### BRIDGE NOTES

Since the January Villa Voice went to press before our Christmas Party, this news has been on hold. Our party was on the worst day of the winter (December15) but even so we had 32 people who braved the snow and ice to come. I was concerned about the hazardous driving so when Claude Watts offered taxi service, I gratefully accepted. He also picked up Rose Coneglio who couldn't have made it otherwise. Thanks, Claude.

Top prize winners were:

1st Emma and Harold Spengler \$5.00,
2nd Sarah Ciongoli and Rose
Coneglio \$4.00
3rd Ann Epstein and Goldy
\$3.00
4th Angie Znardsic and Isabel Byron \$2.00
5th Marie Matelock and Aileen
Spencer \$1.00
6th Eleans and Ev Allen \$1.00

Sarah Ciongoli won the "2 Prize" When play was finished, we had refreshments.

Thanks to all of you who made our party a success. Have a happy and healthy 1990.

Ve Karash

### DINNER AND BIG BINGO REPORT

The first dinner of 1990 was served on Friday, January 12, with fish or brisket of beef and moist scrumptious coconut cake for dessert. What a treat!

We carefully chose our BINGO cards by a system known only to us. Mary Calogero called the numbers loud and clear with the usual happy winners and sad losers. Several door prizes went to lucky ticket holders.

Mr. Chesler called for the final fill-up game and if won in 57 numbers, it would pay \$200.00 but since no one filled a card in this time, calling continued with three lucky people filling their cards and dividing the consolation prize of \$40.00.

Why not come on down and try your luck next time? Who knows who will be the lucky one to win \$200.00?

### SEWING CLASS ACTIVITY

It is good to be back in the regular routine after the hustle and bustle of the holidays. Sitting and sewing is very relaxing. Even though we are in the middle of winter, it is a good time to think ahead to spring and the state of your wardrobe. If you are bored and housebound, sewing is a good project. I know you must have something lurking in your closet that needs attention - mending or altering. Get all those little chores done before spring and think how good you will feel when spring finally arrives. Don't forget that sewing class is a good place to get help with your Christmas gifts that don't quite fit. Set your clocks on Tuesday mornings and bring your work down to class. Let's get started.

### SHOWCASE CLASS

All-in-all 1989 was a good year for the Showcase Class - we don't have a lot of things leftover. We are grateful for your support of our efforts. After our vacation break we are reving up our fingers and our ideas for the Showcase. There is always so much to be done and never enough time. There are just too many clever things to make - I guess there are just lots of clever people around with good ideas. We will do our best to pick only the cleverest things from the very cleverest people and get to work.

As usual, we are always open to your suggestions and ideas. Last but not least, can you lend us some of your time and a few of your fingers? Don't think that you have no skills making things - if you have the desire we can teach you something new that you might really enjoy. We'd love to have you join us!

### TRUTH IS STRANGER...

This story was told to us by a friend concerning an incident that occured when he was in the army during WWll. was stationed in Germany and came across (or liberated) a large German flag with a Swastika design. He sent it home to his mother so she could save it for him. The day finally arrived when he got home and lo and behold as he looked up at the windows; there it was. The dear sweet lady had made curtains out of it!

(Continued nect column)

### TRUTH (Continued)

A young man came to America from Italy a long time ago. He liked to roam around the city and especially walk downtown. One day he saw a large crowd heading toward the big coloseum on the lake. He heard the words Army and Navy and knew it was an important happening so he joined the crowd, paid for his ticket and watched the action. He was excited and puzzled. After all the rumming around and whistles, people started to leave. He left also and took the bus back to the relatives' home where he was staying. His description of what he had seen should have been recorded. He told how he knew this was something of great importance because so many witnesses were there. He wanted to know why the guys on the grass were so mad at each other and were trying to kill the guys who had different color clothes on. They were just about killing each other and fighting to get hold of a funny ball that was out of shape. You had to be there.

This footabll story makes me think of our Cleveland Browns. Did you ever see anything that could pull a city together like the efforts of the Browns? All the TV hype, banners, news articles, cookies and clothing in orange and brown. Cleveland has gone bonkers over recognition for this beleagured city that has suffered so many so-called jokes. GO BROWNS!

