## SEWING CLASS

The sewing class is in full swing--it's nice to see everyone back and busy. This is hard time of the year to know what to wear and what to make. Even though it is not as much fun, it is a good time to get that mending and altering done. Then you can make something new -- that's fun.

The sewing class is busy with everything -- altering, remaking and making. Do you get depressed when you look in your closet? Nothing fits, last year's style, that gift barment too big, this or that not right? You would be amazed at what we can do to make things work. We can't make silk purses out of sow's ears but we can come close. Do stop by with your project and let's see what we can do. You'll be glad you did. And don't forget, I can help you with your Christmas and holiday sewing.

## NOVEMBER

In this autumn month that comes before the winter season, most of the trees have shed their leaves; the ground is covered with them, but the colors are no longer brilliant but gray and muted. However, in spite of this, we can expect some days that are hazy and sunny. Days that will warm us through and through. They will be surprise bonuses before winter arrives next month.

(Cont. next column)

Another personal note. One of the loveliest November days I can remember was the day my first son was born. The sun streamed through the window of my room on the colorful flowers my uncles had sent. The temperature was near 70 degrees and mums actually bloomed in our yard! How about that!

We all know Thanksgiving was originated by the Pilgrims to show gratitude for the harvest. But in Canada where it gets cold earlier, they celebrate the holiday in October.

This is football weather. You know some people actually sit outside in the brisk wind, even cold rain to yell at 22 fellows chasing a ball around a muddy field. I've given that up now, Have you?

A last note about November but most vital. Election Day is upon us. We all like to put our "two cents" in and state our opinion. Here's your chance. Please do it. Get your vote in. See you at the voting booth. I get there early.

Josephine Gentile

## PROFESSOR KALL

After summer break it was a time to up-to-date us on what had occurred and why it occurred.

There will be a Summit because the time is ripe, because its Reagan's last term, and because the Russians use people for their own benefit. Spying goes on in and by all countries as we remember the Gary Cooper case.

Professor Kall characterizes the Republicans as fat and lazy and the Democrats as fighting among themselves.

Corazon Aquino may not be able to win over the Communists. There are the military and the affluent Filipinos to contend with. Terrorism has explosives coming from the same source. They are trained in the Middle East. We don't know who we are dealing with and can't retaliate. The Syrians are now playing a major role.

Prof. Kall will be here on Thursday, October 30th, at 6:30 and again on Wednesday, November 12th, at 7:00.

## DANCERCISE

The dancercise group still meets every Tuesday at 2:00. We all hope to be very limber and possibly alter our figures a bit by the time the holidays come.

Join us any Tuesday for a fun time of dancercise with a great group of gals.

## BINGO REPORTS

Friday, October 10th, dinner at 5 P.M. was a delight. Then BINGO at 7 P.M. was just right.

Mary Calogero and Mr. C called numbers with glee. Winners shouted out carefully. Mr. Chesler called for fill-up in 56 numbers which was not won. But a consolation prize of \$35.00 was paid to a guest.

Sunday, October 19th, again the scene was the same, Excited players ready to play THE GAME.

If fill-up won in 57 numbers, \$140 would be the reward. If not, a consolation prize would be awarded.

Come and try your luck to shout BINGO next month.

PINOCHLE TOURNAMENT

MOVIE REVIEW

Friday, October 17th, was a night out--dinner and a movie at Villa Serena.

After dinner at 7:00, the lounge was filled with an eager audience waiting to see the movie "oh, God", starring George Burns and John Denver. "God" comes to earth and chooses a super-market assistant manager to give his message to all the people. (We make our own decisions). It was truly an amusing comedy. Many adventures took place before the end of the picture.

The popcorn served at intermission was an extra treat enjoyed by all. A fun evening to be sure.

PIANO CONCERT

The first line of a nursery rhyme we remember goes "ten little fingers" made such beautiful music as we listened to Eleanor Lvov on Wednesday, October 15th. Miss Lvov is a pianist at the Cleveland Music School Settlement. The 88 keys of our baby grand had never been used to well or sounded so beautiful as Miss Lvov played two of Chopins sonatas. This was the second time we were treated to the mastery of her hands and the audience gave her a standing ovation.

Next month we will be able to see Miss Lvov in her own environment at the Cleveland Music School Settlement and we hope there will be a lot of the people from the Vilaa to again enjoy a good concert.

BRIDGE NOTES

On November 21, the last meeting before Thanksgiving, we will have a bridge party. This will be a progressive game where you play with the same partner all afternoon but against different opponents. This gives you an opportunity to meet other players and make new friends. A donation of 50¢ per person will be collected and all will be returned in prizes to those with high scores. There will be a Travelling Two Prize which appeals to those who get "bad cards". While scores are being added, refreshments will be served.

