BINGO REPORT

On Friday, May 8th, we had a delicious dinner of fish or ham. Dorothy Jacobs celebrated her 95th birthday and so we honored her with a song and ice cream and cake.

After dinner we thoughtfully selected our BINGO cards - looking for winning cards, of course. Mary Calogero called for a variety of games. Door prizes were bottles of wine or pretty plants.

Mr. Chesler called for the final fill-up game which would pay \$200.00 if won in 57 numbers. Since no one was lucky enough to win, calling continued until a lucky guest filled her card and won \$40.00 as a consolation prize.

Why not try your luck next time? There is always a chance you may be the lucky one.

DINNER AND DANCE REPORT

Our dinner on Friday, May 15th, was delicious as usual. At 6:30, Mike Jacobs and his band appeared on stage for our dancing and listening pleasure. They played our favorite music.

Mr. Chesler sang 'Have Negala'. This was a beautiful evening of wonderful music and good fellowship.

We closed with our theme 'I'll See You In My Dreams'.

HOME

VAST - Huge, enormous, immense, far-reaching--

That's a fair but incomplete description of our good old USA. As time goes on and new techniques appear in the scientific world, we see more and more that earth existed in time beyond our scope of understanding. In all this grandeur we are as small as a speck of dust. But we are fortunate that all this beauty and awe-inspiring wonder have been over the ages, left for our eyes to behold. The little I have seen made me sit up and look. In wonder. And the books of nature, the national parks and the immensity of the land we occupy and the beauty it offers are almost unbelievable. We are so blessed to live in Beautiful Ohio, only one of the states providing such beauty. Compare our living status with others in the world today-- or with that of any ages past. I think you'll agree -- we have some of the very best.

HAVE YOU MET...

...Lucy Lukacinsky? Lucy has lived at the Villa for two years. We have exchanged greetings on the elevator when we met (as many of us do) but it has been so pleasant to talk with her personally.

Lucy is a native Clevelander of Polish heritage. She attended Jane Adams High School and after high school she was employed by a casket company. Her first job was stuffing the pillows for the caskets. (We really laughed about that). Through the years she was employed at various companies and during the war she worked at Graphite Bronze. Her last employment was at Higbee's until she retired last year. Her favorite department to work in was lingerie.

Lucy has a daughter, Karen, from her first marriage. When Karen was 17, Lucy married again and had a wonderful life until she was widowed.

Lucy keeps herself busy with embroidery work. Her embroidered cases are so lovely. She also crochets afghans and does jigsaw puzzles. She has two of her puzzles framed and they are decorating the wall.

She enjoys cooking and baking but she doesn't bake bread anymore. Her stuffed cabbages are delicious!

Lucy considers herself very lucky to have her brother, sister-in-law and Karen.

(Continued next column)

Have You Met (Continued)

They are so helpful. She doesn't have a car anymore but the family always takes care of her needs.

Lucy has enjoyed the Villa dinners and I hope she will join the Boutique group on Wednesdays. The group could use her expertise.

A belated welcome to you, Lucy!

Thelma Olson

SEWING CLASS NEWS

The last few months have really been busy - you have been working overtime this spring. I am so tickled to see the beautiful projects you are making. It is a real encouragement to me and I enjoy having a part in each of them. We have all enjoyed watching each other's work - we do learn from each other. We also share our ideas and patterns so it is especially fun.

As we begin to enjoy summer, it is hard to imagine thinking about our fall and winter clothes. All right, you can wait until late August for that. In the meantime have a lovely summer.

## EXERCISE CLASS

This is the last month of exercise class until September --time for a summer break! I want to thank each and every person in our class for their dedication, hard work, support and fun-loving spirit. One of the extra benefits of our efforts to maintain wellness is the building of good friendships. And that is exactly what has happened.

Have a safe, happy, and active summer. Don't forget to do a little stretching on your own.

See you in September!

Beth Parnin

## SHOWCASE CLASS NEWS

The year is almost half over a fact which is hard to believe. All-in-all business is picking up, as the showcase shows - a bit empty. Believe me, we are working as fast as our fingers can go to keep it filled. It encourages us greatly when you like what we make - and buy it. We are looking ahead to Halloween and Thanksgiving already - to make sure we are ready. I hope you all have a relaxing and restful summer and come back to class in September refreshed and ready to go. P.S. The shopping bags are in the construction phase - they are really pretty this time. They'll be available soon.

## BRIDGE NOTES

Our bridge group finished the month of May with 'helpful hints on the play of the hand'. This is a difficult discussion we have from time to time knowing that one cannot learn to play by memorizing "rules". One learns to play by playing.

Congratulations to our slam bidders:

Pearl Robinson and Chris Bandelow  
Joyce Davis and Jean Griffith  
Mary Jane White and Helen Dunn

I hope all of you have a pleasant summer and I look forward to seeing you in September.

SUMMER BREAK IS AHEAD!!!!!!

We are nearing the finish line and it is time to close up shop for the months of July and August until September rolls around all too soon again.

We want to extend our very BIG HAND OF THANKS to our multitude of devoted volunteers at the Villa Serena who have taken of their time to make life a little bit nicer for all of us.

You are just too numerous to individually name in this newspaper. You have unselfishly helped us in almost every area, Boutique, Villa Voice, Bingo, Pinochle, Card Parties, Landscaping, Kitchen, Library, Church Inspiration, planting flowers, digging, selling tickets and just pitching in wherever a helping hand has been needed. No matter where or how or when, you have contributed to the enviable reputation of the Villa Serena in helping to keep it as one of the most active centers in existence today.

You have served freely of your time, your monetary donations, in helping one another, all without monetary rewards.

Our sincere thanks to all of our devoted volunteers whether your giving was small or large, you have made our job somuch easier and pleasant. Thank you for a "JOB WELL DONE" - We wish you all a happy summer!!!!!!

HOOPLA!!!! AMERICAN STYLE

It is difficult to imagine that  
six months of the year have already  
rolled so quickly, we have hardly  
had time to catch our breath and  
before you know it, it will be  
the 4th of July and naturally it  
is the time of year when we all  
join in paying respect to our  
good ol' USA.

As you all know, it has become  
traditional with us to have a very  
special day to celebrate this  
happy occasion. What would be like  
if we did not serve our good ol'  
Barbecue Ribs and Chicken and all  
the trimmings with some good ol'  
American dessert.

Dinner is scheduled for Friday,  
June 26th, and as usual dinner will  
be served starting at 5:00 P.M.  
After dinner, we will be welcoming  
back Chuck Tarantino and his Dixie-  
landers for an evening of dancing,  
singing and good ol' American music.  
We know you won't want to miss it.  
Don't forget to wear our favorite  
colors of Red, White & Blue for this  
special time.

This will be our last celebration for  
the summer, so don't miss the chance  
to have this last fling before we all  
go on vacation until September.

LETS DO IT UP "BIG" FOR OUR WONDERFUL  
RED, WHITE AND BLUE!!!!!!!!!!!!!!
