## A VALENTINE WISH

Wish I could send a giant dart,  
To awaken the love within man's heart,  
My valentine to all would convey,  
A message of love for each blessed day,  
In caring for each other you would find,  
A truly Happy Valentine for all mankind.

"HOW TO STAY OUT OF THE ROCKING  
CHAIR"

If you are looking for an evening of fun and easy entertainment, you will find just that at the Villa Serena on Monday, February 5th, at 7:30 p.m.

Maribel C. Haskin is well known for her syndicated newspaper column "Geri-antics," and we are very fortunate to have her present for us her laughter-filled talk, "How to Stay Out of the Rocking Chair."

Come join us in laughter as we listen to Mrs. Haskin's light-hearted spoof of aging.

SWEETHEART SING-A-LONG

In keeping with the traditional St. Valentine sweetheart theme we are planning a special sweetheart sing-a-long for Friday, February 9th, at 7:30 p.m. Bring along your sweetheart or your favorite friend, and we will sing sweet melodies to them and you in real "schmoltzy" Villa Serena style.

In putting together all the lovely songs for this memorable evening, won't you select your "favorite sweetheart song"--one that has a special meaning for you. Bring the title and words down to LaVerne in the office, and we will print our special list of your favorites for this special night.

It's going to be a lot of fun, so get your song titles in as soon as possible. We will print them, and you will be there to help us sing them.

Naturally our "Old Sweethearts" Sammy Berk and Howard Chesler will be with us to put us 'in the mood'--say there's a good song!!!!!!

Spray your throats--gargle well-- and be with us on the 9th.

\*\*\*\*\*

"You never get dizzy from doing good turns."

The Board of Directors and the Villa Serena Staff extend heartfelt good wishes to each of you celebrating birthdays and anniversaries during the month of "hearts and flowers"--"heroes and beloved presidents." This is truly a month of love, and to love and be loved each day of each month of each year is a personal responsibility for each of us. To make one person happy each day; not to do great things, but to do small things in a great way; make the best of everything, think the best of everybody; and hope the best for yourself--this is the lesson of love that St. Valentine, George Washington and Abraham Lincoln would have us learn from their lives of dedication and love. This is our wish for each of you--a life filled with love!

CHARITY ACCOMPLISHMENTS AT THE VILLA SERENA

Quietly and without fanfare many of our Villa Serena members have volunteered their services to meet the needs of the many charitable organizations who have asked for help from the Villa Serena.

Several times this past year Lad Cimler and Dorothy Khaner have organized many enthusiastic volunteers into teams to stuff thousands of envelopes for Muscular Dystrophy and the Tuberculosis Drive; and just recently 2033 kits for the Heart Fund have been completed.

Ongoing throughout the year Dorothy Khaner and her group meet every Tuesday morning to take care of some of the needs of the Cancer Society and Hillcrest Hospital. Anna Dean and her group of Red Cross volunteers meet on Monday mornings. Headed by Eileen Bentler Villa Serena volunteers have met Wednesday afternoons and have made 1000 rosaries for the Blue Army. These rosaries have been distributed to men in service and hospitals.

Those who volunteer to help in these works of charity truly show real feelings of generosity and love for the well being of our fellowman. To all of you who have given so unstintingly of your time and energy, we extend our BIG HAND OF THANKS.

VALENTINE MOVIE-DESSERT NIGHT

"Never Too Late" is a thoroughly comic film. It is a story about a middleaged couple who discover that they are about to receive a visit from the stork. All the ramifications that result from this discovery will keep you in stitches the rest of the evening. Maureen O'Sullivan, Connie Stevens, and Paul Ford have star billing.

For the nominal cost of 50 cents you can enjoy a first rate movie and a goody dessert with coffee.

Why not bring a friend and plan to come to the Villa Serena's Valentine Movie and Dessert Night on Wednesday, February 14th, at 8:00 p.m. Tickets for this event can be purchased from LaVerne in the office.

