WE HAVE COLLECTED SO MANY LOVELY WORDS OF WISDOM AND PRIZE OVER THE PAST SEVERAL WEEKS WHICH HAVE BEEN DONATED BY OUR FRIENDS THAT WE THOUGHT WE WOULD SET ASIDE A SPECIAL PAGE THIS MONTH TO SHARE THEM WITH YOU AND MAYBE GIVE YOU A SMILE OR TWO TO BRIGHTEN YOUR DAY.

THE WONDERS OF BEING EIGHTY  
(if you are that is!)

Everybody wants to help carry your baggage and help you up the steps.  
At 80 you can relax with no misgivings. You have a perfect alibi for everything. Nobody expects much of you.  
If you act silly, its your second childhood. Everybody is looking for symptoms of softening of the brain.

If you spill soup on your dress, or if your shoes don't match or if you carry a letter around a week before mailing it, it is all right because you are 80.  
If you survive until you are 80, everybody is surprised that you are alive, surprised that you can walk, surprised that you can reveal lucid intervals.  
At 70, people are made at you for everything; at 80 they forgive you for anything. If you ask me, LIFE BEGINS AT 80.

HOW TO KNOW YOU ARE GROWING OLDER

Everything hurts and what doesn't hurt doesn't work.  
The gleam in your eyes is from the sun hitting your bifocals. You feel like the night before, and you haven't been anywhere. Your little black book contains only names ending in M.D. Your children begin to look middle aged.  
You know all the answers, but nobody asks you the questions. Your favorite part of the newspaper is 25 years ago today. You regret all those mistakes resisting temptation. You're startled the first time you are addressed as old timer. You just can't stand people who are intolerant.  
The best part of your day is over when your alarm clock goes off. You burn the midnight oil after 9  
Your back goes out more than you do. Your pacemaker makes the garage door go up when you watch a pretty girl go by.  
The little gray haired lady you help across the street is your wife.  
You get exercise acting as a pallbearer for your friends who exercise.

SECOND FUND RAISER  
AIM - NEW BUS

The second fund raiser at the Villa Serena was held Sunday, October 19th. Profits from this special party are earmarked for a new bus. The evening's fun began with a very delicious chicken dinner which included many extra goodies.

Excitement was all around waiting for the reverse raffle to begin. Mr. Chesler introduced Frank Pitrone, President of the Board of Trustees, Michael Rini, Vice President of the Board and Anthony Leanza and Joe DiMauro members of the board to take a bow.

Michael Rini then made a presentation of an award of \$3,000.00 from the National Order of the Italian Sons and Daughters of America to the Villa Serena for the purchase of a new bus. It was explained that this amount together with the amounts of the many past donations toward the bus fund and the receipts of this exciting raffle would put us well on the road to the purchase of a new bus similar hopeful in style and size to the present bus.

Mr. Chesler also introduced Senator Anthony Calabrese who was also present at our dinner and raffle. He has been a friend of the senior citizens in their endeavors for many many years in his capacity as Senator from the State of Ohio.

After these introductions, the raffle was under way. With precision and accuracy, the numbers were called without delay. Some of the big winners were Flossie Podojil,

SECOND FUND RAISER, (cont'd)

Clem Brazis, Rudy Freed, Mary Novak and many other happy smaller winners too numerous to mention in this column.

This social and, we hope, profitable evening ended with the music of Mike Jacobs and his trio of outstanding musicians. Dancing to this relaxing entertainment with a variety of music to please everyone's taste went on and on.

What a great way to go home happy. What a pleasant and well planned evening at the Villa Serena.

EDITOR'S NOTE: We would be remiss indeed at this time, if we did not thank so very sincerely all the wonderful "fellas" and "gals" who helped in so many ways to clean tables and pitch in to assist our regular kitchen crew. Without your help it would have been a yeoman's job of cleaning. Also to those wonderful extra gals who pitched in to help us in serving and setting tables. It would take a whole column to extend our gratitude to them. And last but not one bit least, to our regular kitchen crew for a job well done. The cooking, setting up and the many preparations was a super, super endeavor. Our appreciation to all of you.

--Mr. Chesler & Mary--

UP AND DOWN THE HALLWAYS

Congratulations to SARAH WELKE on the arrival of a dear new great granddaughter, another "wee" Sarah.

\*\*\*\*\*

Our sincere sympathy to the family of

JOSEPH CZERNICKI

who passed away this past month. Mr. Czernicki was of so much help and service to so many of us at the Villa that he will long be remembered in our memories and certainly in our prayers.

Our sincere sympathy also to Rose Ardito who lost her son-in-law and to Gladys Crawford on the death of her sister-in-law.

