Cover: Elsie Brenneman

ADVISER: Jean D. Carver

On Wednesday, July 21st, we invite all the residents of the Villa Serena to join us for our special patio cook-out. The management will provide free hamburgers, hot dogs, buns, and coffee. To make this a truly shared experience, we ask that everyone prepare and contribute one of his/her favorite recipes. The delicacies shared with us in the past years have been long remembered, and we are all eager to sample them again this year.

JULY BIRTHDAY-ANNIVERSARY PARTY

Along with the residents of the Villa Serena we are inviting all our members to join us at 8:00 p.m. on Wednesday, July 21st, for the birthday-anniversary celebration. We are always pleased to see so many of our celebrants join us for this happy occasion.

For those who cannot cook, we suggest that you contribute cold drinks or perhaps some other goodie.

There will be a sign up sheet in the mailroom so that you can let us know what you are planning to contribute in order to avoid too much of one item.

Toe tapping, hand clapping square dancing will be the entertainment for the evening. Dancers as well as watchers and listeners are promised a great evening of enjoyment.

Remember the date for the special patio cook-out for the residents is Wednesday, July 21st, at 5:00 p.m.

SEPTEMBER'S GRAND FUND RAISING EVENT

Question: How many items are there in your cupboards and closets that you haven't used in the last year? Take a good look at them. If you haven't used them or worn them in this past year, it is almost a foregone conclusion that you never will! Think how spacious your cupboards and closets would be if you could make those unused items disappear.

The Villa Serena has the magic answer that will help you and which in turn will help the Villa Serena. Donate all those unused good things to the FLEA MARKET AND RUMMAGE SALE which will be held at the Villa Serena on SATURDAY, SEPTEMBER 18th. It is planned as one of our chief fund raising activities for the year.

Donations for the flea market and rummage sale will be accepted sometime in August. More details will be given in the August VILLA VOICE. We ask that you begin now to tell your friends and relatives about it so that they too will plan to give their support to this grand fund raising affair. Please remember that all flea market items must be clean and in good saleable condition; we are also asking that all clothes for the rummage sale be cleaned, mended, and hung on hangers. This help that you give us on your donated items will be a tremendous aid to the committee workers whose job it will be to sort and display all the hundreds of items needed for a successful sale.

We will need many volunteers to help to put this fund raiser together. Won't you sign up now in the office so that you can help us get an early start this summer in organizing this September event.

A BICENTENNIAL SALUTE

Don't miss the special bi-centennial program on Thursday, July 8th, at 8:00 p.m. to be performed by the Traveling Theatre Group of the Cuyahoga Community College. This is a musical bi-centennial salute entitled "Our Country 'Tis of Thee." It traces the history of our country from 1607 to the present day.

The music and the dancing will be a great evening of entertainment.

BIG TIME BINGO

Saturday, July 10th, is the date to put on the calendars of all of you bingo lovers. Come to the Villa Serena for a night of big time bingo with lots of prizes and special games. The starting time is 8:00 p.m.; come and have a whale of a big time.

BOUTIQUE '76

Just a helpful reminder that the lazy days of summer are one of the best time to get some work done on Boutique items. Marilyn Marks will continue the Boutique Workshop during the month of July. It is a great feeling of satisfaction to be a part of this industrious group. If you are in the midst of a project that you are doing at home and need help or information, just talk to Dorothy Papcke in the office.

LIBRARY SERVICE CHANGES AT THE VILLA SERENA

The residents and members of the Villa Serena have been fortunate to have had the services of the Cleveland Public Library for the past eight years. They have been supplying excellent reading material to our library ever since the Villa Serena opened its doors.

Because of policy change the Cleveland Public Library will no longer be servicing us. We will now be serviced by the Cuyahoga County Public Library for our books and reading material.

We wish to take this opportunity to thank the Cleveland Public Library for the many years of excellent service, and to welcome the Cuyahoga County Public Library to the Villa Serena.

OUTDOOR CONCERT

We couldn't believe it, but at last, here at the Villa Serena, on Tuesday, June 8th, we had a delightful and beautiful evening for an outdoor concert by the Hillcrest Concert Band. After five previous years of inclement weather, the evening was perfect.

The band played under the direction of Bob Frazier. The music played had a bicentennial theme. The band had a new look this year with a lot attractive ladies playing along with the gentlemen. They really did a great job in playing American hymns, Star Spangled Spectacular, patriotic and a medley of German songs.

This concert was truly appreciated by all of us and was quite nostalgic of the years gone by.

JUNE BIRTHDAY AND ANNIVERSARY PARTY

At the Villa Serena on the 16th June was "bustin' out all over" with happy senior citizen faces celebrating their birthdays, and Mr. and Mrs. Clem Brazis and Mr. and Mrs. James Fasimpaur their anniversaries! Cheers to all!

The entertainment was great on this occasion in the persons of a handsome vocalist, John Ciresi, piano accompanist, Kathy Smith, and of course the renowned "Kashmir," the exotic belly dancer--she nearly stirred up a riot. Mr. Ciresi with his beautiful voice really increased a rapid heartbeat in every lady. I'm sure we all had a ball!

After memorable performances, refreshments were served and everybody went their separate ways with the feeling of what a wonderful meeting place the Villa Serena is, and how it goes all out to give the best in entertainment and pleasure.

"Stop"! "Look"! and "Listen"! for more.

SOCIETY EDITOR SPEAKS AT THE VILLA

On Tuesday, June 22nd, we at the Villa Serena spent a lovely afternoon listening to the interesting tales of Mary Strassmeyer, society editor for the PLAIN DEALER, on the hardships of interviewing and gathering information on celebrities on every level of the social world. She has been in the newspaper business for twenty years.

She recounted the times she had visited the White House and met some of the presidents and their families, and the impressions she derived from these encounters.

She also has met many movie and social celebrities in her lifetime. She gave us her impression of some of them. Some were good and some not too favorable.

From Ms. Strassmeyer's talk we discovered that a society editor's life is quite a challenge, but most interesting, and many times hectic! She really gave us a fascinating account of all her escapades in meeting people in her world of newsmaking.

HEAT WAVE

As rays of the sun shine upon us below,
The heat wave of summer makes us lazy ;and slow.
Happy and gay are birds in the trees,
Busy making honey are bees, bees,
Boating and swimming somewhere down the stream,
Oh, for a cool spot to le down and dream.
