CERAMICS CLASS NEWS

Well, it sure seems like summer is finally here! Everyone is working hard to finish up before classes end for summer vacation.

Anna Dean is making a beautiful Madonna dressed in Copenhagen blue. She'll get lots of compliments on this one. If Rose Vitale does any entertaining, she'll be all ready. She just finished a very attractive pasta bowl and is making another one for the Boutique. Jennie Kapelka did a white Mother of Pearl Christmas tree for the Boutique and it is already spoken for. By the way, a Christmas tree in white Mother of Pearl makes a lovely gift for that very special relative or friend.

Rose Katz just made a gorgeous pink swan soap dish for her bathroom. We have a complete line of bathroom accessories available and the great part is we can have the colors we want when we make them ourselves. Marge Reynolds who's making baby booties and a casserole, and Teresa who's making a dove, are really busy working on items for the upcoming Boutique.

I would like to welcome our two new students, Marge Trivisonno and Mercedes Dirner.

A final word. The last day of class is June 24th. Classes will resume September 15th at the same time. On June 18th, a special class will start for those making Boutique items.

Have a safe, happy, active summer. If you get a chance, stop in at our shop. See you in September.

SEWING CLASS

Can it be that this is an article for the June Villa Voice? Where is 1985 going? I guess that means it's time to check up on our New Year's resolutions--have we kept any of them? Oh, well, I know we tried.

The Sewing Class must have made a collective resolution to keep busy and productive this spring. The sewing machines have really been humming lately. It's been fun helping everyone with a wide variety of interesting projects. We will finish up at the end of June and give you all a vacation. If anyone get stuck on their sewing project during July and August just call me. I'll be home most of the summer. I plan to catch up on some of my unfinished projects and maybe you will be doing that too.

I hope you all have a very enjoyable and relaxing vacation. See you in September.

BINGO AND DINNER

Avid bingo players flocked to the Villa Serena for an evening of bingo preceded by dinner. A delicious meal, as usual, and after a bit of relaxing on to the games.

By 7:00 P.M. we were all in the dining room ready to watch and hope for our lucky numbers to turn up. All winners smiled, while losers groaned. Mary Calogero called the numbers and Clara Corea and Mr. Chesler called them back. Mr. Chesler had the honor of calling the numbers for the last "fill up" game.

Bingo is really 'our game' -- very popular at the Villa! Why not join us in June?

KITCHEN CLOSED -- VACATION

After our Pre-Holiday dinner on Friday, June 28th, the kitchen will be closed until September to give everyone a well-deserved vacation. All of our people work so hard all year long to please our friends who have dinner with us.

At this time we want to thank all of you who so very faithfully dined with us week after week. We could not get along without you. Do come back when we open the kitchen in September for more delicious dinners.

Incidentally, we will have a few activities during the summer months. We will let you know in advance so that you can plan to attend. Again, thank you for your support.

SENIOR CITIZENS DAY

Senior Citizens Day was celebrated with a luncheon--fresh fruit, cottage cheese and muffins. Just a few calories but the dessert--chocolate cream puffs!!

For the afternoon entertainment, Ron Wills played the piano delightfully. About 20 girls from Mayfield High School sewing classes modeled the clothes they had made. What a variety and such beautiful work! Sandy Turner, a Mayfield High teacher, introduced each girl and described the outfit she was wearing. Mrs. Turner was a sewing teacher at Villa Serena years ago.

Some members of the sewing class at Villa Serena, under the direction of Sally Kinney, took their turn modeling the items they had made. Ida Michaels showed a dress and a blouse and doll clothes she made. Estelle Fillo modeled a striking suit and dress. Ann Klein wore a pretty print dress and an unusual poncho type raincoat. Kate Blumer modeled a vest made of ties. Ruth Schwartz displayed two dresses and Dora Kohn modeled a pretty suit. Sally said she thinks people who sew are "special".

Mr. Chesler read from articles about seniors taking care of themselves. Keep active and life will be better.

The program closed with Ron Wills playing for our singing--along with Dorothy Papcke--"When Your Hair has Turned to Silver" and "When I Grow too old to Dream". What a beautiful day and program!!

PROFESSOR KALL

At our April 25th session, a few members of the group had varied questions for Professor Kall. The information we received made us a "step ahead" of the current coverage of the media during the Bitburg visit and the Nicaraguan situation. Very interesting! This is one of the reasons we have enjoyed his talks for the last 12 years. Many other topics were also discussed.

Professor Kall is so knowledgeable about so many topics and recounts his experiences vividly. We will miss him during the summer months.

BOCCI - HORSESHOES

Hey, good spring exercise is just around the corner--it is Bocci and Horseshoes time. We will meet every Friday from July 12th to August 23rd at 6:30 P.M.

On Friday, August 23rd, we will have a party for all of the players. The grand finale!

Just as you do in pinochle, bingo, bridge, and dinners, the men and women will play together. If you would like to play, just come to the backyard on Friday, July 12th, at 6:30 and sign up. Or you can sign up in the pool room or the mail room.

Remember, all members of the Villa Serena as well as the residents are welcome to participate. The more the merrier. See you on the 12th of July.

WEDNESDAY CARD PARTIES

Hello! The Wednesday night card parties are going pretty strong. At our last we had 47 players and six winners.

