IN MEMORIAM

I R E N E N Y E

I SHALL NOT PASS THIS WAY AGAIN
ALTHOUGH IT BORDERED BE WITH FLOWERS,
ALTHOUGH I REST IN FRAGRANT BOWERS
AND HEAR THE SINGING
OF SONG BIRDS WINGING
TO HIGHEST HEAVEN THEIR GLADSOME FLIGHT
THOUGH MOONS ARE FULL AND STARS ARE BRIGHT
AND WINDS AND WAVES ARE SOFTLY SIGHING,
WHILE LEAFY TREES MAKE LOW REPLYING,
THOUGH VOICES CLEAR IN JOYOUS STRAIN
REPEAT A JUBILANT REFRAIN
THOUGH RISING SUNS THEIR RADIANCE THROW
ON SUMMER'S GREEN AND WINTER'S SNOW
IN SUCH RARE SPLENDOR THAT MY HEART
WOULD ACHE FROM SCENES LIKE THESE TO PART,
THOUGH BEAUTIES HEIGHTEN,
AND LIFE LIGHTS BRIGHTEN,
AND JOYS PROCEED FROM EVERY PAIN
I SHALL NOT PASS THIS WAY AGAIN.

H A P P Y H A P P Y T A L K

A couple of elderly men were seen reminiscing. "Almost all of our friends are gone, but I miss Frank the most of all". Said one: Why Frank? - "Because I married his widow".

Father O'Rourke, wishing to become better acquainted with some new parishioners, knocked at their door one afternoon. "Is that you, Angel?" came a voice from inside the house. "No", the good Father replied, "but I'm from the same department."

Weary of the constant disorder in her sons' rooms, a mother laid down the law: For every item she had to pick up off the floor, they would have to pay her a nickel. At the end of the week, the boys owed her 85 cents. She received the money very promptly - along with a 50 cent tip, and a note that read: "Thanks, Mom. Keep up the good work!!!".

After a long spell of hot, dry weather in North Carolina, an old-timer remarked, "I'll tell you why we haven't had any thunderstorms, The good Lord can't afford the electricity rates."

Your son tips me more generously than you do, sir, said the taxi driver. "That's quite possible, he has a wealthy father, I haven't".

First Man: "My wife is a saint".
Second Man: "You're lucky, my wife is still alive."

Sign over the front door of a suburban home: "For sale, new set of encyclopedias, never used. Teen-age son knows everything".

A grandmother was introducing her two grandchildren to a friend. "How old are they?" the friend asked. "The doctor is four and the lawyer is five", the grandmother replied.

The Jewish and Roman Catholic ecumenical talks have hit a snag. There's a controversy about whether the hymn "Ave Maria" should be changed to "Oi Weh, Maria".

A wildly excited man ran into the police station shouting, "I need help, A man just stole my car!!!". "Did you see him?" asked the desk officer. "No, but I got the license number as he pulled away!!"

"He thinks if he watches 'Charlie's Angels' he doesn't have to go to church on Sunday!"

UP AND DOWN THE HALLWAYS

So many of our friends are on the sick list. Our get well prayers are out to: IRENE NYE, BENNIE JEROME, TONY CATULLO, FRANK LATSKO and CHARLES BLESSING, MARGARET FREED, LORETTA KILLIAN.

So glad to see MARGARET NERO, DOMENIC DALY home from the hospital. We hope MARGARET DENNE and ANNA ROTH are on the mend after their accidents. Also JOHN GALLAGHER, back home again

We extend our sincere sympathy to the family of our kind and gracious HELEN LATSKO who passed away this past month - Also to Morris Smiley on the loss of two of his sisters-in-law. - also to Mario Minichiello who lost his sister.

A bit of "thanks a heap" to William Pace and Edwin McNamara for the nice donation of books to our library.

In the Pinochle Winners Circle this month are: WALTER RUTH, DAVE MILROY, JOE RAK, BARBARA VAUL, CHARLOTTE SADOWSKY, ANNA DEAN, LUCILLE SHERWOOD, and MIKE VOLINO. I hear they've all spent their big winnings already - Well, easy come, easy go. Congratulations to all of you!!!!

How wonderful!! - Mr. & Mrs. Walter Nye became great grandparents on May 17th. It was a girl clocked in at 8 pounds 4 ounces.