\*\*\*\*\*

Again this month some of our very dear friends are ill and in the hospital. ANN PICOZZI, JENNIE LOMBARDO and LOUIS ROSSI, we wish you all well and hope you will be home very soon, putting illness behind you for good.

\*\*\*\*\*

Thanks much to Dorothy Khaner, Angie Ruggeri, Nina Akehurst, Thelma Lilje, Kathryn Ewing for the counting and mailing out of all our raffle tickets for our forthcoming Boutique. Well done, girls!!!!

\*\*\*\*\*

We hear that Charlie Hridel is visiting relatives in California and Clara Colson is having a fun time visiting for several weeks in Denver and Dallas.

\*\*\*\*\*

Thanks, Jean Daniels for your donation of records to the Villa.

Thanks also Lad Cimler, Dave Milroy, Marie Nau and Jean Tatone for the nice books donated to the library. New reading material is always welcome.

\*\*\*\*\*

Our sincere apology to Mr. & Mrs. Joe Tarro. Can't understand how we could have missed both of their birthdays and anniversary in the month of October.

My only excuse is that I am rapidly becoming a "senior citizen" also! AHM!!!! - We promise, if you stay with us for many many more years, we will never forget again!!

\*\*\*\*\*

Did you know that Joe Lombardo donated all the lovely pumpkins you see around us for the holidays? WELL HE DID. Thanks Joe.

Did you know also that some lovely anonymous person donated a generous sum to keep those flowers gracing our dinner tables all the time.

THE LADY OF CLEVELAND VISITS US

On Wednesday, October 1st, we were privileged to be addressed by Dorothy Fuldheim, television's shining example of perseverance in her chosen profession. Her reason for working at this time in her life is "having something definite to do each morning".

She related funny anecdotes in her personal life and, of course, touched upon the topic of the day, politics.

This was an enjoyable afternoon, following a delicious luncheon. What appears to be a popular dessert with the many many guests, lady-locks was a surprise not mentioned in the September edition of the Villa Voice. Really super!

The weather cooperated with sunshine and warmth for those who wished to walk after eating to lessen the guilt feeling of too many calories. The yard was so beautiful with colorful flowers everywhere.

We will be looking for a return engagement by Dorothy Fuldheim very soon.

HOW TO STAY WELL.....

Eating habits are ingrained unconscious actions without deliberate mental consciousness. A change of habits requires will power with repetitive actions through a period of time to condition unconscious reflexes. Constant eating in restaurants is a definite detriment to ones health because of ignorance in the way food is prepared. As an example, most people think eating fine food will maintain health.

This is falacious. The vitamins and mineral content of food varies to such a degree that vitamin supplements are a must. Most common restaurants keep food in a steam table all day long. Nutritional value is continuously deteriorating, first by its original cooking and then by continuous heat that destroys more vitamins by oxidation. Fruit juices, vegetables, prepared fruit and potatoes are usually prepared early in the day. When any food is cut, chopped, cooked or juiced, it loses a great deal of its nutritional value by being subjected to oxygen or water. A case in point are oranges. When you cut oranges the Vitamin C starts to disappear. When you peel them the Vitamin C in the white skin is lost and when they are juiced more Vitamin C is gone by oxidation. So you are getting about 20% of the Vitamin C you need. If you buy oranges in the market as juice it is pasteurized to prevent spoiling thereby making it a worthless food to maintain health. So it is with much of the food we eat to varying degrees. No wonder people become ill eventually. So, get your food direct without processing or fractionating and take some vitamin supplements to assure an adequate daily intake of especially Vitamins C, E, B6 and zinc.

NEW YEAR'S EVE PARTY

Yes, there will definitely be a New Year's Eve Party at the Villa Serena this year. Whether there be 60 or 600, we will go all out to provide a lot of fun and an opportunity to greet in the new year together.

The cost of the evening will be \$10.00 per person. We have attempted to keep this cost at a very minimum. This will include music, for the entire evening, party hats, washes for drinks (not drinks, you will bring your own bottle), food consisting of assorted cold cuts for sandwiches with all the added condiments that go with it, dessert and coffee.

We are sure you will enjoy one of the nicest parties you have ever attended.

Place your reservations right now. Don't be shut out by attempting to make last minute reservations, it will be too late then.

BOUTIQUE 1980

We are rapidly approaching the finish line, and the day of the race to get ready for our fabulous Boutique is just around the corner.

Need we say more, as we have said so many times in the past, many hands, fingers and "toes" are working very hard in our classes to finish up. If you have some time, I'm sure you can be put to work.

