HAWAII

How was your trip to Hawaii? Did you have a good time? The trip was fine. All arrived in good shape and ready for a good time which everyone had. The food was superb. On Oahu, some headed for the beach right off. Others got settled and oriented. The first morning a tour thru downtown Honolulu and various places including Pearl Harbor, then the National Memorial Cemetery of the Pacific. Food for thought and well worth seeing. We also saw Aloha stadium which seats 50,000 and has movable bleachers around which is held the largest ever flea market! Dinner and a show at a beautiful hotel then a walk back to our resting places.

Next day a fabulous lunch at the Willows -- a thatched roof open air restaurant. Later a walk to Woolworths and still later a boat ride on a catamaran. Good fun--good sports! Next a tour of the Polynesian Cultural Center where we saw peoples of the Pacific and their heritage, as well as bananas and coconuts growing and then a fabulous show. An all day outing.

Saturday we flew to Kauai and immediately went on a two mile boat ride up river to see the famed Fern Grotto. On Sunday we went for a helicopter ride to see the Waialeale crater, the wettest spot on earth!

Hanalei Bay and Valley of which Peter, Paul and Mary sing. Then, of course, a luau and entertainment.

(Continued next column)

Arriving on Maui, we saw a TV commercial in progress--star Linda Evans in Lahaina. Next night another great dinner and show. Then off to San Francisco where we toured the city and went to see the giant redwood trees. Oh, yes, we found time in between for beach, sun, ocean etc.

NOTICE

The deadline for the June issue of the Villa Voice will be Saturday, May 14. This deadline is necessary because I will be on vacation from May 22nd, to May 30th, and I want to get the Villa Voice completed before I leave.

Thank you,

MEN'S CLUB NEWS

The Men's Club celebrated Benno Hentemann's and Lou Vargo's birthdays with song and cheers. Sorry, but the men declined to give their new age.

Al McMunn and Don Gisondo repaired the fence in the parking area. Some of the fence had fallen during a storm.

We heard that Joe Sturm was back in the hospital again for about a week and we are sending him a get well card.

After the meeting adjourned, our musical trio--Ben Savickas, Don Gisondo and Harvey Sternberg--played some lively music. One of the songs was "The Guy that Stole my Wife".

So with the refreshments and singing and pool playing, the meeting ended with a gay time by all.

If any men are interested in joining the Club, we meet on the second Monday of the month. Next meeting Monday, May 9th at 6:30.

Oh, Tony Filly gave us some highlights of his California vacation. Would you believe the grounds keeper at the Capitol gave Tony permission to pick oranges right off the trees? The Fillys also went to Disneyland and Tony's favorite is Mickey Mouse. He even shook hands with him!

Charles Gudel, Secy.

CERAMICS CLASS

Its true! Time sure flies when you are having fun and it feels like it has only been a few weeks since we all met in September. Its always that way when people who are fun to be with get together.

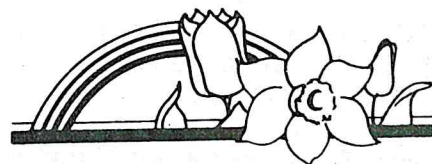

You know, I's so proud of us. I get the chace to see many, many projects, not just in the shop, but I see work from students of other studios and I mean it when I say this group at the Villa takes such great care and pride in workmanship that I feel good when I look at the work this group does.

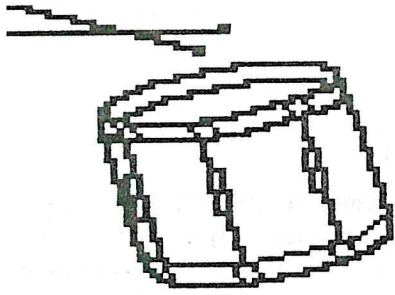

We still have some time before the summer break so those projects can still be finished, and, as usual, the the shop on Mayfield will be open during the summer months, so we hope the students from the Villa will stop by to say hello anytime they are in the neighborhood.

Classes will end on the last Monday in June and we will return the first Monday after Labor Day.

Ray DiSantis

PEOPLE OF NOTE

Lou Vargo - cleaning up the yard and caring for our flowers.

Al McMunn for re-building the stockade fence & pinch hitting as a bus driver.
Ann Gallagher & Mary Clark for their time spent in the library.

Mr. & Mrs. Calabrese & Colette Comiskey's granddaughters.

John Curry's jokes & Mike DiCarlo's harrassing!

Don Gisondo & Tony Filley's volunteering.

Alice Graff's courage and tenacity in the face of illness.

The "always a pleasant word" from Nancy Horvath.

The joy we felt when Anne Klein regained her sight.

The night of the Square Dance when the caller was "snowed in" - Josie Gisondo's jokes, songs and guitar of Al McMunn and Don Gisondo and of course, the hula dance of Martha Puzzo-Melincoff!

Mae Murdock's faithfulness in the Villa mailing list - she has retired.

Eileen Bentler's dedication in sending out cards to all of Villa's members.

Stephen Polivchak raking the rubbish along the curbs. When the weather is nicer, we will once again ask you to park away from the curbs, so the job can be completed.

