THE KITCHEN STAFF WISHES ALL OF YOU

A HAPPY SUMMER - DON'T EAT TOO MUCH
FATTENING FOOD!!!!!!

SEE YOU AGAIN IN SEPTEMBER!!!!

WHAT A PRETTY SIGHT - - -

Have you noticed how pretty both our front and backyards look?

Even though the blossoms have left the trees, it is still a lovely view. The leaves, in various colors, are at their freshest. The grass seems greener than ever and is so well trimmed.

Maybe it's because we waited so very long to see these things that they look so much lovelier!

"LET GO AND LET GOD"

As children bring their broken toys,

With tears, for us to mend,
I brought my broken dreams to God,

Because he was my friend.

But then, instead of leaving Him,

In peace to work alone,

I hung around and tried to help,

At last, I snatched them back and cried,

"How can You be so slow?"

"My child", He said, "What could I do - You never did let go."

THE MAY BIRTHDAY /ANNIVERSARY DINNER

It was another full house. The tables looked so spring-like with their flowery tablecloths.

From spinach souffle to apple pie the dinner was it's usual delicious.

Those with birthdays or anniversaries received ice cream with a candle in it, along with the balloon tied to their chairs.

The Mike Jacobs group seems to be a favorite with the dancers. It was also delightful listening music. The Achey Breakey Heart was a lot of fun and it was very difficult to keep the feet still even if you were not on the dance floor.

Don't forget, even if you don't come for the dinner you are more than welcome to come down and enjoy the entertainment.

LINE DANCING

We have just finished our first season of line dancing, with great success, I might add. We learned many new dances and variations of those we learned. We had a lot of fun helping each other put our feet in the right place at the right time.

I want to thank each and every one who participated in the class. You all made each class so much fun. I hope you all have a wonderful summer. Always remember to keep on dancing.

RUBY SAYS

It took just one day of sun to transpose the pussy willows into a beautiful tree of magnolia blossoms. And the second sunny day brought out the green buds on the trees.

There's some kind of saying about the way the wind blows. You never zero in on those things until they zap you. So it was one Sunday. Marie got out of the car and when I got out and went around, there she was lying on the ground! When I asked what happened she said the wind blew her over. But there's no solace in the acts of God that leave you with a broken arm and a fractured hip. Marie, I'm sorry.

SEWING CLASS NEWS

Where have the last few months gone? Now we find ourselves looking for small projects to get started and finished before the summer break. As usual, Cleveland will probably go directly from cold weather to hot. Therefore, clothes of easy-care and lighter, season-spanning fabrics make great sense. Think about colors that look nice on you plus your clothing needs for special functions and you can put together a beautiful wardrobe with just a few pieces that covers a lot of territory. Start with pants, a skirt and a top of the same fabric. Add a coordinating blouse and jacket and you can put the pieces together many ways.

One pair of dress shoes, one pair of casual shoes and a few accessories finish off the wardrobe. You'll save money in the end, have more closet space and always look great. Packing for travel is a snap! You will thank yourself for being so clever!

Have a lovely summer. Classes end in mid-June.

EXERCISE CLASS REPORT

Do you know where your biceps are? You should see Helen Schanzel's biceps. They are beautiful! Resistance work is the reason. Resistance work (working with weights and or dyna-bands) is one of the most effective way to maintain or regain strength. It feels so good to feel strong. We have been working hard doing low impact aerobixs, stretching, weight work and dynaband pulls. Josephine Mecca and Josephine Gentile and rose Lowrey always work hard and are a great support to me. It is your hard work that is the reward you and I get. Thank you for your commitment and friendship in our journey to stay healthy and happy.

SHOWCASE CLASS NEWS

We are still tied up in knots -- I mean ties -- this month. I think you will agree that the wild and wide ties that are out of style for guys look dresh and up-to-date when made into one-of-a-kind vests. We have made and sold seven vests so far and are still working on a few more. They are a lot of work but they are truly beautiful and no two are

alike. They are also conversation pieces and fun to wear as well. At \$20 they are a real value.

I forgot to mention last month that we have several small clutch-size bags with shoulder straps that are also very unusual. They are made from a crinkled ultra-suede fabric that is unlike anything I have ever seen. The fabric is absolutely fabulous. The bags are only \$15 each, one is black, two are hot pink. Look for them in the showcase.

In the meantime, have a restful summer. Class will be over in mid-June.

PRE-FOURTH OF JULY CELEBRATION

Once again, we look forward to the sunshine of the summer months and the planning what has now become our very own traditional pre-Fourth of July celebration.

A scrumptuous Barbecue Rib dinner or Baked Chicken dinner with all the trimmings topped off with delicious dessert. The date is WEDNESDAY, JUNE 29th.

So, plan on coming and wear your "red, white and blue" for this special occasion. At a time when people everywhere are busy criticizing our country for everything, let us all show our good old fashioned patriotism.

We are all proud of our country, of its people, its President and the principles we all stand for. So let's show our real hoopla.

Dinner time as usual will be at 5:00 P.M. followed by dancing to the music and songs of Chuck Tarantino and his "flag raising" group of performers.

You don't want to miss this one!!

Be sure to get your tickets early as this dinner is always a sell-out.

Tickets for the dinner will be at \$7.50 per person. Come join us for the final dinner of the season.
