BOUTIQUE CLASS

Those elves are still as busy as ever in the back room. After all, you know what they say-- if it's spring can the boutique be far behind? Once June is here it seems we are on a crash course to finish up for our Boutique. If only there were more hours in the day! One good idea always leads to another and we keep thinking up ideas for those old "fat" out-of-style men's ties. When we get finished, they will look even better than they looked as ties--as purses, vests and tote bags. If you have any of those old wide ties or can scrounge some up, we can use them.

Our class had such a lovely surprise the other day. Two of our darling dolls from last year showed up in the company of two adorable little girls from California. Their mother had washed the dolls a number of times and they still looked as good as new. She enclosed them in a pillow slip and washed and dried them. It's a wonderful thing to see that what we make and sell is really as sturdy as we think it is.

Have a wonderful summer. You will not be out of my mind as I will be as busy as a beaver in July and August working on the Boutique--getting ready for you in September.

SING-A-LONG

On Friday, May 4th, we had a great sing-a-long after a delicious dinner. We welcomed back Sammy Berk. He opened with solos from "Fiddler on the Roof" as only he can perform it. We really sang our hearts out to a great variety of songs. Come next time and sing for yourself. According to Mr. Chesler, the song "Smiles" is the theme song of Villa Serena. As usual we closed with "I'll see you in my Dreams". A standing ovation was given to Sammy Berk.

ART CLASSES

The Monday afternoon (1 to 3 PM) Art Class is for beginners and advanced students in drawing, painting and sketching. Each student can draw or paint whatever he likes such as flowers, landscapes or still life.

Drawing and painting is a very relating hobby and it is not as difficult as most imagine. With a little help from the instructor, and a desire to create, its surprising what we all can do.

You are welcome to drop in on the class any Monday afternoon, and you may get interested and join in this activity.

Harold Dielman
Instructor

(NOTE: Classes will continue through June and then resume in September).

DID YOU KNOW...

Writing a book on ones life is a time consuming task? Hermine Retsch-315-has been writing her life story for the past year. This urge to write manifested itself several years ago when she began writing religious poems. She was born on a farm in Latvia and in 1939 when war was in progress the Communists moved into her country and she was forced to flee to Germany with two small children, leaving her husband behind to help with the battle. Four years later she was united with her badly injured husband in Germany. Completely stripped of material belongings but filled with hope and determination this lady and her husband and four children immigrated to the United States in 1955. Her family now boasts eight grandchildren.

She is a marvelous gardner and an active fisher-woman. For relaxation she crochets almost anything her family and friends ask for. She is active in the Latvian Baptist Church. The Church regularly publishes her religious poems.

Out of the devastation of war, this lady rose victorious. She is proud of her adopted country and she is jubilant when she refers to the Villa Serena as her home.

PROFESSOR KALL

At 7:00 PM on April 25th, our Professor Kall changed his format for the evening. He showed us his slides about the four seasons. This is his other profession--photography--and it certainly was a delightful showing of flowers and leaves from his porch to scenes of the West.

After this came his political science discussion which, even as it is heating up around the country, became heated up here.

We also discussed a very controversial issue--the domed stadium--but did not come to any conclusions.

The hour lasted way past 8:00 but we have much more to settle before November. Join us at 3:30 PM on Thursday, June 7th, for pros and cons.

WORLD WAR I VETERANS

There will be no meetings of the World War I Veterans in June, July and August. The next meeting of the Veterans and their Ladies Auxilliary will be September 10th at 1:30. See you then.

DINNER-DANCE

Friday, April 27th, was a beautiful spring day and promptly at 5:00 PM, 190 of us, with smiling faces, gathered in the dining room to enjoy a delicious repast of flavorful baked fish or succulent swiss steak with a refreshing sherbet as dessert. All was enhanced by the swift, superb service of our waitresses and waiters. Our bowling league, under the direction of Bill Pace, had 40 people for their annual dinner. After dinner the walkways were filled with happy and healthy people enjoying the flowers and balmy spring weather.

Later we filled the Red/Blue room to capacity to hear the music of "Eddie Platt and the Contrasts". A great 3 piece combo! They played several medleys of older hits which we all recognized. The floor was really filled with happy dancers. Even the audience kept time with tapping toes. Of course, "The Bird" drew the usual crush of people. The band played a great variety of music to please every taste. They closed with "Moments to Remember" and I believe we will remember the good time we had.