Get your name in if you desire to work on the day of the Boutique. Let's get busy and bake, bake, bake. There's never enough of the homemade goodies. They are so very popular with our customers. You know the old saying, the fastest way to a customer's heart is through their stomach. So let's see what we can do about that.

If you haven't bought your raffle tickets yet, see our wonderful men in the Men's Club. They are ready, willing and able. "To sell tickets, of course". And our prizes are so elegant as you can see for yourself in our office.

Don't forget to tell your family and friends that we will once again have our "Children's Room" which became so popular last year where the kiddies can shop all by themselves for those very special gifts.

As usual our Dining Room will be in full operation providing lunch and refreshments for all of our hungry shoppers who may want to sit awhile, have something good to eat, and then shop a little bit more. What a nice day this can be for everyone.

BOUTIQUE 1980

So many of you are already bringing your own lovely creations to donate to the Boutique Sale. Continue doing that, we will be so appreciative of your help.

And last, but certainly not least, as we have repeated so many times during the past years. WE CANNOT DO IT WITHOUT YOUR HELP. Each year we aim higher and higher in our goals. So please tell your family and friends. We are counting on each of you, no matter how small your contribution or help may be.

SEE YOU AT THE BOUTIQUE, SATURDAY NOVEMBER 8th!!!!

OCTOBER BIRTHDAY-ANNIVERSARY PARTY

Golden Autumn with her beautiful array of fall colors was upon us again, as on Friday, October 10th we celebrated the birthdays and anniversaries.

Celebrating their anniversaries were Mr. & Mrs. Crobaugh, Mr. & Mrs. Harry Siegel and Mr. & Mrs. Joe Tarro, who celebrated not only their anniversaries but common birthdays in October. All of our celebrants were serenaded and congratulated.

A first for the Villa Serena was a handsome group of singers from Lyndhurst-South Euclid Recreation known as the "Selrec Singers" who had a grand repertoire of familiar tunes that were quite nostalgic and sung beautifully. They were under the direction of Randy Temper and piano accompanist Kathy Olynyck. It was a great pleasure to listen to this talented group! We will certainly welcome them back again.

So thus ended another celebration of joy and comradery and wishing upon a star for more to come. Stop, look and listen!

TRADITIONAL STYLE

Our special Thanksgiving celebration at the Villa Serena this year will take place on THURSDAY, NOVEMBER 20th, 1980.

It is the time of year when we all look forward to being all together and having the opportunity to express our thanks for the many blessings God has bestowed upon us as we all in unison bow our heads in prayer and thanksgiving.

When we finish giving thanks, we all join in and enjoy "Tom Turkey" and all the delicious trimmings that go along with the making of a scrumptuous Thanksgiving Dinner at the Villa Serena. Dinner starts at 5:00 P.M. Tickets are available in the office at \$6.00 per person.