The winners for April 24th, were John Nagy, Joe Rak, Mary Fran Dunlap, Florence Truchel, Len Shoemaker and Mary Blasko.

May 8th winners were Isabell Byron, Mary Blasko, Pauline Kubik, Joe Rak, Evelyn DeFlorentis and Hazel Shoemaker.

The June card party dates are Wednesday, June 5th and Wednesday, June 19th.

I've enjoyed exercising with you and hope to see you all back in the fall so we can stay well together. In the meantime, have a healthy and pleasant summer.

MOTHERS DAY TRIBUTE

To honor all Mothers, the Villa Serena served a wonderful dinner starting with large fresh strawberries, then eye of the round steak and finishing off with the favorite--apple pie.

Beautiful styrofoam flowers as centerpieces made the tables so very cheerful.

After dinner many guests were seen strolling around our grounds--possibly hoping to walk off a few calories!

Our musical salute to mothers was given by Bob Chidsey and June Anthony accompanied by John Petrone on the piano. What a trio of great artists!! Bob opened the program with a medley of songs we all knew. Of course, he included "MOTHER".

June "charged" the men (as Mr. Chesler remarked) with many wonderful songs as only she can sing them. John really displayed his talent with several perennial favorites from "Fiddler on the Roof".--favorites of so many of us.

Bob and June sang duets and we, the audience, joined in "loud and clear" to songs we remember well--songs from our days. "Bill Bailey" was a request from the audience and June "belted" it out properly. Mr. Chesler requested his favorite "Ramona".

A rousing tribute to mothers ended much too soon with our theme "I'll See you in my Dreams". Thank you June, Bob and John. You were super!!

BOUTIQUE CLASS

This is always the time of the year to evaluate what we've done, what we are going to do and what we'd like to do -- hopefully. I think this loyal group of workers really needs a vacation. However IF you just can't stand to watch any more TV I'm sure I can find something for you to do. There is still a lot of work to get ready for November.

I want to thank you for the quick response on the Cabbage Patch Stencils. I knew you'd come through for me. I can still use one gallon bleach bottles and plain dry cleaning bags. Please remember to fold the bags neatly.

In the meantime have a wonderful summer and enjoy yourselves. Get plenty of rest because just remember I'll be cooking up work for September. I promise I'll only have fun work for you.

Our last class is Wednesday, June 26th.

Sally Kinney

PROFESSOR KALL

Professor Kall was here at the Villa Serena on May 16th for one of his last two discussions. He gave us a lot more information on the Nicaraguan troubles than we could find in a newspaper. He explains things so well that his talks are always informative. Questions and comments from the audience are always welcome and make for an interesting hour.

We hope to have Professor Kall with us again in September when classes start again.

DINNER - DANCE

Because so many of our residents and members are avid dancers, we try to keep them happy so on April 26th, we had a great dinner, as usual, followed by dancing with music furnished by one of our favorite bands. There was Mike Jacobs on drums, Bob Vernon on piano, Jack Michaels on trumpet and Billy Kaye, bass guitar and vocals.

They opened the program with the lively song "New York, New York" and that got everyone in the mood for dancing or toe-tapping. A variety of dance music pleased everyone. You name it and they played it. Such talent!

Eleanor Wolff received a bottle of wine which she had won in a slogan guessing game on the recent New York City trip.

Billy Kaye sang "Yellow Bird" with obligato of "la las" by Mr. Chesler and a piano solo by Bob Vernon. Billy really made a hit when he sang Julio's song -- "To All the Girls".

There was a very large number of birthday celebrants and we were very enthusiastic in our singing of Happy Birthday.

Two anniversary couples were honored--Mr. & Mrs. Donald Gisondo and Mr. & Mrs. Chester Ference who danced the anniversary waltz beautifully.

There were more requests for dancing. Mr. Chesler sang "Have Negala" while a stirring circle of dancers performed.

A wonderful evening of music, fun and dancing ended as usual with our theme song.

NEEDLEWORK CLASSES

It is June already and the dedicated needlework ladies have been busier than ever this past spring. Each year these ladies come up with super new ideas. If you would like to knit, crochet, needlepoint or cross stitch some small items over the summer, please do come to class on Monday from 1:00 to 4:00 and I will supply you with the materials. We have classes through June.

In the meantime, have a wonderful summer and save your ideas for the fall classes and our 1985 Boutique.

PRE-HOLIDAY CELEBRATION

On Friday, June 28th, we will have a pre Fourth of July celebration and it will start with dinner. And what a dinner! How does BBQ ribs or roast chicken sound to you? And, of course, we will have all the trimmings.

If you have attended any of our Pre-Holiday celebrations before, you know we always have a great time. No fireworks, but a great time.

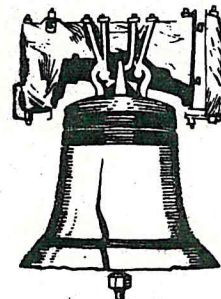

We will also have a very special program and I think you will agree when we tell you that Ed and Gilda Cifani will be at the Villa to entertain you. They are a terrific pair so don't miss them.

Better buy your tickets as soon as possible so that you will not be disappointed. The price of the dinner will be \$6.50 and that is a bargain.

Remember the date -- Friday, June 28th, with dinner at 5:00 and the Cifanis at 7:00 P.M.

Don't you miss it!
