We are sad to report the passing of two former tenants. They are Edna Carr and Hilda Griffin. Our sympathy to their families and friends.

\* \* \* \* \*

Tenants: Do we have your license number on file in the office? If not, please give it to us as soon as possible.

\* \* \* \* \*

Members: Again we want to remind you to check the dates on your card. Don't let your membership lapse.

\* \* \* \* \*

Have you checked the bulletin board recently? That is a good way to keep abreast of the events going on both here and in the neighborhood.

\* \* \* \* \*

Checked out our library lately? Lots of good reading material there to please just about everyone.

# IN THE HOSPITAL

We are sorry to hear that Anthony LaCastro and Margaret Freed are in the hospital. Do obey the doctor's orders so you will be back very soon.

\* \* \* \* \*

If you have any information you would like to have in the Villa Voice, please give it to either Dorothy or the editor. In writing, please.

\* \* \* \* \*

Hint from the Electric Company-- never, never have electrical cords under rugs or doors. This can be very dangerous!

\* \* \* \* \*

Have you signed up for all of the trips you would like to take? If not, do it now.

\* \* \* \* \*

Our sympathy to Helen Burns. We heard that her sister recently passed away.

\* \* \* \* \*

A very Happy Father's Day to all you great Dads!

\* \* \* \* \*

and Anne Klein have moved and I am moving -- only seven miles -- by the time your read this. It's been a collective confusion but it's been fun and we've all accomplished a lot of sewing besides. It is almost time for me to pack away my sewing machine and my projects for the move but I'm sure I won't waste any time unpacking it. There will be no class Tuesday, June 10 for my son's graduation from college. Then I will be back through the end of June so we can finish up your summer projects.

### DINING ROOM ON VACATION

After our 4th of July cele-

close the dinin room until September.

Our kitchen and dining room workers have been very faithful all year so we want to give them a warm thank you and also a well-deserved vacation. Enjoy yourselves all of you people. We hope to see you again in September.

\* \* \* \* \*

(the Beefeaters on parade), Westminster, Palm House, Penzance with its fields of daffodils, Edinburgh, the River Forth and of course, Loch Ness home of the fabled monster, Wales and the River Dee and the procession for opening day of Parliament ending the two week tour.

This was really a fabulous trip and most interesting because it covered areas we don't normally visit. We will let you know when the next travelogue will be. Plan on coming along!

THANK YOU STAFF

At this time I want to give a big Thank You to all of the workers on the Villa Voice. They are always ready and willing to give of their time whenever called upon. And would you believe that month after month the collators are given only a day's notice when it is time for them to work? That means that they are willing to change their plans just so you can get your copy of the Villa Voice as soon as possible.

I also want to introduce three new members of the of the staff. They are Frieda Vormelker, Ruby Jacobs and John Iannerelli. Welcome to each of you. I know you will enjoy working with the rest of the staff. It is really a fun thing.

And thanks to the editor who spends many hours writing, editing and putting the whole thing together.

Let us not forget the printers, Gino Colage and Frank Genova who also give a lot of their time to the Villa Voice. Again it is a case of only a day or so notice but they always show up when asked.

Again a big thank you to each one of you for your dedication.

Mary Calogero

Mildred McCurdy will be flying to Merritt Island, Florida for her grandson's graduation and then back to Columbus and will attend her granddaughter's graduation in Mt. Vernon, Ohio. Have a nice trip, Mildred. See you in June.

\* \* \* \* \*

Wilma Lally spent the week of May 11th attending her grandson's graduation ceremonies at Ohio Wesleyan. From there she stopped to visit her daughter and family in Dayton. That big smile she wears means she had a good time!

ART NEEDLEWORK

Come and join us on Monday afternoons from 1 to 4. It's a great way to help the Villa and enjoy each others company.

Our baby items are handly on display before they are sold. Did you see the lovely Baby Crib Afghan on display now? It's so bright and cheerful I'm sure anyone would love to receive it as a gift. I have some yarn for you to knit or crochet, also some cross stitch items. Do come before classes are over at the end of June.

PROF. KALL

On May 21st, Prof. Kall announced the beginning of summer vacation! But no fear he will be back in September.

Proof that Russian society does not permit free movement and speech was shown by the Chernobyl incident. The world community should realize the terrible unknown of the nuclear effect on animal life, soil, water supply and etc. We have no data base. Records were not kept on Japan. The Soviets have not been members of the Cancer Association of Marrow transplants but now they have applied!