What an accomplishment - can you top that??? We pray that Mr. & Mrs. Nye will have many years to see this lovely new generation growing in their family.

This little ditty was submitted by one of our lovely members, thought you all might like to read about the changing times:

MY LAMENT

Everything is farther away now than it used to be. It is twice as far to the corner and they have added a hill, I've noticed.

I've given up running for the bus. It leaves faster than it used to. It seems to me they are making stairs steeper than in the old days, and have you noticed the smaller print they now use in the newspapers?

There is no sense in asking anyone to read aloud. Everyone speaks in such a low voice, I can hardly hear them. And this material in dresses! It is so skimpy now, especially around the waist and hips. It is almost but impossible to reach my shoelaces.

Even people are changing. They are so much younger than they used to be when I was their age. On the other hand, people my own age are so much older than I am. I ran into an old class mate the other day, and she had aged so much she didn't recognize me!!!

I got to thinking about the poor thing while I was combing my hair this morning, and in doing so, I glanced at my own reflection. Confound it, they don't make good mirrors like they used to.

Loretta Maier

SAY, HOW ABOUT IT --- ARE YOU GOING ON VACATION, HAVE YOUR CHILDREN HAD NEW ADDITIONS TO THEIR FAMILIES, A FAMILY WEDDING, "maybe your own wedding, or new baby, ahem!!!) well we are always interested, how about turning some newsy items into the Villa Voice - we'll use them to be sure!!!!!!

THE VILLA SERENA MAY SHOW

To be current with the art spirit in May in the community, the Painting Class at the Villa installed a petite art show of the work of its talented pupils which was viewed until May 15th.

The Villa has some very accomplished amateur painters showing their interpretation of the still life and landscape subjects which are our source of inspiration.

The techniques employed are mostly water color, acrylics and a combination of pastel and water color. The paintings are all the original creations of the artists to translate their ideas of beauty to the beholder. Individuality is explicit in visual expression. After all, that is what art is all about, to enjoy the visual experiences of others, as no two artists will paint alike.

Perhaps you have some latent art talent you would like to polish off; if so, join the group and try your hand at it. You will benefit from the ability to express your creative urge and make you a better balanced person as well as one to appreciate the mundane world around us.

Lawrence Blazey
Art Teacher

PLANNING AHEAD

Sergio Franchi will be performing at the Front Row in October - we have already reserved a section of tickets to be sure of not being left out - tickets will be limited so if you'd like to be considered - let the office know.

MEN'S CLUB PANCAKE BREAKFAST AND
OUR BIG BIG BINGO A HUGE SUCCESS

"YES, WHAT A DAY IT WAS" - Such a lovely one for so many. Those of you who began the morning by coming to our pancake breakfast, and enjoying good "down on the farm" sausage and pancakes. Those of you who came to participate in our big big bingo. It was just the nicest thing to do, so very very relaxing - the weather was beautiful - all of you who came were just grand - we enjoyed having you spend the day with us at the Villa Serena!!

And lest we forget, those grand and glorious men of our Men's Club who served breakfast so superbly in their gay white chef's hats; they were so cheerful and kind to every one who came - and their service far outshone any "McDonalds or Bob Evans" - so many thanks - it would fill this column and the next to mention all their names - it was just so much fun working with all of them!!!!

Our hardworking Bingo volunteers were all on the job too pitching in wherever they were needed - taking time out on a Sunday to help in so many ways - IT WAS SO NICE.

Check our Villa Voice schedule for a repeat performance next month for those of you who missed out this time.

We were all tired, "BUT, OH! WHAT A DAY IT WAS". *****

A BEAUTIFUL SPRING AFTERNOON

If you can't realize that Spring is really here, then you weren't with us on May 9th. Spring really "sprung" at the Villa on that day when over 200 guests enjoyed a lovely afternoon together. Beautifully arrayed in summer clothes (it was 80 degrees fahrenheit) mothers, grandmothers, great-grandmothers and even some aunts and uncles sat down to beautifully appointed tables, enjoyed a delightful luncheon - luscious ice-cold fresh fruit served in honest-to-goodness pineapple shells (we sort of waited to hear "Sweet Lelani" and see beautiful hulas performed, it was that authentic) cottage cheese, muffins and for dessert - "low calorie" ladylocks.

