident."

"To avoid hitting the bumper of the car in front, I struck the pedestrian."

"My car was legally parked as it backed into the other vehicle."

"An invisible car came out of nowhere, struck my vehicle and vanished."

"I told the police that I was not injured; but on removing my hat, I found out that I had a skull fracture."

"I was sure the old fellow would never make it to the other side of the roadway when I struck him."

"The pedestrian had no idea which direction to go, so I ran over him."

"I saw the slow-moving, sad-faced old gentleman as he bounced off the hood of my car."

"The indirect cause of this accident was a little guy in a small car with a big mouth."

"I was thrown from my car as it left the road. I was later found in a ditch by some stray cows."

THE FOLLOWING ESSAY WAS DELIVERED BY DOROTHY FULDHEIM ON THE OCCASION OF HER 86th BIRTHDAY - IT WAS SO BEAUTIFULLY EXPRESSED, WE FELT WE WOULD REPRINT THE ESSAY FOR MANY OF YOU WHO MAY HAVE NOT HEARD IT PREVIOUSLY.

---

"The house I live in is 86 years old. It has lost some of its original color, much of the red and pink is gone, and the white is not as white as it used to be. It doesn't stand quite as straight - it seems to have sunk a little and sometimes it tilts slightly.. But its heating apparatus, its disposal plant, its illuminating system all are functioning remarkably well. It has talked with many people all over the world - from Chinese cooks to the priests of Bangkok. The house I live in traveled extensively, and still does, though more infrequently. It has been fanned by the perfumed winds of Hawaii, and made thirsty by the deserts. It has tasted of the foods of all people - from the Scandinavian to the Hindu food. Its windows have looked upon God's Earth - from the villages in Spain to the glories of French art; it has looked out on the Swiss mountains and the Russian steppes. Through these windows my house gazed into the heavens and once watched the first human being step out into space and walk on the moon. That house, which I inhabit, has heard music singing the sonorous sound of the great masters - from Bach to Ravel. That house has talked to the great and the insignificant, to world-famous individuals and to humble people. My house has rumbled with delight and been shaken with laughter at the Bob Hopes and the Jack Bennys of the world, and the gaiety of my friends over the years. That house has looked upon Albert Einstein, and felt the warmth of his handshake. My house, that I inhabit, has known the sweetness of tender love and been torn with stormy, glorious and ecstatic passion. My house has been with friends and known quiet smiles and serenity, and torn with sobs for friends who left this strange and absorbing planet, even as you and I must some day, but whose memory is stored away in the computer which runs my house. This house has known agony, and has been repaired by specialists so that it is whole again, able to withstand any storms. Sometimes the house creaks as though old, but always it has stood sturdy and staunch, withstanding pain, storm, snow and rain. It has stored away secrets revealed to it, and treasured. The attic is full of memories, some day in a leisure hour to be taken out and remembered. Its brain is its most important room, for here are to be found new ideas, concepts, contents of books, philosophies, poems, the treasures of the world in print, and been awed by knowledge of the expanding universe. It is like an expanding library - each new idea creates more room for other ideas. It is the one room in my house that attests to my relationship with divinity. In another chamber, known as the heart room, are all the loves, the compassion, the hurts, the triumphs, the exquisite passions for those I love. This is a sacred room, for it has known happiness and sorrow. Its colors are radiant yellows and golds, somber greys and blues. I look at the house and I see an aging house, needing a coat of paint, but covered with the bushes and tress of experience, willing to stand sturdy for more years. Eighty-six years ago my parents gave me a deed to this house with the understanding that I use it and enrich it. I have done so, and I think that on this day it deserves my thanks for giving my spirit a resting place where I could see and hear and feel and love and learn. It is a house now crammed with many memories, but still stands staunch and valiant waiting the years until it must finally be closed with a sign saying, SOLD TO GOD."

UP AND DOWN THE HALLWAYS

A BIG THANK YOU:-----

TO Elizabeth Corr for washing the finger marks and smudges off the walls and hall of the 4th floor, making it more pleasant for her neighbors - nice gesture!!!

