WE ARE PRISONERS TO NUMBERS:

Did you ever stop to think about that as you go from day to day in your daily lives????

Credit card numbers, Blue Cross, Social Security, IRS. Numbers really affect our lives, such as blood pressures or temperatures. License numbers, permit numbers, zone numbers, street numbers, zip code numbers, telephone numbers.

We enter a large store, we are given a number for service. All we buy has a number, model and serial number. Numbers also affect our daily lives without our ever realizing it, such as the time, and date, even our daily papers tell us to turn to "page 6, Column 4.

Even housewives are slaves to measuring cups, oven temperatures and of course a budget made up of numbers of \$\$\$\$ and cents.

We can go on and on and I think you could probably come with a few more yourself. We do need numbers there is no doubt about that, but it is a sad day when we forget that behind every number is a person or persons, and as we deal with "number people" remember that people may have numbers, but numbers are not people.

Oh my gosh I just forgot the most important numbers of all, the Nos. 1 to 75----Bingo!!!!!!

SWEETNESS & CALORIES!!

The sweetness not only comes from eating something sweet, but it also comes from persons, and that is exactly what "Sally Kinney" can be called just plain "sweetness".

You can thank her for all the ice cream you enjoyed at Bingo last week one evening. She brought it all over for us to enjoy. She had a party and as all of us do when it comes to parties, we sometimes keep thinking we are never going to have enough. And what did Sally do when that happened to her. Well, she just thought of all of us at the Villa Serena.

I am not sure that we should be thanking her, however, it just added calories to all of you who had that delicious ice cream, calories that you certainly do not need at all.

But we will forgive her anyway and just say "thanks, Sally" for thinking of us. You certainly can feel free to do it again and we will see that the calories are somehow removed before we consume the food.

FOOD, FOOD, FOOD AND MORE!!!!

Say, did you ever see such an array of DELECTABLE, DELICIOUS and mouth watering food as was presented at our resident cook-out.

Not only the food which was so beautifully prepared by so many of you and in such generous proportions, but also the luscious hot dogs and hamburgers which every year are provided by the Villa Serena.

You cannot help but remember the old Alka Seltzer commercial when we say "WE CAN'T BELIEVE WE ATE THE WHOLE THING". But you can rest assured we did do just that and it was soooooo good.

To all of you who donated some of the delicious food, we say thank you so much; to those who helped set up tables, to serve, clean up, and to our staff who are always handy at anytime we ask, we extend our sincere thanks.

We certainly want to thank everyone who attended and spent an evening with us. What a very nice spirit of friendship was prevalent all around.

we have said this before, but it bears saying again. "LET'S MAKE "FRIENDSHIP" OUR DAILY AIM!

Thanks to all of you.