Following luncheon a very relaxing program of music, some just beautifully classic and some popular and sentimental, music to please everyone's taste. Our sewing instructor, Sally Kinney, presented such a nice style show, as members of her class here at the Villa showed the beautiful dresses and suits that they themselves sewed in class, beautiful models and stunning clothes. To finish the afternoon, prizes were awarded to mothers, grandmothers and great-grandmothers with the most offspring.

A lovely afternoon, mark it on your calendar for May, 1980.

Many thanks to all who helped make this day such a lovely one for so many.

There have been many requests for a private chartered cruise on the Goodtime Boat - we need a minimum of 150 persons - SIGN UP IF YOU ARE INTERESTED - THEN ARRANGEMENTS WILL BE MADE - you'll have a fun-filled evening, we guarantee!!!

A "ROSY" MONTH

All things bright and beautiful, all creatures great and small, all things wise and wonderful, Our Heavenly Father, made them all. How very true and among the wisest and most wonderful creatures of His hand are "FATHERS". We say that his very own day is June 17th. Every day should be his day. Did you ever stop to think that it it wasn't for father or dad or pop, whatever you choose or chose to call him there'd be no mother or no us. If it be in blessed memory, find time each day for a little prayer or some happy deed that he'd be proud to see you accomplish.

If you're lucky enough to still have him, love him and cherish him. Teach the little ones that dad is along with mom their "best friend". "Grandpas" of course, are at the top of the list.

Doesn't a thrill go up your spine and your whole self begin to tingle when you just say the word "JUNE", with its first day of summer, its beautiful young graduates and brides and roses, and all sorts of flowers popping up all over. Don't let it get away from you, get outside and smell those roses (to heck with rose fever, it's worth it), thrill to the songs of the birds and the sunshine and the fluffy white clouds chasing each other across the blue sky.

You'll be glad you did.

VILLA SERENA'S FIRST FUND RAISER

Saturday, April 28th was "D" Day at Villa Serena, the first "Drive for Dollars" party.

We were pleased to have Mayor and Mrs. Ross DeJohn with us and Mike Scigliano and his wife from the Musicians Union. In addition to residents and members of the Center, our I.S.D.A. friends and their families also joined us.

This event was a very successful one - as a social affair, it really differed from the usual get-togethers. Well planned arrangements and a night club atmosphere accounted for the Saturday evening gaiety

A "happy hour" delicious chicken dinner with all the trimmings, reverse raffle and dancing to the music of Tony Lovano and his trio of musicians pleased all the participants in their own particular expectations of a varied and enjoyable evening at the Villa.

How about a repetition of this exciting type of entertainment - for funds for the Villa Serena in the very near future???

Our Boutique class is working very feverishly on so many items - if you can't come to the class, how about doing some work at your leisure in your apartment. See Sally Kinney. Many of the items which we are making are not too difficult and will be easy for you to try.

How about thinking about us during the coming summer evenings when you have a few minutes to spare. It will be time well spent and you will be helping a good cause.

IT'S A THISTLEDOWN DAY

Where: Thistledown Race Track
Date: Wednesday, June 20th
Cost: \$8.50 per person, price includes delicious lunch in the club house dining room, your admission to the track, racing program book and transportation
Time: 11:30 A.M. departure

If this is your first time out, or if you are an old time bettor, a day at the race track is an exciting experience. You might find yourself a little richer at the end, or you just might "lose your shirt". Oh, but what a way to go, just seeing those beautiful horses doing their strutting.

We will have a race named in our honor and in addition four of our lucky "guys or gals" will be chosen to go down to the Winner's Circle at the track to make the winning presentation of the day. How about that for fun!!!!

If this sounds like something old or new you would like to do and a fun day, please sign up in the office. All reservations must be in by June 15th.

REMEMBRANCE OF MAY BIRTHDAY AND ANNIVERSARY PARTY

On Friday, the 18th, Villa Serena brought forth many exotic May flowers to celebrate birthdays and anniversaries. The audience was speckled with color of every hue and a happy mood was felt throughout. Best wishes and salutations to all, especially to Mr. & Mrs. Vernon Morgan who were on hand celebrating 58 years of marital bliss.

The evening started with a lovely dinner and continued with the great music of Mike Jacobs and his Trio from the Goodtime Boat. "What a band".