JANUARY BIRTHDAY AND ANNIVERSARY PARTY

Our January birthday and anniversary party Sunday the 18th started a new year filled with the anticipation of good things to come. Wow, what an attendance! With the new year's resolutions still fresh in their minds, the celebrants were in a very joyful mood. It was also good to see so many couples present celebrating their anniversaries. They were: Mr. and Mrs. V. Sarmir, Mr. and Mrs. J. Kandrak, Mr. and Mrs. Ed Picozzi, Mr. and Mrs. A. Sulzer, and Mr. and Mrs. J. McClintock. We wished them all many more healthy and happy years.

The entertainment for our listening and dancing pleasure consisted of an excellent musical trio, Mike Bramante, a singer and guitarist, Gino Fantazzio and son, Sam. They were really great.

After the program, refreshments were served as usual and thus ended our first event of the year 1973. Keep in touch for there is a lot more to come.

JANUARY'S SPECIAL LUNCHEON

Many senior citizens joined us on January 16th at the Villa Serena Center for a delicious luncheon served by those dedicated dining room girls and most of all to listen to our special guest speaker, Mrs. Betty Henry, who is a poet laureate for homemakers. She certainly was a delightful speaker.

Her poetry is quite humorous and pertains to her six children and family life. During her talk she illustrated her poetry with funny drawings created by her offspring! What a refreshing and entertaining afternoon.

In the very near future Mrs. Henry is giving our library two of her books of poems for our reading pleasure. Watch for them.

MARDI GRAS NIGHT IN VILLA  
SERENA STYLE

Another spectacular gala event is being planned at the Villa Serena. We are going to have our own Mardi Gras night on Saturday, March 3rd.

We will have the traditional dinner served at the Mardi Gras in New Orleans of ribs and chicken. \$3.00 per person will provide you with complete dinner and a full evening of entertainment and dancing to the Dixie-land jazz music.

We encourage those of you who want to wear lovely costumes or dresses to do so. Start working on some clever eye masks because we will award a prize for the loveliest and most original creation. Put your imaginations to work and you will come up with some great ideas.

It is going to be the greatest pre-Lenten celebration you have ever attended. Circle the date, purchase your tickets, work on your masks, come to the dinner, dance to your heart's content--and when all is said and done, it will have been the gayest Saturday night Mardi Gras you have ever attended.

Early purchase of your tickets from the office is greatly encouraged. No tickets sold after Wednesday, February 28th.

TRAVELOG AND BOOK REVIEW

Mr. Harry Lasky who is an active and devoted member of our Villa Serena Center is going to provide us with two very fine programs this month.

His first program will be a lovely and most inspiring presentation of slides and narration on Italy and Switzerland. You will be "ooching and aahing" over the beauty of these two countries. This program will be on Monday, February 12th, at 8:00 p.m.

His next program will be a most interesting book review on a book titled "Everything But Money" written by Sam Levensen. Come and meet Mr. Lasky in a most humorou and gay book review on Monday, February 26th, at 8:00 p.m.

Let's show our appreciation to Mr. Lasky for his contribution to the Villa by having a fine turnout for these two programs of real interest.

Yes, you are right! not all the Christmas and New Year's party news sifted thru to the VILLA VOICE in time. The 6th floor had a cheerful Christmas tree trimming party. Claudia Wiedlund brought her record player, cookies and wine! The Freeds also brought snacks. Between Christmas and New Year's they had an Egg-Nogg and Wine party. Delicious snacks were served; Password and several other games were played. A very very nice time was enjoyed by all.

PERILS OF OLD AGE

My thinking is not too good these days,  
Am quite forgetful in a lot of ways,  
My eyes are getting dim a bit,  
And I'm always looking for a place to sit,  
My joints are stiff as I try to walk,  
My teeth are wobbly as I try to talk,  
I won't make handicaps a bother be,  
There are other things in life that interest me.

WINTER SCENE

It's again that time of year,  
To do a lot of mending dear,

It's cold with a lot of snow  
outside,  
I feel quite content to stay  
inside,

As a child I loved the snow,  
I played and romped with cheeks  
aglow,

I'm older now and slow of step,  
Afraid of falling and have lost  
my pep,

The glistening snow is pure and  
white,  
A majestic scene, a beautiful  
sight,

The winter months I admire much,  
But from my window, I'll keep  
in touch.