We will start play at 1:00 and play until 3:30. Come join the fun.

Happy Thanksgiving to all of you.

Ve Karash

MEN'S CLUB

The Men's Club meeting on Monday, October 6th, was called to order by Pres. Olsen at approximately 6:00 P.M. There were 25 men present. Nominations for secretary were opened and Pete Cole was elected by voice vote.

There was a discussion on the amount of dues. It was proposed dues would be \$1.00 per month. This amount was agreed upon. Dues are to start with the October meeting. Meetings are to be held the first Monday of each month at 6:00. Dues are payable before each meeting.

All men are invited to join the Men's Club. Stop in at any meeting. We would like to see many more men in the group.

Remember the next meeting is Monday, November 3, at 6:00. See you then.

All members of Villa Serena as well as the tenants are welcome to join the Men's Club.

Pete Cole, Secy.

THANK YOU

We recently received a very generous donation from Kathryn Pace in memory of the many happy hours her husband Bill spent at the Villa Serena.

We want to thank Kathryn from the bottom of our hearts and wish her the best of everything. We dearly remember Bill.

"SHOWCASE" CLASS

I'm not sure if this is a showcase class or a pumpkin festival. In case you haven't noticed, we have pumpkins that are proliferating faster than zucchini. These luscious pumpkins are perfect for fall, all the way through Thanksgiving.

We also have some lovely corduroy bags with a colorful calico folded star insert. Do stop by and take a look. They are most unusual and very beautiful.

The Villa Serena Showcase is the perfect place to do your Christmas shopping. We urge you to check out all the pretty things we have made. They are gifts that you will be proud to give.

Under construction are adorable dolls with Christening dresses trimmed with lace and ribbon. We'll have a few of those terrific patchwork shopping bags (heavy ones), some cute Christmas aprons, some new Christmas ornaments and some perky calico Christmas trees. We are busily at work to provide you with the very best of well made and unusual handmade items. We'll do our best to make what you need -- we do take orders if possible. Just ask us.

THANKSGIVING

Thanksgiving Day. A holiday true, but also a day to be thankful for all our blessings during the past year. Maybe you feel there is little to be thankful for but each one of us has at least one thing going for them. We have family, friends and neighbors who really care. Think about it.