Al McMunn also cleaned up the area by the gardens - it certainly does look better.

Our decorating committee: Ruby Jacobs, Thelma & Bill Olsen, Josephine Gisondo and Ann Tracy.

John Nagy's faithfulness in watering plants during the winter so they can be transplanted when the weather gets nice.

There are many people in the Villa whose names do not appear here. We hope that with your help we can correct that.

If you know of anyone who should be thanked, recognized, or praised for making the Villa what it is, notify the office and it will be passed on.

Above all, smile, and spread a little sunshine - a smile is the most beautiful thing in the world.

Happy Mothers Day

TO MY FRIEND

As the clouds roll by and the
sun shines through
I write this little ode to you.
A minute token of my deep re-
spect and high esteem
Now all the anxious days and
weeks and months seem like
a dream.

Your empathy and kindness
When I needed it the most
Will never be forgot nor
dimmed with time.
I shall always sing your
praises
Of your skill I'll always
boast
That is why I put my grati-
tude to rhyme.

God grant that many years
ahead are held in store
for you
That others you may help
that they may see
The best of everything to you
and many wishes more
And a million thanks for what
you've done for me

HAVE YOU MET.....

.....Sylvia Koptis? Sylvia Koptis and her husband, Bill, moved to the Villa Serena 12 years ago. They had been neighbors of the Alesci family for many years so they were aware of the Villa Serena. Bill passed away nine years ago after 48 years of marriage. Their one son lives in the Akron area. He is a plumbing contractor. There are three granddaughters. The girls have been most helpful during Sylvia's recent illness and she is doing very well.

Sylvia was born in Cleveland near Shaker Square. While growing up she spent many hours at the Sokol (a Bohemian gymnastic club). Sylvia says this activity "kept many of us kids out of mischief." Before her marriage she was employed at Nela Park as an inspector. Her husband-to-be at one time worked as a stock boy for Kay-nee Shirts. His job was to fill the bins with stock. He did this on roller skates with his arms full of shirts. Needless to say, Sylvia and Bill loved to ice skate and roller skate. They were frequent skaters at the old Elysium and Euclid Beach Park. She says her father-in-law would ice skate on the old Ohio Canal.

Sylvia enjoys Bohemian cooking and baking. She loves to make kalachis for her family. For several years she enjoyed decorating the lobby and Red Room for our holiday celebrations. You will often see her in the library reading or chatting with friends. Hope to see her soon playing bingo.

ART CLASS

Early spring is a favorite time for artists to paint and capture the fresh colors of this season of the year.

It would be the opportune time for anyone interested in drawing and painting to join the Monday afternoon Art Class. It is a lot of fun and a great and rewarding hobby to pursue.

The class meets Monday afternoon from 1:00 til 3:00. We would be pleased to have you stop by.

SHOWCASE CLASS

This feels a bit like the calm before the storm -- inbetween the rush of Valentine's Day-- Easter and Halloween--Christmas projects. I keep reminding myself that it is really only an illusion and so we are moving right along with the dolls and aprons, smocks and pillows, baby bibs and etceteras. We will be making more of the embroidered heart pillows, this time with delicate pastel embroidery for all those lovely brides at this time of the year.

Our goodies are limited only by the number of busy fingers so if yours are a bit bored, direct your feet to the dining room on Wednesdays and join us. Come see what's cooking--we guarantee you'll like it.

THE MONTH OF MAY

I want to make an observation about the dinner held here in conjunction with St. Francis of Assisi parish on March 11th. I belong to both the Villa Serena and the parish next door and saw great beauty in this undertaking. Heart-warming comments have come from both groups. One statement, "The reason the three sittings were served so smoothly was because of the dedication of the Villa Serena ladies and gentlemen." And from one of the visiting cooks, "This is such a great place. What a kitchen! And the dining room set up is so well planned. This is my first visit here but it won't be my last." It occurs to me that truly "one hand washes the other."

Many other instances come to mind that focus on the "heart" and dedication of Villa Serena people. Last week I requested a needlepoint article from Phyllis who is our craft guru. In less than one week she had it ready for me. I was surprised at the quick work. Three cheers for the Crafters!

The Villa Serena pinochle buddies meet each week for tournament play. We recently joined this group and are warmed by the friendly interaction that takes place. One moves from table to table and has several partners in the process. I injured my hand and it is slow healing. Well they spoiled me by shuffling the cards for me and offering to do the dealing also. I could have done it

myself, but clumsily. This is an occasion to tell you that I am so pleased to be a member of the Villa Serena. Happy Spring, friends.

EXERCISE UPDATE

In exercise class we have been working on low-impact aerobics and stretches. These activities combined with a little extra work outside of class will improve circulation, endurance, mobility and general health. All work presented at class can be adapted to your own pace.

With the nice weather here, consider putting some "spring" into your life by taking walks. Get yourself some good tennis shoes and get outside and enjoy the sun, air and friends. This is the best activity you can do for your body. Walking + exercise class = THE IDEAL WELLNESS PLAN.