TRAVELOGUE

We went to London from the White Cliffs of Dover to Big Ben. Our travelogue in May took us on a "tariff" bus tour of the city. From the beautiful gardens of Kent to the changing of the Guard, we saw in an hour what would take a week of vacation. A very pleasant jaunt through London.

SENIOR CITIZENS LUNCHEON

On Wednesday, May 16th, at noon spring filled the air as myriads of smartly dressed people waited for lunch. The tables were beautiful--yellow tablecloths and pretty styrofoam roses as centerpieces. The fruit and cottage cheese salad was lovely to see and delicious to taste. Apple pie ala mode made a marvelous finish.

The Red/Blue room was filled to see and hear Renee Gollant, the French chanteuse. With her sparkling gown and fabulous voice, she was sensational! John Petrov was a very able accompanist. Renee opened with "It's Got to be Me" then on to French ballads which brought "Gay Paree" to the Villa Serena. Her hand-held mike added a personal touch as she mingled with the crowd.

"Just a Gigolo" and "My Man" were sung to Jim Siciliano who listened attentively (and red faced) in the front row.

After an outstanding performance we gave her a well-deserved standing ovation and invited her to come back soon.

Sally Kinney, our sewing and boutique teacher, displayed clothes made in her classes. Kate Blumer modeled a blouse, Sylvia Bergman a suit, and Anne Klein a jacket she made from neckties. Ida Michael showed a cabbage patch doll she made. Other dresses were displayed by Sally Kinney. An invitation was extended to join the sewing class.

A delightful afternoon was enjoyed by all.

VILLA SERENA MENS CLUB

President Lee Olson opened the meeting at 7:00 after refreshments at 6:30. There were 29 members present. Minutes of the previous meeting and the treasurer's report were read and approved.

Bill Pace's birthday donation of a quart created a confrontation. The Club would supply the necessary needs to dispose of the donation. That would be soda, ice, glasses, chips and so on. At the next meeting we may make other arrangements.

The pool tournament dinner will be on Wednesday, June 6th, with Happy Hour at 5:30.

Meeting adjourned at 7:25.

PROFESSOR KALL

Professor Kall, in his May 3rd afternoon discussion, talked of the China trip by Pres. Reagan. We heard some sidelights of China that were not reported by any media--radio, television or the press. The same is true about South America. A political science professor can give these high-lights that we cannot get anyother way.

Professor Kall will be here on Thursday, June 7th, at 3:30 with an update on our own national election. See you then.

HALF-WAY

Half a year and here it is--
June "bustin" out all over.
June roses, June brides, June
graduates and a big beautiful
"croonin" June moon. Gorge-
ous lovely, breathtaking days
and nights--and June bugs--
ugh!

So many wonderful moments have
passed, birthdays and anni-
versaries celebrated and speak-
ing of these happy occasions
it is such a privilege for me
as birthday and anniversary
card "sender outer" to choose
a special card for each of you,
write it out, mail it or per-
sonally deliver it, in time for
you to enjoy it on your own day.
It would be even greater if
each of you would come and
celebrate that special day in
your own special month at
your very own special party.
See you next time around!
Promise!!

June is Flag Day--may the red,
white and blue wave over this
land of ours forever.

June is Fathers Day--God bless
them all!! The warm and lov-
ing father who made us the
proud bearers of the title--
"mother" the wonderful young
fathers that gave us the title
"grandmother" and those prec-
ious "dads" who gave us the
title of "daughter" they who
have gone home to a loving
Father. They all deserve the
best.

CONCERT

On Friday, May 11th, we enjoyed our usual delicious meal and then we filled the Red/Blue room to hear Mr. Chesler's latest discovery--Sir Michael Longley--age 11. In his silver slacks, red shirt and silver sequined vest, he sparkled as did his music. He played several Slovenian/Hungarian numbers, including "Clarinet Polka". "Have Negela" was played with tambourine accompaniment by Mrs. Siegel.

The highlight of his concert was his original arrangement of "My own Boogie Woogie". This has been recorded by the young artist and after the concert, records sold very quickly. To all the ladies in the audience, he played "You Light up my Life". The performance concluded with the flip side of his record "Over the Rainbow". A great night of music by a very talented young showman.

Needless to say we gave him a standing ovation.

"I'M FINE"

There's nothing whatever the matter with me,
I'm just as healthy as I can be.
I have arthritis in both my knees,
and when I talk, I talk with a wheeze.
My pulse is weak and my blood is thin,
but I'm awfully well for the shape I'm in!

My teeth, eventually, will have to come out.
And I can't hear a word unless you shout.
I'm overweight and I can't get thin--
But I'm awfully well for the shape I'm in!

