A "LOVELY" MONTH

A day or two short perhaps, but to us here at Villa Serena, the biggest month of the year. Do you suppose it was just a coincidence, or do you really think that it was planned that way - that our lovely Villa was completed in this month of LOVE. This light hearted month of cupids and hearts and flowers and what lovelier Valentine for each of us than our beautiful home. I'm sure that it is the nicest Valentine that each of us has ever received.

Guess who starts this happy busy month on its way. A very important "little guy", just hope that he's rested enough to stay awake and help usher in an early spring and that he's not a sleepy head who needs another six weeks of "shut eye".

Then along come the birthdays of two great men. Don't you wonder what good Abe Lincoln and revered George Washington would think of their "handiwork", our beautiful America if they could be here today. Maybe if they were here, the picture would be quite different. They loved this country.

The word of the month if love then, love for each other, love of life, love for what has been and what is yet to be, and above all keep a lot of love for yourself -- you deserve it.

And, "fellas", take care, this is LEAP YEAR, you know!!!

IF GOD SHOULD GO ON STRIKE

It's just a good thing God above has never gone on strike. Because He wasn't treated fair, or for things He didn't like. If He had ever once sat down and said, That's it, I'm through, I've had enough of those on earth, so this is what I'll do; I'll give my orders to the sun "cut off your heat supply," And to the moon: "give no more light, and run those oceans dry!" Then, just to really make it tough and put the pressure on, Turn off the oxygen and air, till every breath is gone. You know that He'd be justified if fairness were the game, For no one has been more abused or treated with disdain And yet He carries on supplying you and me With all the favors of His Grace, and everything - For Free! Men say they want a better deal and so, on strike they go, But what a deal we've given God to Whom all things we owe, We don't care whom we hurt or harm to get the things we like, But what a mess we'd all be in if God should go on strike!!

It seems as though our Villa Voice covers are becoming more beautiful with each passing month. Each is a masterpiece of artistry, put together with so much "tender loving care" by none other than Vernon Morgan and Mike Suvak of our Art Class. These covers are so marvelously done, no other publication, professional or otherwise can boast of the loveliness of their front covers. Thanks so much to each of you for the proud face our Villa Voice shows each month.

Our luscious Sundaes served at our January Birthday Anniversary Party were due to the generous donation by the son of Thomas Fitzpatrick, who was a tenant of Villa Serena prior to his untimely death.

We thank him so much for the donation of cash in memory of his father.

\*\*\*\*\*

Our sincere sympathy to the family of our resident, Hazel Thompson.

Also to Pauline Koenig on the loss of her brother and to Charlotte Bohacek on the loss of her sister.

\*\*\*\*\*

Thanks again to Bill Pace and Hazel Shoemaker for the books to our library.

\*\*\*\*\*

If somehow we missed a "thank you" to all the lovely ladies who helped Dorothy Jacobs with our table decorations at Christmas time and to all those who did a lovely job of making our building so beautiful in the building decorations - we "thank you" all so very much now, it was nice of you to take the time to create a little cheer!!!

JANUARY BIRTHDAY-ANNIVERSARY PARTY

On Friday, January 11th, the Villa Serena was transformed into a theater with all the comforts of home, as we again celebrated the birthdays and anniversaries.

The seats were filled to capacity as we viewed a very interesting and beautiful movie, "Thats Entertainment" The operator who ran the film was David Bowes, grandson of Mr. & Mrs. Richard Landis who are residents of the Villa.

This movie was really something to behold and uite nostalgic as it brought back memories of days gone by as we recognized the wonderful actors and actresses in the heyday of their careers.

The film started with the silent movies then to our first talkies in 1929 and all the way up to the 1950's and in between. The musicals of that era were simply fantastic and quite spectacular! They were fun to see for all ages! There was nothing offending but good clean entertainment.

During intermission the many birthdays and one anniversary, Mr. & Mrs. Ed. Picozzi, 54 years of married bliss, were acknowledged with many salutations and song. Refreshments were served and after the short interval, the film continued to the end.

This was really a nice enjoyable way to celebrate. So cozy, so comfortable! Rest assured, we will have more of the same!

Will be seeing you nice people!!