Today in my orange sweater and earrings and brown skirt I, with
this family of mine, will be pacing, yelling, maybe a curse word
here and there. By the time you
read this, it will be over and
we will be CHAMPIONS. If not,
you will notice two big tears on
this sheet.

Josephine Gentile

GRATITUDE: pleasing, thankful; a feeling of thankful appreciation for favors or benefits received. Warm, appreciative response to kindness; thankfulness.

Do you have a feeling of thankfulness and gratitude within
you? Or do you feel that everything good that ever came to
you was your just dessert?
We surely could use some introspection. That means looking
hack on your life and looking
into yourself to see what you
are made of. Do you see what
I see?

No, it doesn't befit any of us to berate ourselves for what has gone by. By the same token, we should try to amend our faults and show a little more gratitude to those who make our lives a little better in some way. Or to those less fortunate.

When they say you can feed a whole family for a dollar, I feel so selfish. Though I try to do my little bit, I wonder - is it enough?

This is beginning to sound like I should have been a preacher. But what if I would have all that money coming in - would I end up like Jimmy and Tammy?

Enough, already. Here you are thinking i"m trying to tell you how to live your lives and what I'm really up to is getting you to learn a few new words and their definitions. How about that?

### DINNER AND DANCE EVENING

Friday, January 19th, we once again assembled for one of our famous dinners. Fish and ham was served in swift, smiling style to our diners. Cool spumoni was a refreshing dessert.

At 6:30, we were greeted by Billy Kaye and his marvelous musicians. They opened with 'It Had to be You', 'Spanish Eyes' and 'Arriverderci Roma'. A variety of music. Many dancers filled the floor and glided smoothly in time to the lilting tunes. The dances included fox trots, waltzes, Cha-Cha, Alley Cat, Hokey Pokey and the Bird Dance. Something to please everyone. Billy crooned'To All the Girls I've Loved Before' and we all 'swooned'!!!.

Rock-N-Roll and the Charleston had quite a few fans taking part - vigorously.

As the band played "I'll See You in my Dreams' another outstanding program was brought to a close.

TRIPS!!!!

Seldom does a day or a week pass, that we are not asked by our residents and members "WHERE IS YOUR NEXT TRIP GOING TO BE?"

We have had so many requests - Those who want to go to Alaska again - another trip to Hawaii - a Caribbean Cruise to anywhere - a Mediterranean Cruise visiting cities in many countries - a Canadian trip - and lastly but certainly not the least a trip to Las Vegas.

All of these trips are very lovely, but our trips are based upon our ability to attract groups of at least 35 or more persons wherein we can immediately begin to negotiate with airlines, hotels and cruise lines to obtain the best rates and still be able to provide our travelers with all the extra goodies we have become accustomed to on all our trips which make for a more inclusive vacation.

Therefore, we want yourinput in trips to be planned for 1990 - By filling the attached preference form and delivering it to the Villa Serena office, we will be able to make a determination as to our schedule accordingly and go forward with immediate plans.

### OUR ANNIVERSARY AND LOVE

In the month of February of each year is a day set aside for "LOVE" - that's Valentine's Day - - - and it is fitting indeed that in February of each year we also celebrate the anniversary of the existence of the Villa Serena.

Yes, this month it is the 23rd birthday of the Villa Serena and it is so wonderful to celebrate birthdays, as we are well on the way to our "silver" anniversary.

### OUR ANNIVERSARY (cont'd)

Yes, the years have been good to the Villa Serena, - and to the many multitude of persons who have come through its doors and become a part of our extended family.

Careful observation of the success of the Villa Serena can be attributed to the fact that "love" and "respect" of the people is the important ingredient of everything that takes place in our building.

We begin our twenty-fourth year with a prayer and hope that the year 1990 will be a year in which the high ideals of the Villa Serena will be maintained; that everyone will have a good year; that everyone will understand the efforts that are made in their behalf by the Board of Trustees and the regular staff and that above all "LOVE" will continue to be the key word to success for this great adventure.

We pledge as we have always done in the past, that we will not stand still in our efforts to bring the very best of everything to our residents and members in the year to come.

We extend our good wishes to all of you in behalf of the Board of Trustees.