Arch supports I have for my feet,
Or I wouldn't be able to walk down the street.
Sleep is denied me every night,
and every morning I'm really a sight.
My memory is bad and my head's in a spin,
and I practically live on aspirin,
But I'm awfully well for the shape I'm in!

The moral is, as this tale unfolds,
That for you and me, who are growing old,
It's better to say, "I'm fine," with a grin,
Than to let people know the shape we're in!

LUNCHEON IS SERVED

On Tuesday, June 12th, at noon we will be serving a luncheon-- a complete meal from "soup to nuts".

There are several sponsors-- Cotton Club, Golden Grain Macaroni, Gravymaster, Red Rose Tea and Weight Watchers. This event should be very interesting. The variety of foods should make you curious as to just what will be on the menu. We guarantee it will be delicious!

Along with the luncheon there will be several door prizes and possibly a few gifts for each one.

The price is \$2.50 and well worth it. Be sure to get your tickets early.

Don't forget the date. Tuesday, June 12th, at 12:00 lunch will be served.

SEWING CLASS

Where does the time go? Already we are thinking of summer and as I write this spring has hardly begun. Sewing class will be meeting through the end of June so if you need a project for those lazy summer days, you still have some time to get it started. I'd be happy to help you with your plans and your ideas. This is a perfect opportunity to learn new techniques while making some cool summer clothes--shifts, gowns, shirts, etc. With easy patterns and no-care fabrics what could be simpler? When you sew you never have to say "I can't find a thing that I like" or "I don't have a thing to wear". With such beautiful fabric it is hard to know when to stop sewing. It sure is fun trying though. "Sew"-- have a wonderful vacation.

KITCHEN CLOSED - VACATION

After our last dinner on July 2, the "ladies" and "gentlemen" of the kitchen will take a well deserved rest. We will be closed during July and August but will start serving our regular dinners again in September.

If you have any suggestions regarding menus, please let us know. New ideas are welcome.

We do want to take this opportunity to thank all of our people who regularly help in the kitchen and also all who pitch in when they are needed.

Have a happy summer and come dine with us again when we start serving in September.

