JUNE JUNE JUNE

The wooded dells once again are green,  
For miles around they could be seen.

Our creator's hand has touched the earth,  
And the rippling brook is filled with mirth.

Within this realm there's a peace I find,  
A joy that I wish for all mankind.

BOOK REVIEW NIGHT

Another great book review will be presented by a charming lady, Virginia Bigelow. It is scheduled for Monday afternoon at 3:00 on June 24th.

The title of the book is Erma Bombeck's AT WITS END. Some of us will remember the delightful review of Erma Bombeck's first book TIL YOU HAVE CHILDREN OF YOUR OWN by Virginia Bigelow. We are certainly looking forward to another wonderful hour of entertainment. We recommend that you don't miss it!

BOUTIQUE REMINDER

We are starting early again this year to make the many lovely items to be sold at our Boutique in the fall. A new Boutique Workshop class is scheduled for Wednesdays starting in June. If you'd like to bring your lunch, the Villa will have coffee or tea for you.

Summertime has a habit of passing quickly, so let's each one of us get at least one project started right away, and before the summer is over, we'll have a tremendous number of beautiful items for our sale.

Come and talk to Marilyn Marks on Wednesdays--and stay to work!! She has lots of new ideas and projects for us to do.

REMEMBER THE MAY BIRTHDAY-  
ANNIVERSARY PARTY

Speculation was "there won't be many folks back after such a big day for the birthday-anniversary party." Those speculating sure don't know our seniors of the Villa Serena. The Red Room was filled to capacity for our monthly get together. Our dear little Brownies started the program off with catchy little tunes; they are sweet little girls. Birthday celebrants were honored, and Mr. and Mrs. Vernon Morgan celebrating their 53rd wedding anniversary danced a lovely Viennese waltz.

Entertainment for our pleasure was provided by the "Artistics": a trio of two fine singers (a lovely young lady, a handsome gentleman) and a most talented accordion player. Their repertoire was beautiful--songs from many Broadway shows, a little opera, a couple of lovely Italian tunes and many favorite numbers which everyone enjoys hearing again and again.

Coffee and cake were served by hostesses from the 8th floor: Helen Sullivan, Thelma Lilje, Agnes Grad, Eileen Bentler, Anna Puhalla, Vincy Motto, and the "hostess with the mostest" Charles Guild. We are most grateful to them and to the two lovely gals who set up the tables--every little bit of help --really helps.

CANCER VOLUNTEERS LUNCHEON

On Wednesday, May 8th, a group of cancer volunteers from the Villa Serena Center attended a very lovely luncheon in Higbee's Auditorium for the presentation of awards by Mr. Frank Heath, President of the Cuyahoga Unit. The following attended: Lulu Sarver, Eva Mahoney, Fira Eridon, Anna Kandrac, Agnes Grad, Celia Freidman, Lillian Freidman, Anna Dean, Thelma Lilje and Edith Madge.

Dorothy Khaner who is head of this group was on vacation. All who had 100 hours or more received pins. Mr. John Hambrick, Anchorman from Channel 5 WEWS and Ohio Crusade Chairman, thanked all volunteers for their dedication for this good cause.

Here's a resume of the time put into this project: 287 volunteers had 100 hours or more, 35, 500 hours or more, 30, 1000 hours or more, and 32, 2000 hours. All in all 130 organized groups were honored. There are 492 volunteers.

This is a beautiful accomplishment for a very good cause. It is a privilege to be a cancer volunteer and a good feeling to be helping someone in great and a grave need.

She also told us a little bit about her life and about the accident that left her blind when she was 20. It was an enriching experience for all of us. Special thanks to Hilda Rice who has been most faithful in playing the piano for us on many occasions throughout the year.

We would like to remind you that there will be no services during the months of July and August.

GARDENING AT THE VILLA SERENA

In a matter of a few weeks a walk back to the garden area will be a wondrous sight to behold. All our gardeners have been hard at work already to get all kinds of good things growing.

With the price of food going out of sight, these gardeners will really enjoy the fruits of their labors all during the summer months.

It's really great to have all this farm activity right in our own backyard!!!!

SENIOR CITIZENS DAY AT THE VILLA

The month of May was declared National Senior Citizens month, and we at the Villa really celebrated in style.

As you walked into our lobby we had tables set up to display many of the craft items that were made in our classes as well as some that were made at home. There were articles from our decoupage class, liquid embroidery on pillow cases and tablecloths, knitting and crocheting, pressed flower pictures, and a magnificent display of paintings were hung in the TV room.

At noon we were served a delicious luncheon that our own Evelyn Johnson created. Although the numbers of people who came to enjoy our luncheon were tremendous, we were served in no time at all. While eating, we enjoyed the modeling of some very lovely clothes made by our gals in their sewing class.

A great big hand of thanks to all the ladies and the men from the Men's Club who helped in big and little ways all throughout the day to make our Senior Citizen Day a great success. Because of the teamwork of many, the day's events moved along smoothly. It was really beautiful to see the way in which so many contributed so willingly and graciously to making this a very successful and happy occasion.

After the luncheon we all gathered in the Red Room where a treat was in store for us-- Cleveland's own gracious lady, Dorothy Fuldheim. Her talk touched everything from world events to aging and senior citizens and a hint of humor now and then. Needless to say she  
(continue next column)

received a standing ovation. Everybody enjoyed this unusual individual; we could have listened to her forever.

Mr. Chesler then honored with awards two of our residents who reached four score and ten. They were Nettie Hogue and Anna Pramislloff.

A lovely group of women called the Lakewood PTA Mothers Singers gave us a musical rendition of songs from one era into another. It was really beautiful.

Another surprise for us was the dedication of the new organ that was presented to us by the family of Rose Zingale. A check had been given to Mr. Chesler with the request that it be used to buy some sort of musical instrument. For those of us who knew Rose we remember that she loved music and loved to dance. The organ given in memory of Rose Zingale will long be enjoyed by all of us. Mrs. Zingale's children were present and they unveiled the organ.

Richard Fanning initiated the organ by playing a few numbers for us. One song especially was played in Rose Zingale's memory, "Dear Heart and Lonely People." This was certainly a memorable occasion.

Judging from all the happy smiling faces seen during the day, a joyous time was had by all.

--Mollie Cohen