Many senior citizens took advantage of this fine rhythmic-band and danced to their heart's content. Others just listened with the greatest of

SING-A-LONG FUN NIGHT

Come on in and help us "sing up a
storm" with our one and only "Sammy
Berk", FRIDAY, JUNE 8, at 7:00 P.M.
(note time change). It will be the
last for the summer months, so let's
make it a grand evening down "memory
lane" singing all the songs we love.

Sing-a-long nights always generate
warm feelings of companionship and
friendship, and certainly a lot of
fun, so how about joining us and mak-
ing it a real "loud and hearty" night
of mirth, laughter and singing, of
course!!!!!!

PRE-FOURTH OF JULY DINNER
AND CELEBRATION

Merry making and celebration of the
Fourth of July will start early at
the Villa Serena, on THURSDAY, JUNE
28th at 5:00 P.M.

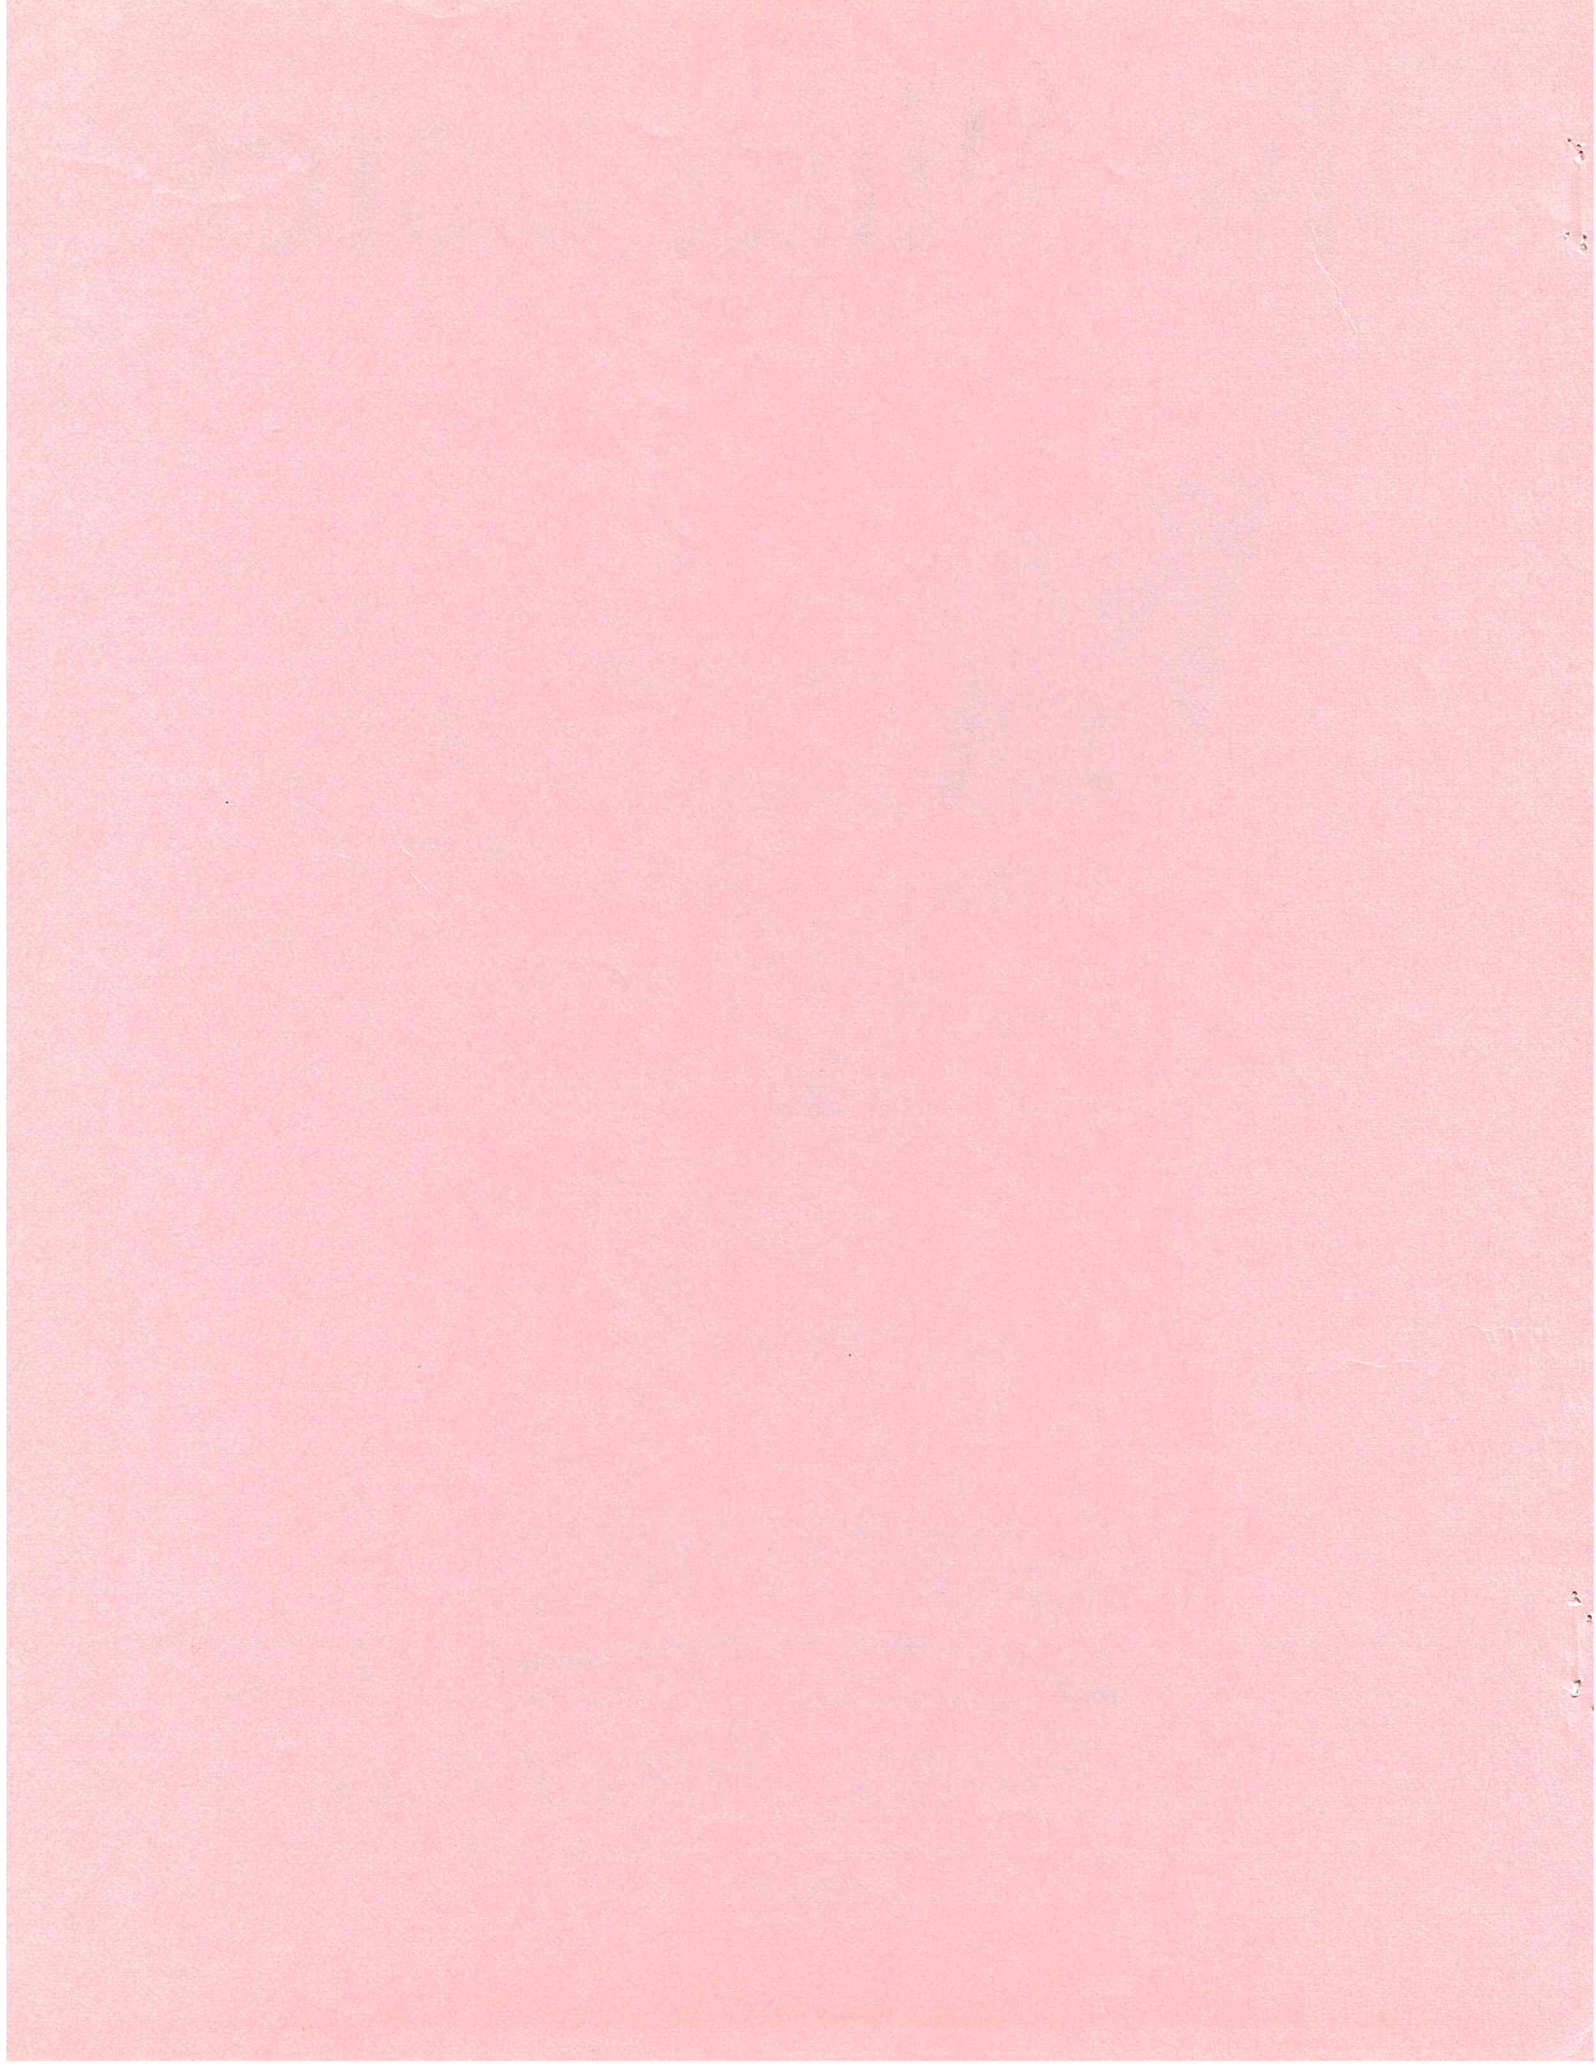

The evening's fun will begin with
your choice of either Barbecued Rib
Dinner or Chicken Dinner with all the
trimmings prepared "a la Chef Evelyn"
style.

From there we will adjourn to the
patio (weather permitting) to the
sounds of the wonderful United States
Post Office Band under the very able
direction of Mr. Elmer Zeitlow.
This will be a real flag waving con-
cert with majorettes performing their
skills in great style.

In addition to the birthday of our
nation, we will celebrate all the
birthdays and anniversaries of all
of you born this month.