APPRECIATION DINNER AND DANCE

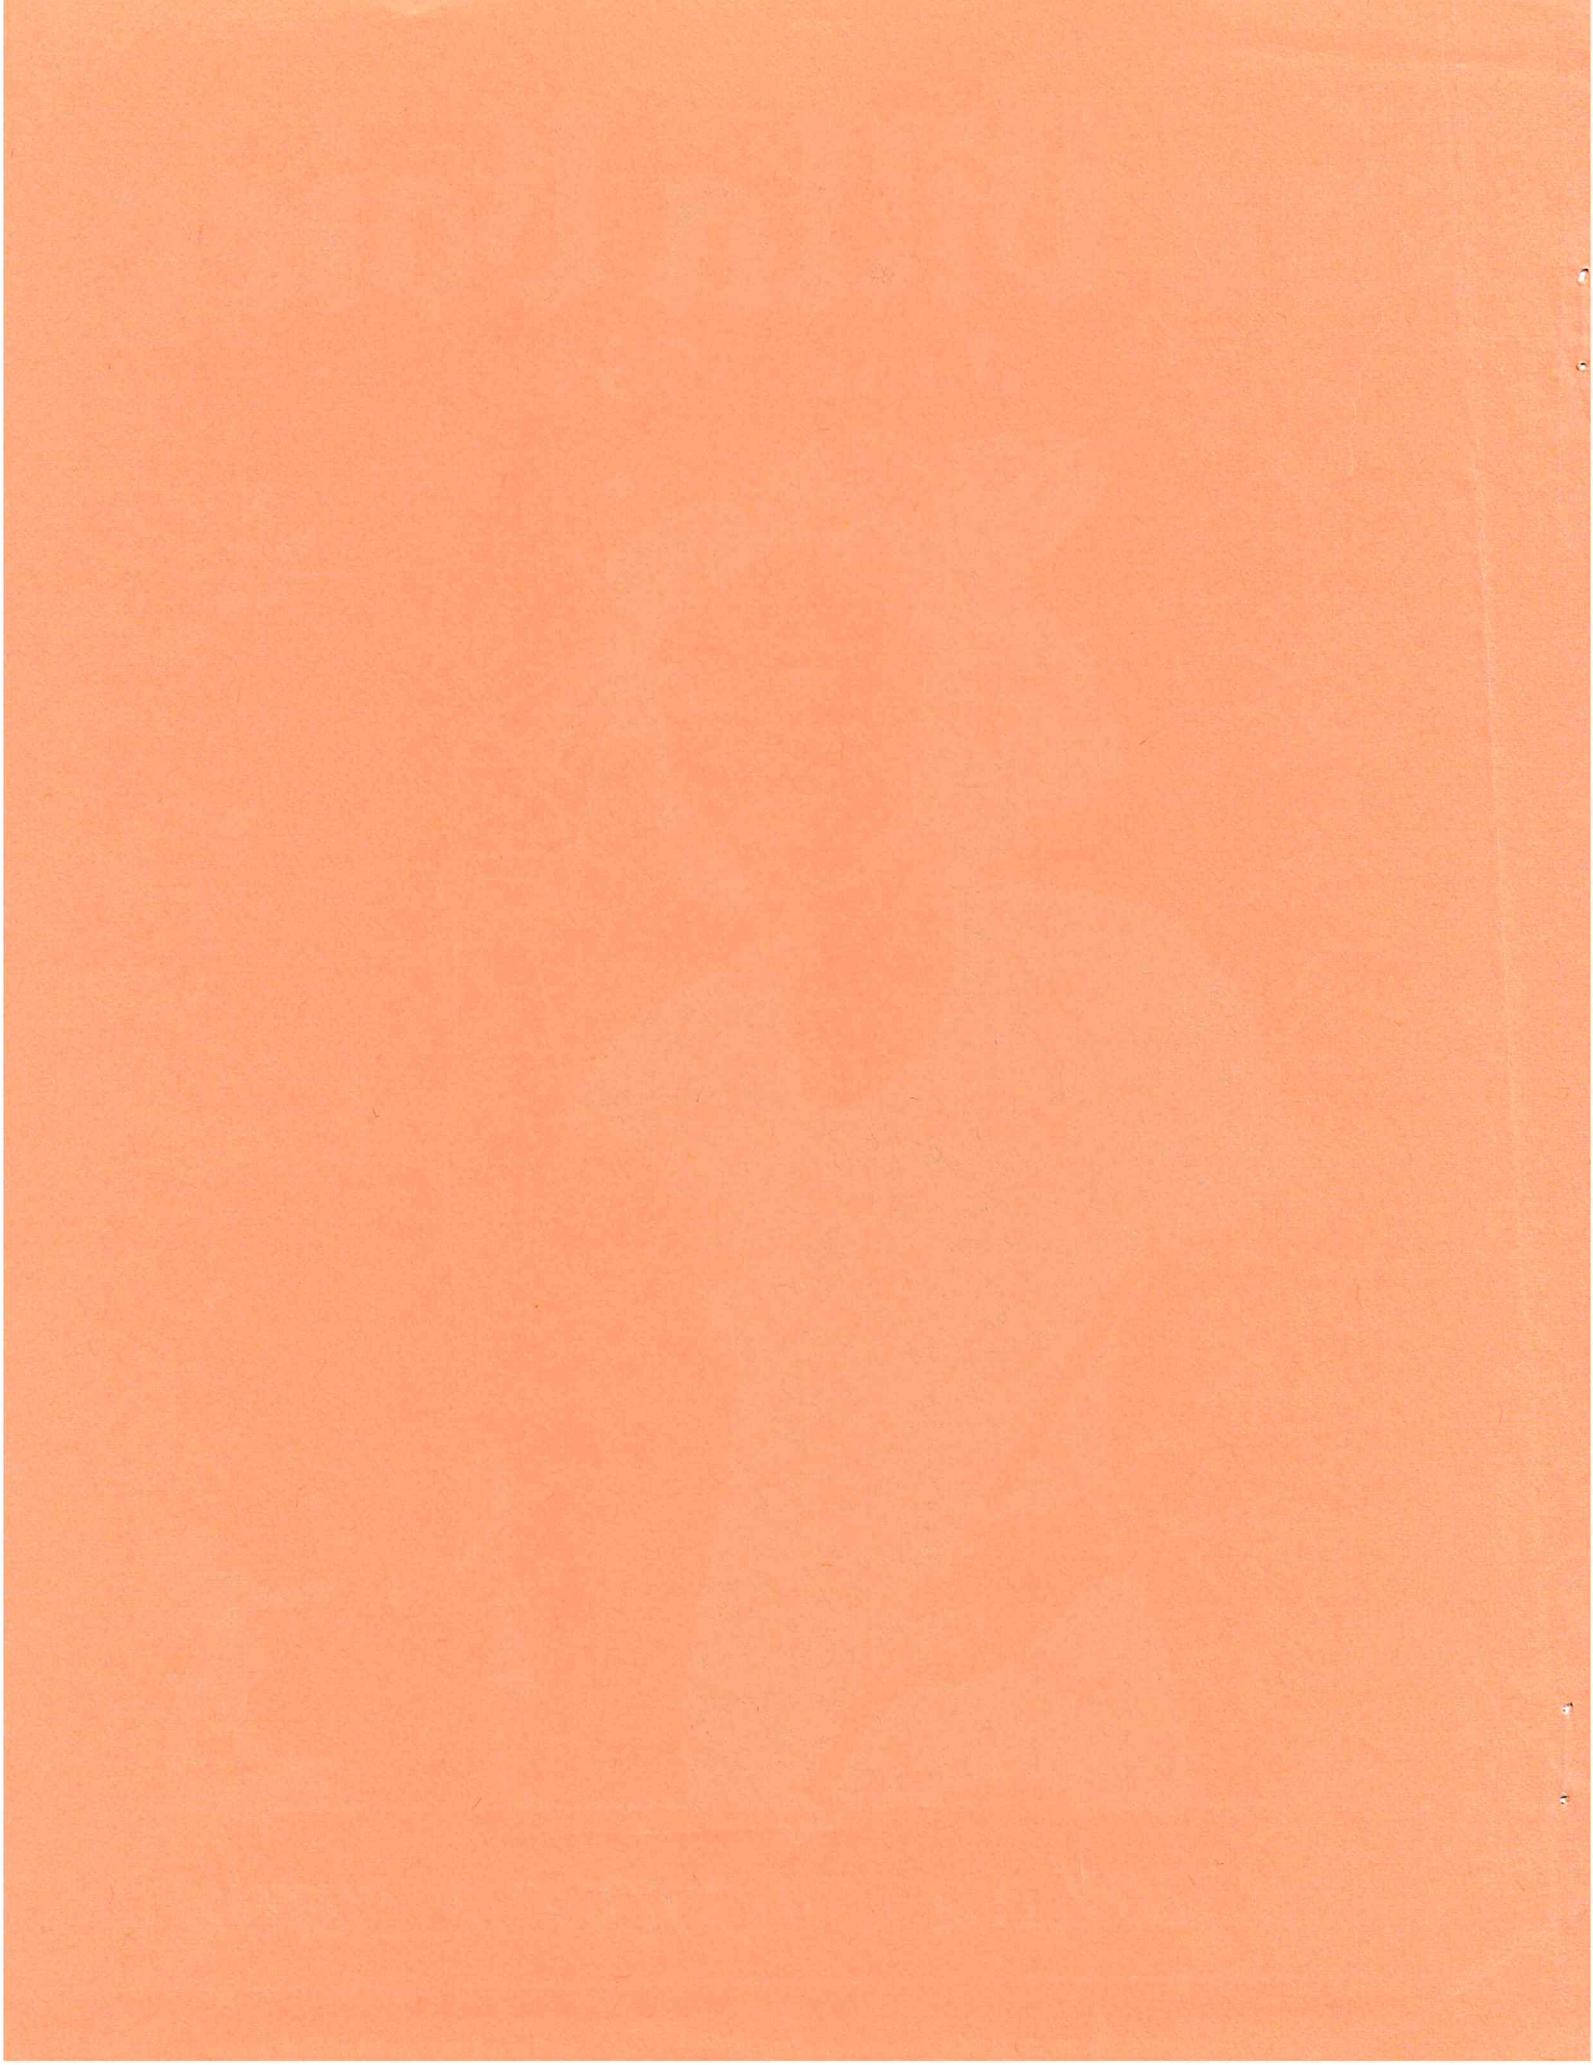

Now is the time of the year when we again want to show our appreciation to our residents and members for all of the support they have given us during the past year. Support of our dinners as well as the many activities at the Villa Serena. And, of course, thanks to all of the people who volunteered their time to make so many of our projects a huge success. Could not have done it without you.

So to show our appreciation we will have another of our famous roast chicken dinners on Friday, June 15. There will be a nominal charge of \$2.99 and that is a bargain these days. The extra costs incurred in providing you with a delicious meal and an evening of entertainment is our way of saying "THANK YOU, THANK YOU. WE REALLY DO APPRECIATE YOUR SUPPORT".

This price and the evening of entertainment is available only to residents and registered members of our center.

Get your tickets early. You don't want to miss this affair!