TO William Pace for the lovely card table he made for the pool room; Naturally, the men get to use it exclusively!! - Oh well, gals, that's life!!!!!!

TO our "Fairy Godmother or God-father" for the anonymous donation of evergreen and rose bushes to make our grounds even more beautiful, and planted by none other than the ever busy, Clyde Gordon.

TO Marie Holter who furnished spray for our flowers and to Hermine Retsch who did all the spraying, two very nice gals!!

\*\*\*\*\*

Wishing good health to our friends who are in the hospital or now recuperating at home from illnesses; They are, Margaret Baldwin, Jennie Julian, Domenic Daly, Grace Schepis, Leonard Shoemaker, John Taylor.

\*\*\*\*\*

The Villa Serena residents and staff extend sincere sympathy to the family of our resident, Thomas Fitzpatrick, and to Holden Smith on the loss of his grandson, and to Edith Latini on the loss of her son-in-law.

\*\*\*\*\*

DID YOU KNOW that Jim Micale transplanted all the evening primroses that are now blooming on our patio?? Thanks, Mr. Micale, such beauty has been created for all of us to enjoy.

Mike Perella will have to behave himself from now on, we understand they have a "Bishop" in their family! How nice! God Bless! Sorry, Mike, but its never too late to start behaving!!

\*\*\*\*\*

A little bird told us that Dorothy Papcke celebrated her "39th birthday" on July 16th!!! HA! HA! where have we heard that one before! HAPPY BIRTHDAY, ANYWAY, DOROTHY.....

\*\*\*\*\*

Grandma Anna Kandrac is beaming these days, and why not! - her granddaughter was named Miss Wickliffe in a beauty contest recently. - Maybe Miss America title will be in the future! Good luck!!

\*\*\*\*\*

Mr. & Mrs. George Lash were celebrating their anniversary at our June celebration, however, Mrs. Lash was ill and could not attend, so the Villa Serena very obligingly provided a "proxy bride" for Mr. Lash for the occasion. Never let it be said that the Villa will not always come through in an emergency!!! - Hope you are better, Mrs. Lash - and never fear we see Mr. Lash came back to you in spite of it all - AH, TRUE LOVE!!!!

\*\*\*\*\*

A special thanks to Mr. & Mrs. Clem Brazis for their kind donation of funds to the Villa Serena - special kindnesses like this, helps us so much!!!!!!

\*\*\*\*\*

Our sincere sympathy is extended to the family of our resident, Ralph Myslenski who passed away on July 17th.

RESIDENT COOK-OUT

A "gourmet buffet" by all of the Villa Serena residents for our annual cook-out was held on Tuesday, July 17th followed by a big birthday-anniversary celebration. A really fun loving picnic with the gathering of the Villa Serena clan, relishing all of the many savory casseroles and goodies that many of the residents whipped up. They were finger licking, yum-yum good.

On top of all this, the Villa Serena supplied all of the weenies and big boys you could eat.

It turned out to be quite a gala occasion. "Big Thank You" goes out to all who contributed so generously in making this a great success. "Burp"! "Burp"!

Much could also be said about the entertainment that followed as we welcomed back George and Elsie Biltz and their square dancers who excelled in their performance. But, of course, there were many who joined in the fun of "hoofing" around and who had a great time to boot. Hoop-la-la!!!!

Everyone was served a special treat for the refreshments besides ice cream, in the way of a luscious mocha tart baked by Hermine Retsch. It was superb. Could anyone ask for more? Everybody happy??? You Betcha!!!!

See you!!

--Edith Madge--

\*\*\*EDITOR'S NOTE:-----  
In addition to Edith's lovely story about our Cook-out, we want to add our very sincere thanks and appreciation for the many wonderful residents who made our serving tables look so luscious with the vast array of foods - You all did yourselves proud - THANKS SO MUCH!!