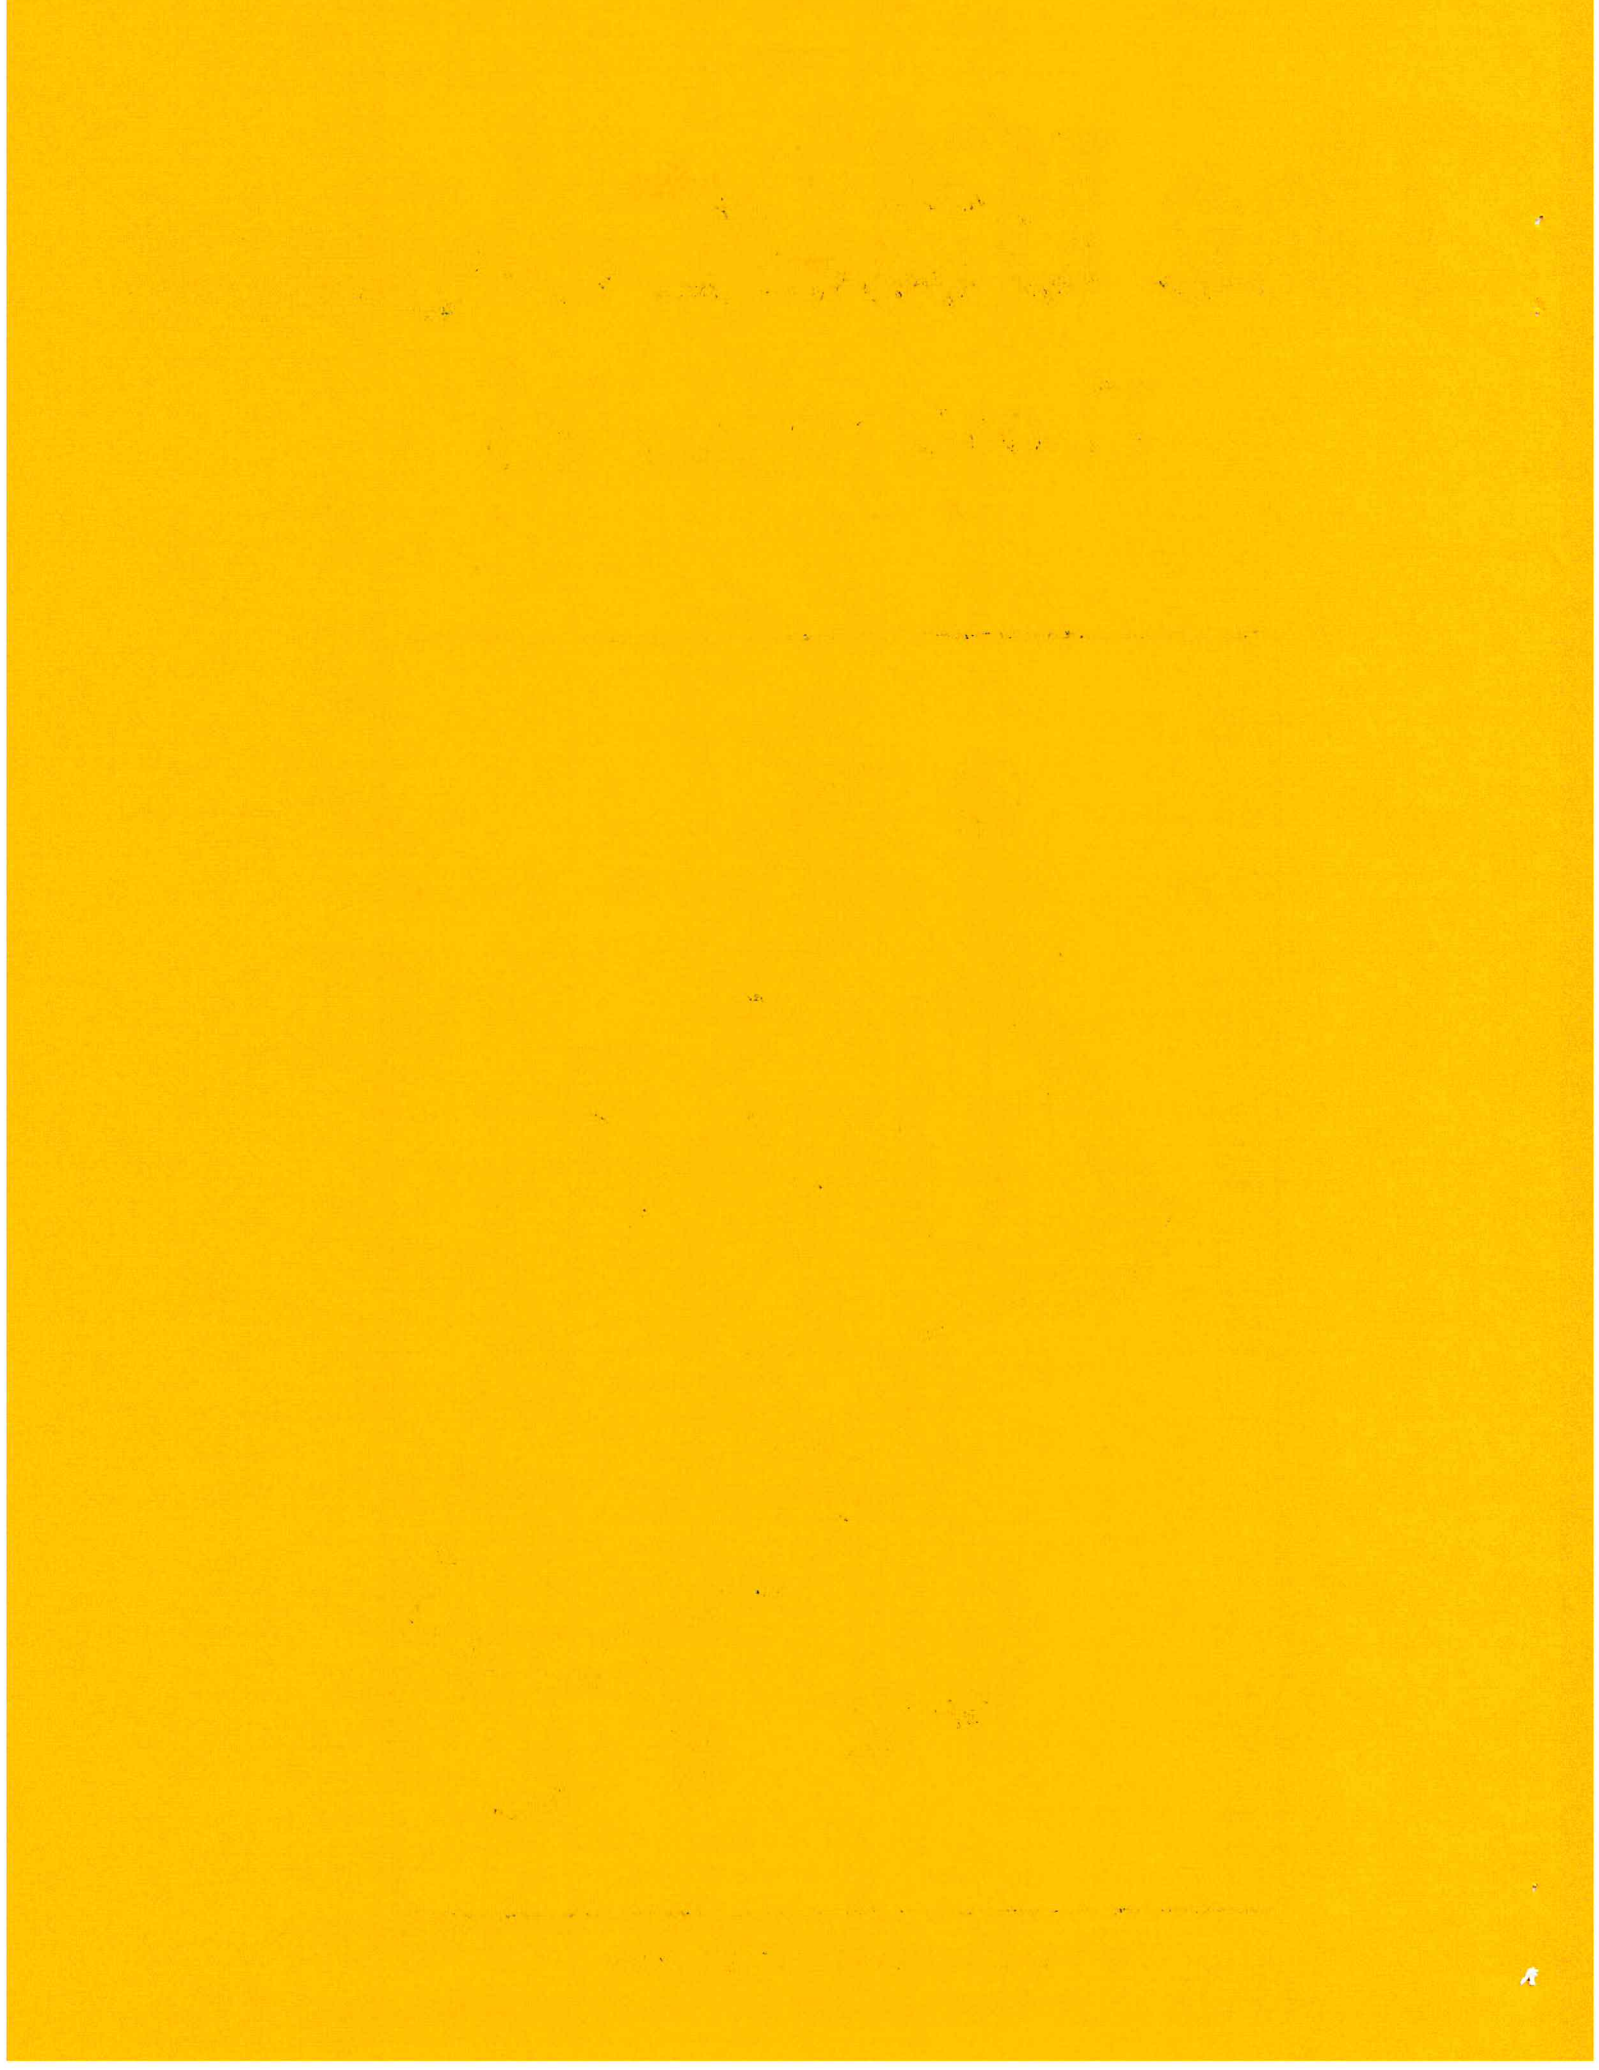

To help you celebrate Thanksgiving, we will have a traditional dinner -- turkey with all the trimmings!!! A great feast just as the Pilgrims had. Be sure to mark your calendar so you won't miss the dinner. We will celebrate a bit early due to other commitments but we are sure you won't mind.

On the program for your enjoyment, we will have as our guest John Virgili a wonderful singer. He has been here before and has always received a very warm welcome and a standing ovation. A great voice!

The date for our Thanksgiving celebration is Wednesday, November 19th. Dinner at 5:00 and great entertainment at 7:00. Get your tickets now! Price for the dinner is \$6.50.