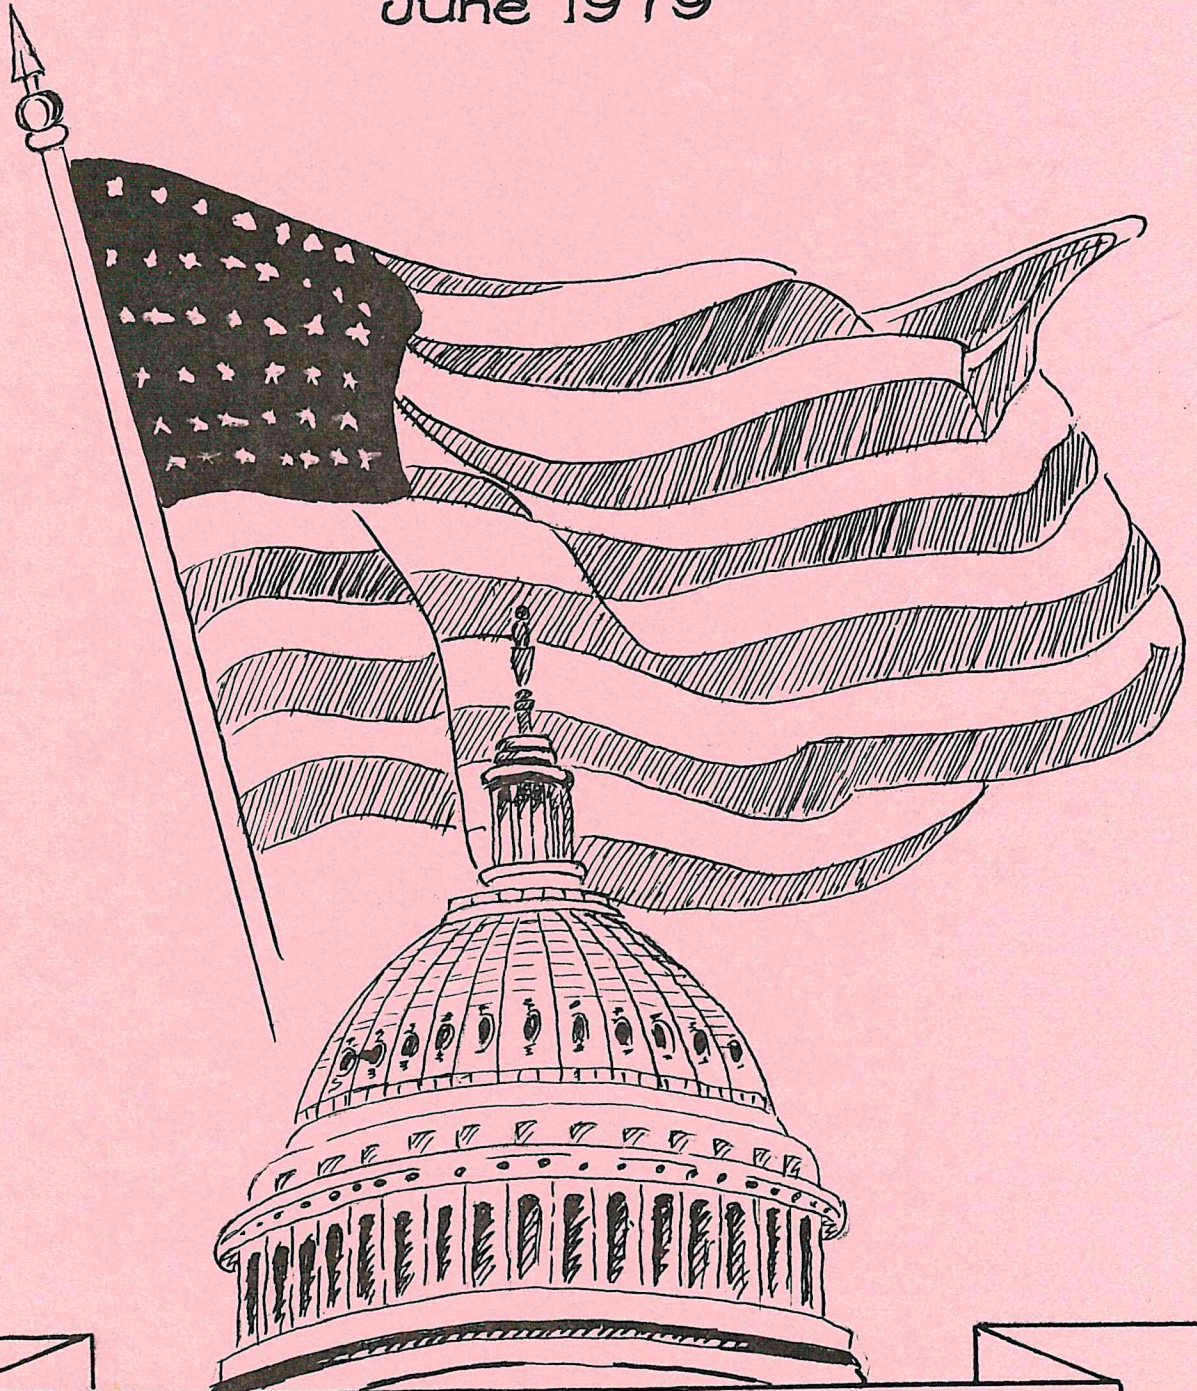

As usual, get your tickets early for
this sparkling fire-cracker evening
of good food and fun.

All this for only \$4.00 per person.
We will be delighted to welcome all
of you on this special evening in
June.
