RUBY SAYS

The occasional movie shown in the RED ROOM (free - you're welcome) offers an hour or so away from your usual routine.

Robin Williams as MRS. DOUBTFIRE was his usual versatile character which brought forth some hearty guffaws from the audience. A good laugh never hurts. Feel free to come. No reservations required. See you there?

SEWING CLASS NEWS

The past few months have gone by much too quickly; it doesn't seem like a month has 30 days anymore. I don't think any of us have accomplished all that we had hoped. We get caught up in our busy lives and all our obligations that we suddenly realize we've run out of time. We plod along however and eventually finish what we've started. We may be a day late but we are never a dollar short. The best part about the sewing class is that we encourage and inspire each other.

It has been a wonderful year and as it draws to a close, we extend to you a very joyous Holiday and may your New Year have enough minutes to do all that you desire and not too many that you are ever bored, and above all, one filled with abundant joy.

DECEMBER BIRTHDAY DINNER

The delicious dinner was very well attended and enjoyed by all.

After dinner we were entertained by "Rag Time Patty" and she certainly is entertaining.

When she's not tickling those ivories and singing, she's telling a story of some kind. Patty's stories usually have a lot of humor that puts the audience in stitches.

Mr. Chesler accompanied Patty on most of the Christmas songs. All in all it was a lovely, fun evening.

CHRISTMAS HOLIDAY DINNER

The Cornish hen dinner was enjoyed by many many people. The tables were set with pretty holiday motif tablecloths and looked very festive.

The evening's entertainment was presented by Carmellina and her fantastic, to say the least, musicians. The Red Room was filled to capacity.

Don't the windows on the first floor look great? The students really did a beautiful job!

They have certainly made the Villa Serena look merry and bright for both those coming in and for those who live here.

EXERCISE CLASS

Happy New Year!!! You know what I am going to say. If you have been reading the newspaper and listening to the new, you already know the benefits of exercise and why it should be your number 1 resolution for 1995. This is an opportunity you would be foolish to pass up. The class is right in the Villa Serena. Many of you who read this will not even have to go outside to get to the class. We are here for you. We welcome new members to our class at any-time throughout the year. Why not this week for you. Like Nike says, just do it.

LINE DANCING

Thank you to those of you who have come and watched us solo dance. We always enjoy an audience. Maybe you enjoy the music more than the dancing. Whatever, it is fun to have you there.

A New Year is a great time to learn some new dances. That is our plan for the next few months. There is no stopping us now. We have dancin' feet!

SHOWCASE CLASS

It doesn't look like Christmas but the Santa Elves have been busy making cute Christmas things. We've been trying out all fun new patterns this year and have had a good time. With all the quantities of junk in the stores, it is nice to make available unusual handmade Christmas decorations. And you don't have to worry about either the NAFTA or GATT agreements. All our things are not only made in the USA but right here at the Villa Serena by your neighbors and friends. I can assure you they are made with loads of love -- not to mention laughter. We wish you our very best for the Holiday Season and for the New Year. May it be filled with joy.

OUR VOLUNTEERS!!!!!!!

Just where do we begin to say "THANK YOU" to the many volunteers we have at the Villa Serena who have so generously given their time to help us in so many ways. We would need pages and pages of the Villa Voice if we had to name each person. You all are the very reason the Villa Serena enjoys so many activities that in other centers would be a costly item to support.

Our library always looking so very professional, our Pinochle and Card Party workers, together with our most able Bingo callers. Those wonderful gals who send out Birthday-Anniversary cards, our most loyal Villa Voice Staff. The creative and hard working gals in our Boutique classes who make such beautiful creations for us to sell so that we can earn money for our center. Those who just pitch in anywhere a bit of help is needed, setting tables, helping in the kitchen, selling tickets, helping to plant outdoors, cutting grass, our very dedicated kitchen staff who work so very hard each and every dinner. Our list could go on and on. We do not want to leave anyone out. So to all of you who in any way even for a minute have helped in making the Villa Serena the very wonderful place we all call "Home" we thank you so very much.

We have no medals or pins as they do in other places for volunteers, but you all must know that your work and help has not gone unnoticed and that it is greatly appreciated.

SUCH BEAUTY!!!!

Our very special note of appreciation to the Mayfield High School Art students who once again used their wonderful imagination and talents to paint those most gorgeous holiday paintings on our windows.

They certainly added to the warmth and wonderful feelings of the holiday season.

We wish them all the joy of the season in return for all the joy they have given to us.

BROWN BAGGING IT AGAIN!!!!!!!

You bring the lunch and we will provide the dessert for the next "Big Bingo" at the Villa Serena. It seems to be much fun for everyone and there is no doubt that some of you will go home a little bit richer than when you and there is also no doubt that some of you will go home just a little bit "poorer", but you will have a great afternoon.

So, join us for Bingo on WEDNESDAY JANUARY 18th. Cards will be the same at 3 for \$5.00.

If you have never been with us before, "try it you might like it".

We will try our best to make it a lovely afternoon.

* * * * *

From the very first day of the creation of the Villa Serena our theme is and always will be "LOVE, FRIENDSHIP - AND WELCOME" - You may be tired of hearing these same words but they are true and on-going as long as the Villa Serena is what it is, a place where everyone is accepted and the hand of friendship is always extended.

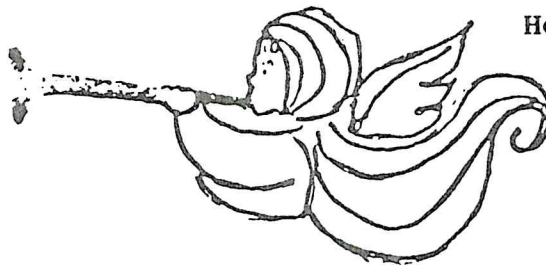

In spite of the many problems faced by our country, the world and some of our very special friends and ourselves, we still have much to be thankful for. To be able to greet each new day as it comes our way is a joy in itself.

We at the Villa Serena pledge to all our residents and members, that when you enter our doors and extend your hand in friendship, that hand will not go untouched, we will extend our hand in "FRIENDSHIP" and say "WELCOME" with the hope that we can in some way bring a smile or two to your face and give you a moment or two of happiness. That is what the Villa Serena is all about.

Following this, let's remember that "LOVE" of God comes first and foremost and when we do this, it will be very easy for us to extend our hand in "LOVE" to everyone around us.

From our Board of Trustees, staff and management, we wish that 1995 will be a good year and that God give you the strength to face the challenges along the way.

Howard Chesler
& Mary