BOUTIQUE WORKSHOP

Our Boutique Workshop as you know is closed for the summer, but all "old hands" will be around in September and we certainly will welcome some "new hands".

Procrastination is the thief of time! August seems to be that lazy time of year, but let's all continue to work for the Boutique during this month - many are working already. Even "just a little bit" will make it much easier when we all come back in September.

Every year we set bigger goals for ourselves and this year is no different, except that this is just got to be the "bestest and biggest" one ever.

This year we are going to add a new dimension to our Boutique in the way of a special shopping area for the youngsters to shop for their parents. So when you are talking to family and friends, make sure you tell them so they can bring the little ones with them to "FABULOUS BOUTIQUE '79".

\*\*\*\*\*

OUR BIG HAND OF THANKS

Remember the old song "Sweethearts on Parade". Well believe it or not we have a perfectly grand couple right here at the Villa who could really lead that parade. Sweethearts not only to each other (just watch them together some-time) but sweethearts to the Villa.

Each in their own quiet way is always ready to give a helping hand where they can, without even being asked. There is no end to the many many areas and needs of our building where Bill Koptis will always be available to help, whether it be inside, outside or running errands; why, because he likes to keep busy and really cares about his home.

In the dining room, when it comes to helping decorate the downstairs area, and just any place where an extra hand is needed, you'll always find Sylvia so happy and willing to volunteer her help. Their contagious smiles and always a most cheery "Hello" have endeared Sylvia and Bill Koptis to all of us. May the good Lord bless you both with all that is fine and good.

Just in case you didn't know it, they have a wonderful granddaughter who is following in their steps.

OUR PRE-FOURTH BIRTHDAY-  
ANNIVERSARY CELEBRATION

June was "Bustin' out all over in beauty profound as the Villa Serena celebrated a pre-fourth of July birthday-anniversary get together on Thursday, June 28th.

It all began with a delectable dinner of chicken and ribs that all of the senior citizens greatly enjoyed! Finger lickin' was the word for it.

June was quite a popular month for birthdays and anniversaries. It is such a romantic month for weddings and thus the following were with us celebrating their anniversaries. Mr. & Mrs. Leonard Shoemaker, 51 years; Mr. & Mrs. Carl Calabrese, 50 years, Mr. & Mrs. Charles Stella, 50 years and Mr. & Mrs. Clem Brazis, 49 years. Quite an accumulation of years. Congratulations to all!

It was a perfect night and a lovely setting for our open air concert by the U.S. Post Office Band conducted by Mr. Sam Franks. In addition to this fine music, Jean Bachman's majorettes gave us a very fine performance of their many unique skills! Great talent, girls.

As the day ended, there was a feeling of satisfaction within us for a very interesting and entertaining day. Comraderie prevailed throughout!! Love for one another makes the world a better place in which to live.

Have a good summer!!

AUGUST

What can we say about this eighth month of the year that can really do it justice. Lazy, hazy days when life just seems to stand still, soft, warm nights with starstudded skies and a gorgeous "yaller moon" trying to tell us that F--- L is just around the corner. Oh well, we should be used to it by now, 'cause it happens every year.

How many of us are saying to ourselves "August already, I haven't even enjoyed our beautiful patio the lovely flowers, walked back to see the gardens or just sat and enjoyed God's wonderful world all around us." Nobody to blame but yourself my friend. Our Villa is like a jewel set in the loveliest of settings and its all ours to enjoy.

Not to change the subject but did you know that if you're not happy with any facet of your life as a senior citizen, you can always speak out. You elected your legislators so "Do Not Remain Silent" write to them at the State House, Columbus, Ohio 43216.

SOME SOUND ADVICE

To keep in good health you should exercise, but only moderately. Without straining yourself, you can lift your eyebrows, jump to conclusions, stretch the truth, dig up some facts, box a compass, run around in circles, or run up some bills. And if you are clever, you may be able to throw your weight around without losing your balance.

But two things are definitely "bad" for the heart -- "RUNNING UP STAIRS" and "RUNNING DOWN PEOPLE".