FISH FRY THANKS

As president of St. Francis of Assisi Women's Guild, I would like to take this time to say a BIG THANK YOU to all. First to Mr. Chesler and Mary Calogero then to Flossie Podojil, Josephine Gisondo, Vera and Charles Kozak, John Curry, Julia Balasz and Frieda Vormelker for giving such a great hand to make our Fish Dinner a great evening. I am not forgetting Don Gisondo and Al McMunn for so graciously accepting to help with the bar. You did a great job!

But our special thanks goes to all you nice people who joined us for dinner.

All I can say to all of you is God bless you as he alone can do. We are still hearing what a good evening it was.

APRIL 'SNOW' SHOWER DANCE

Friday, April 15th, was quite a day! It started with snow flurries in the morning, cleared up later and by 5:00 P.M. was cool but sunny, just for Mr. Chesler. We met for dinner, which was delicious.

By 7:00 P.M., we had filled the Red/Blue Room and lobby to hear Billy Kaye and his great musicians. They started with "New York, New York" and a toe-tapping medley of songs which brought out all the dancers. Later we rested and had a short singalong including "Take Me Out to the Ball Game" for the Indians.

Chuck Filley played a banjo solo "Waiting for the Robert E. Lee" which was enthusiastically received.

Birthday time was next and 16 of our friends stood up as we sang to them. Don and Josephine Gisondo danced to the "Anniversary Waltz" to celebrate 49 years of wedded bliss.

A clarinet solo by Bob in Dixieland style -- "Just a Closer Walk with Thee" was outstanding.

The Hokey Pokey really had a large, lively crowd taking part. This was a fantastic, fin-filled evening and closed with our theme.

PASSOVER DINNER

Thursday, April 7th, we had a dinner in observance of Passover. After Mr. Chesler told the story of the Passover and offered several prayers, we lifted our wine glasses for a toast. Matzo ball soup was served, hot and delicious, followed by chicken and cool sherbet. We ate slowly as instructed by Mr. Chesler.

Mr. Chesler's message to us was how good it is for people of all faiths to meet together and break bread.

BRIDGE NOTES

It is hard to believe that May is here already and that means this session of bridge classes is coming to an end. We will meet through this month -- our last class being May 27th. For those who wish to continue playing during the summer, you are welcome to play here at the Villa Serena. We will start classes again in September so watch your Villa Voice for details.

I want to thank all of you who have made this a very successful season. Happy summer to all of you.

PROF. KALL

Prof. Kall will again be with us on Wednesday, May 25th at 7:00 P.M. to chat with us about current events and possibly give some comments on the presidential candidates.

Prof. Kall welcomes your comments and questions. He will answer them as well as he can.

If you have never attended one of Prof. Kall's lectures, you are really missing something. This is very informal so do join us. We always have something to think about after the lecture.

TRAVELOGUE

Travel time again and our last tour of the season will be Wednesday, May 11th, at 7:30 P.M. We have decided to go to Scandinavia--the Land of Legend and Folklore. We will visit Norway, Oslo, Stockholm and Denmark. Doesn't this sound like a very interesting trip? It does to me.

If you would like to join us on this escorted tour, be in the Red Room where all the action is.

Our hosts, Mr. & Mrs. Neiswander will be there to assist you with any problems you may have. They will also be very glad to answer any questions you may have.

EXCITING SIGHTSEEING TRIP

We have scheduled a one day sight-seeing trip to Malabar Farms and Kingwood Gardens. The date is Thursday, June 16th, and the cost is only \$23.00 which includes bus fare and lunch at San Dar Smorgasbord. All you can eat and a great variety. We will tour Malabar House and farms by wagon. Sound like fun?

Departure time from the Villa Serena is 7:45 A.M. and approximate return time is 6:00 P.M.

You will certainly enjoy this one day trip. Even if you have been there before, each visit is an experience.

Please sign up in the office now. Payment must be made in advance. The date again is Thursday, June 16th. That is not too far away so do sign up now.

BINGO, BINGO, BINGO,

We have found that a favorite pastime of so many of our friends is BINGO and so on Friday, May 20th, we will have dinner anda BIG BINGO with the grand prize of \$200.00 for a fill-up. That should not be too hard to take. The cards are three for \$2.00 and you may buy as many as you wish. Who knows who will be the lucky winner.

Start off the evening with dinner, baked fish or pork chop, and then on to the games. Remember, Friday, May 20th, is the day you may walk off with lots of money in your hand. Come and try your luck.

SEWING CLASS NEWS

This is such a wonderful time of the year. All the sunshine fills me with new energy and makes me want to get busy on some "sunshiney" new clothes. My thoughts are on being the mother-of-the-groom (yes, I have one that old) and I must admit it's exciting. Time is passing quickly so I must get busy soon although I've been collecting ideas and fabric already. Then I'll have the fun of creating something unique and special. That is what sewing is all about -- creativity. Even if I use prepared patterns (i.e. other people's creativity) I still have the satisfaction of making something lovely or useful (or both) to enjoy.

There is still time for you to make something for the summer-- something cool and colorful and best of all -- easy and fast. If you are interested, I'll help you get it together. Come see us on Tuesdays and see what we are creating.
