OUR MUSIC FUND

With the beginning of 1986 the Villa Serena has been extremely happy in being able to continue its reputation in bringing the most outstanding musical talent available to the Villa Serena for the enjoyment and pleasure of all our residents and members.

We are very proud that to this date we have succeeded in our endeavors. However, we have also had the cooperation of residents and members of our center who have very generously and graciously come forward to donate funds for the purpose of defraying some of the expenses involved and who have requested that these funds be used specifically for musical programs for everyone's entertainment and enjoyment. We thank them for their generosity.

We, therefore, established a special entertainment fund which will be used to continue to bring the highest and finest caliber of musical programs and musicians to the Villa Serena.

We wish to thank most sincerely Alan Heckaman, Mr. & Mrs. Rudy Freed and the friends of the late Leo Greenberger for their generosity in starting this fund.

Any further donations which you or your friends might make can be earmarked for the Villa Serena Music Fund.

SEWING CLASS

The sewing class is in full swing stitching away on a variety of pretty things. We have dresses, jumpers, skirts, shirts, slacks, dolls and hats under construction. We're not afraid to tackle anything. The fun part of sewing together is the sharing together all the fun ideas we have so we can learn from each other. In fact, we even share patterns.

Are you having a difficult time finding clothing styles you like? If so, come to the sewing class and start with just a small basic project and don't worry about how long it takes. Together we'll finish it. Even if you think you can't sew be willing to give it a try -- the sewing class always accepts beginner-beginners. Everyone works at their own pace and eventually we all get finished. Hope we see you soon.

DANCERISE NEWS

The Villa Serena exercise class continues to grow. That's because the word is getting around about the benefits of regular exercise. Many of those in the class will tell you how great they feel after a good workout.

We try to do a little bit of everything, so why not come and be a part of this group -- doing only what you feel you can. Exercising in a group and along with music is more fun than doing it alone. Try it - you'll like it!