Did you know that we got proof of the German bombing because we broke the code? Lybia is a terrorist but Syria is the master mind.

Another important development is the Superior Court decision on affirmative action.

What will happen in South Africa --do they have leadership?

Tune in September for the continuation of this true story.

## BOUTIQUE CLASS

Trying to plan for this class, selling your home and moving all at the same time is like trying to live three lives all at once. I'm not sure which brain is working on what project and I think there have been a few short circuits along the way. Bear with me and probably by the time you read this I'll be on my way to the new house following the moving van. It is all very exciting but once I move in a lot of the pressure will be over and I can enjoy the unpacking. But just about as soon as I move in, my husband, younger son and I head for New Hampshire to see our older son graduate from college. Therefore: No class Wednesday June 11th for the graduation. (Do I have enough going on in my life?)

But in spite of all this I do not want you to forget that the Villa Serena has a lovely gift Showcase and a lovely group of ladies who make the pretty things to go in it. The Showcase is not hard to find and if you haven't seen it, do stop by and look at it. It is located in the T.V. room and is always open on Tuesday and Wednesday when I'm here.

All you have to remember is this: THE VILLA SERENA SHOWCASE IS JUST 54 STEPS FROM YOUR MAILBOX. As always I'd love to hear your ideas or suggestions. We can also take orders on items. Do stop by and see the lovely things.

## DANCERCISE CLASS

It's time for us all to enjoy the summer, so our last class will be Tuesday, June 17th, with a picnic at my home on Tuesday, June 10th, at 12:30. All class members are invited.

We've had a nice year together and our class has grown. What a great group of people you are! It's been a real pleasure exercising with you!

For those who haven't joined us, maybe we will see you in the fall. Things will begin again in September.

Have a fun and safe summer. Hope to see you all back again in September!

CERAMICS CLASS

It seems like just a few weeks ago I was welcoming everyone back to class for the fall season. and gosh, the Christmas Boutique seems like it was just last weekend! And here it is, time to say so-long for the summer again. Even though classes are not held at Villa Serena during the summer, the gift showcase will still be available to sell out those items still left. And of course, Ra-'s Ceramic Studio on Mayfield is open the summer months, so if you're in the neighborhood stop in to say "hello".

I hope each and everyone of us has a safe and fun-filled summer, loaded with sunshine, activities, visitors, laughter and good times. Next Fall may we all be together again with renewed vigor and health, all ready and eager to start those Autumn projects with new gusto.

The last class is Monday, June 9th, and classes begin again September 8th.

Have fun, be safe, see you then.

PASSOVER DINNER

On Friday, April 25th, we gathered in the lobby waiting for Mr. Chesler to announce our Passover Dinner. When we were all seated, Mr. Chesler explained the meaning of Passover and said several prayers, before we ate our dinner of symbolic foods.

After dinner, guests strolled around our beautiful grounds to enjoy the warm evening breezes.

We were all very happy to participate in the Passover dinner with all of our friends of the Jewish faith.

VILLA SERENA GARDENERS

Would you believe that we have about 20 avid gardeners at the Villa Serena? Many of them can be seen day after day tending their crops and comparing notes. Things seem to be growing very well but it does take a lot of work. Of course, it gives people a chance to chat with each other and that makes the work easier. And the end results on the dinner table are well worth the effort! Do wish I had a green thumb as so many people do. Seems as though whatever they plant just grows and grows.

Good eating to each of you.

## DINNER - SING-ALONG

A delicious dinner served at 5:00 and then at 7:00 we were really alive and waiting for Sammy Berk! What a thrill to have him back with his lilting, tingling tunes! He opened with a solo that sparkled and then we went on to our song sheets -- new ones. Mr. Chesler led us in singing with all the proper accents. Just to mention a very few - we sang "Never on Sunday", "Love Makes the World go Round" and the beautiful "Shalom". We paid special tribute to Irving Berlin for his marvelous music. Sammy played a solo of music from "Dr. Zhavigo". We sang "Yes, Sir, That's My Baby" to Mary Calogero and "My Old Kentucky Home" for the Kentucky Derby.

Mr. Chesler even put in a plug for where Sammy got his start. Was it Kresge's or McCrocy's at 4th and Euclid. Tanke your pick. We closed a stirring evening with "I'll See You in my Dreams" and a standing ovation for the one and only SAMMY!!!