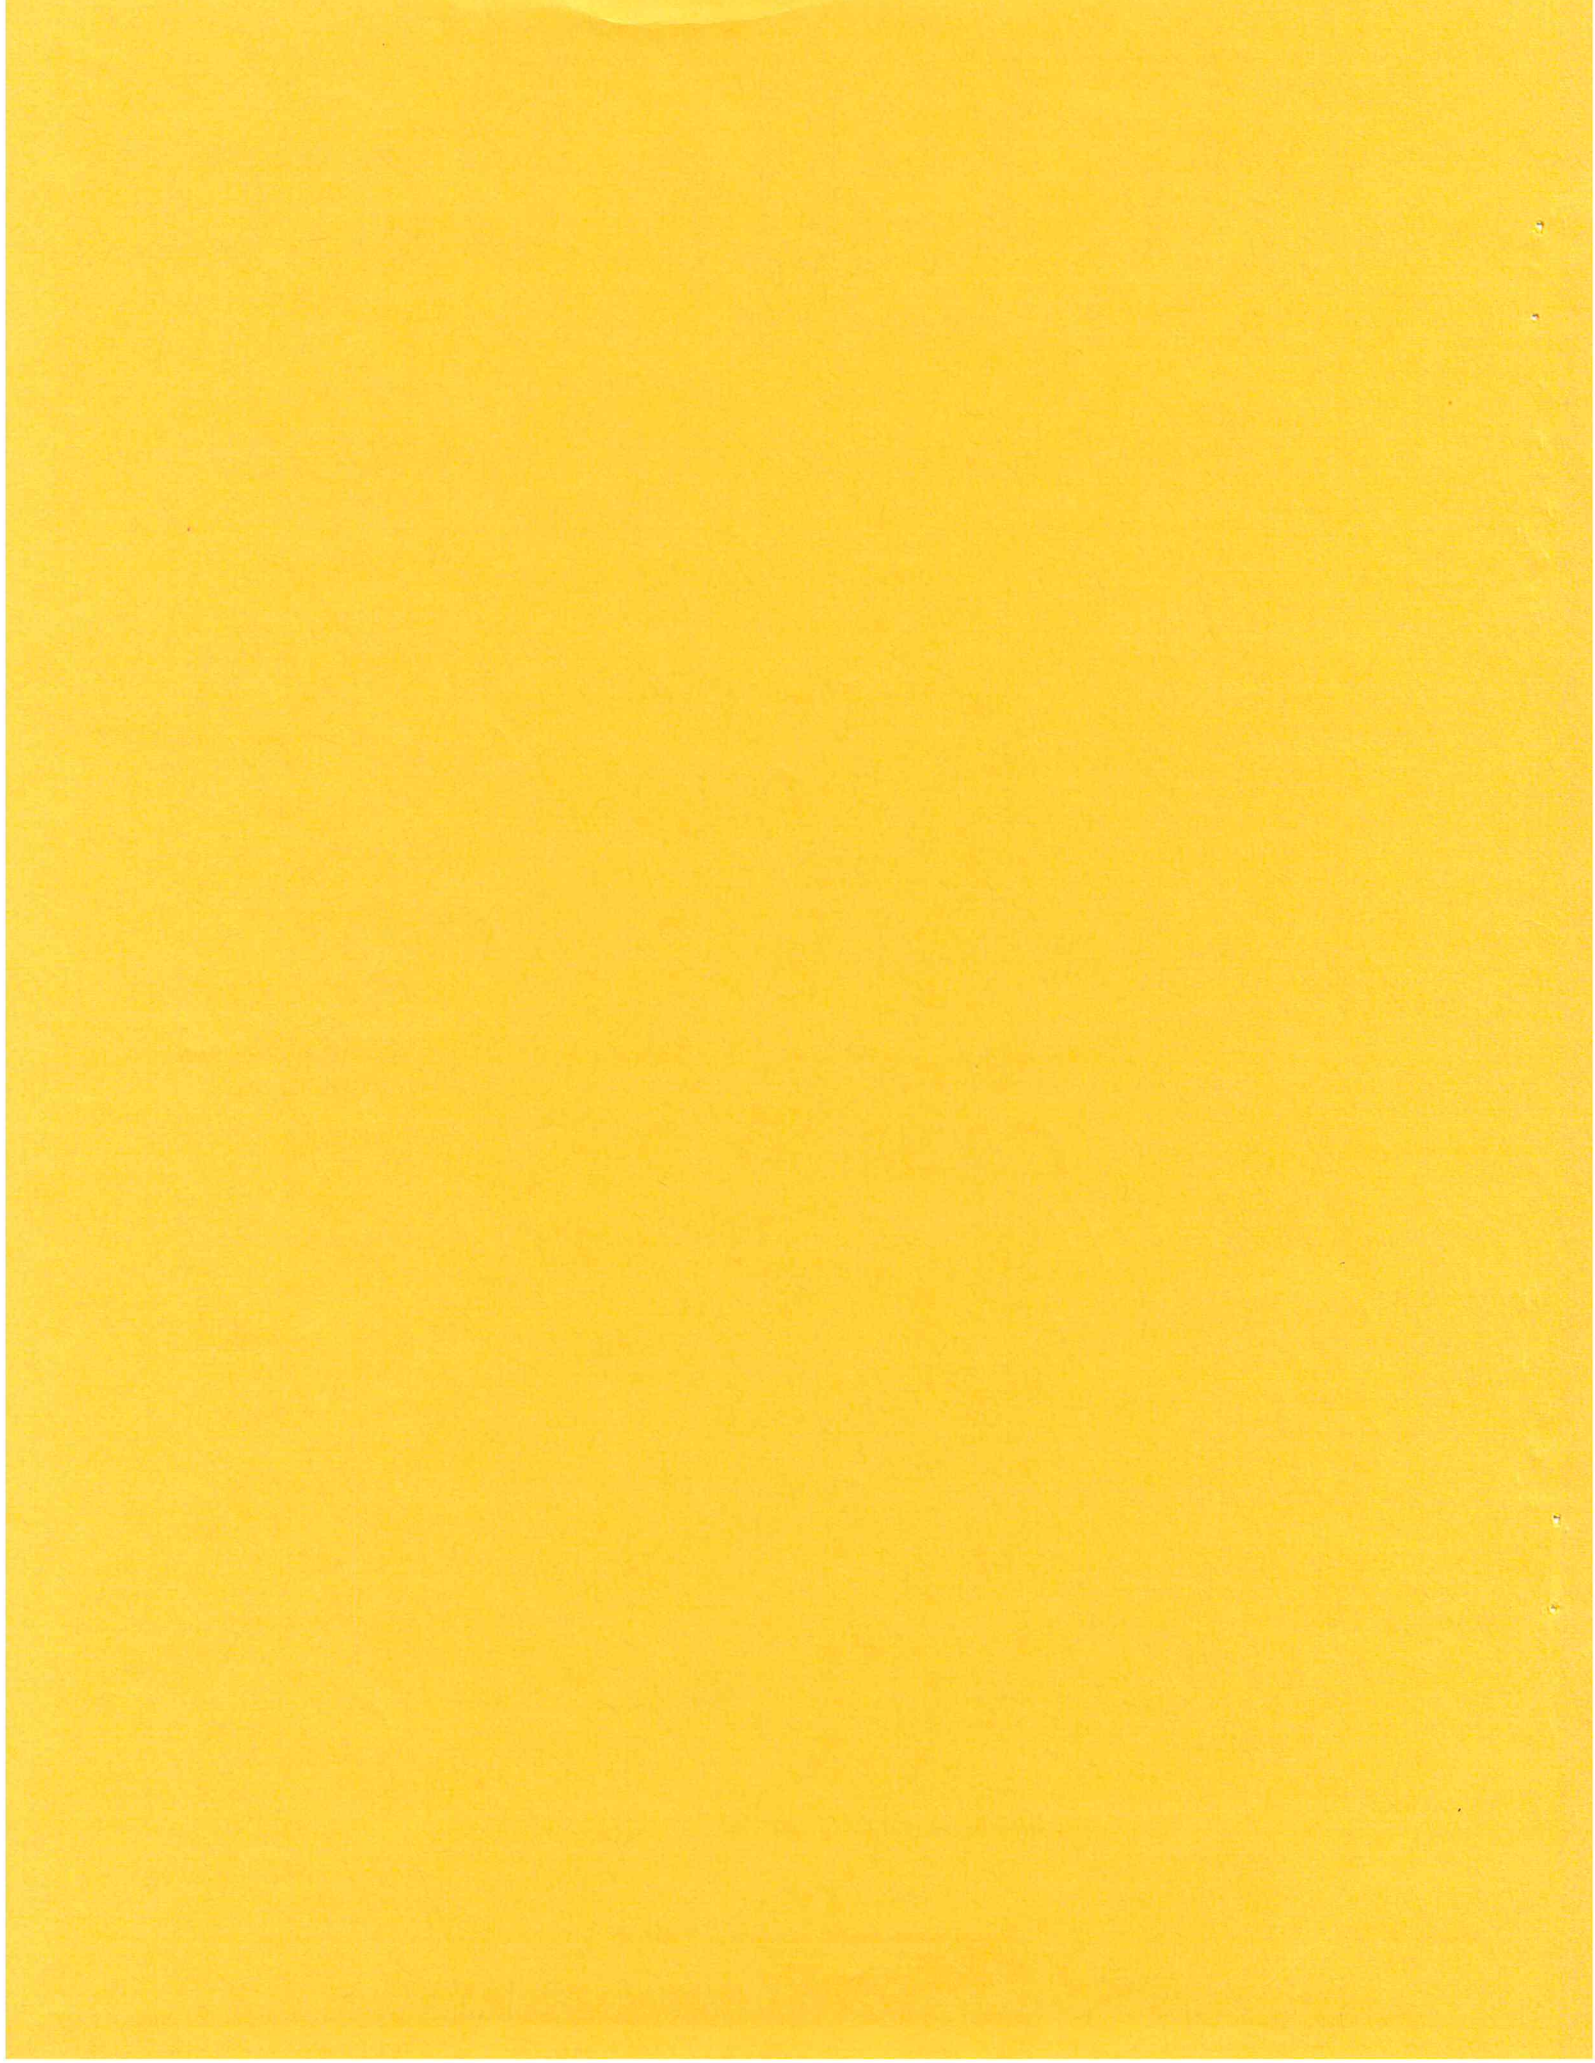

After dinner, and in keeping with the dignity of this wonderful occasion, we have planned a musical program of great talent and ability by two entertainers who have earned a marvelous reputation in their respective fields of music.

Lets all begin the holiday season by breaking bread together, giving thanks for the many friends we have in our midst, and then enjoying an evening of super entertainment.

WHAT MORE CAN WE ASK FOR!!!! COME JOIN US FOR THIS SPECIAL NIGHT OF THANKSGIVING.

Purchase your tickets early!! They must be picked up and paid for prior to the day of the dinner.
