YOUR VOTE IS VERY IMPORTANT!!

Yes, your vote is very important to our entire country and its future. You may not think that your one vote would be needed, but think of all the one voters who may not vote. That adds up to possibly many thousands of votes which could make all the difference in who we elect for President, and all the other elective offices this year.

There is no need to tell you how much we are suffering in all areas in this country and it is time for all of us to exercise that wonderful right we have "the right to vote".

WHATEVER YOUR CONVICTIONS MAY BE - MAKE SURE YOU GET OUT AND VOTE ON TUESDAY, NOVEMBER 3rd

EXERCISE CLASS

HAPPY THANKSGIVING!

I'm thankful for the wonderful people I have met and grown to love in our exercise class.

I'm thankful for the research done every day in the field of exercise and aging. It proves to me that my work is worthwhile and that every person in my class reaps many benefits.

Research suggests that fitness in many ways makes aging irrelevant. The better condition our muscles, bones, and cardiovascular systems are the less affect of aging.

Exercise is the most powerful tool to protect and improve our body and each of it's systems.

We have fun with fitness in our classes. If you haven't checked us out, come and see for yourself. We meet every Tuesday from 1:30 TO 2:30.

ISDA WOMEN'S LEAGUE DINNER

YES, the time has once again rolled around very quickly and the Women's League of the Order Italian Sons and Daughters of America is busy planning their now famous Poor Man's Raffle and Spaghetti Dinner.

You all are aware that all the funds raised through this dinner and raffle are donated to the Villa Serena for the operation and social activities of the Senior Citizens Center.

The dinner is going to be held on Wednesday, January 20, 1993 at the Casa DiBorally. Cost of the dinner is \$17.00.

As those of you who have attended in the past know, the dinner is super and the door prizes given away are many and fantastic.

We ask your total support of this dinner inasmuch as it is for our benefit. Please sign up early in the office for tickets as this dinner is a very popular one and tickets are sold very quickly.

We will provide transportation for anyone needing the same on the night of the dinner.

WE GOOFED!

We want to thank Nancy DiCicco for the video she donated for our 25th anniversary celebration. It was very kind of her to put it all together.

PRE-THANKSGIVING DANCE

After dinner FRIDAY, NOVEMBER 13th, join us in the Red and Blue room for a lovely evening of dancing to the music of our favorites Mike Jacobs and his great musicians.

Dancing starts at 6:30 so be sure to put on your dancing shoes and be prepared for a great time.

We know you all love to do the "Chicken Dance" whenever we have dancing, but in honor of the month of the turkey, we are going to rename this dance the "TURKEY DANCE", so come join us and we'll have lots of fun.

DINNER AND BINGO REPORT

After a delicious dinner, we were anxious to play BINGO with our carefully chosen cards. We listened carefully for the numbers Mary Calogero called hoping ours would be chosen. Winners happy - losers sad. Door prizes were three peach pies and two prizes of \$5.00, which were selected by ticket number.

Mr. Chesler called for the final fill-up game. If you filled your card in 57 numbers, you would win \$200.00. Since no one did this, calling continued until a lucky guest filled her card and won \$40 as a consolation prize.

BRIDGE NOTES

Our bridge group is off to a good start. We have covered all of no trump bidding plus the Stagman convention. Next we will discuss all of suit bidding and opening suit bids, responses, bidding game and how to bid slams. We will honor all slam bidders by listing their names in future "Notes".

Come join our group if you would like to brush up on your bidding and have a pleasant afternoon of bridge.

JOSEPHINE'S CHATTER

Remember years ago when we did our shopping at the neighborhood stores - shoe stores, grocery stores, hardware, dry goods, 5 and 10¢ store? I can even recall the wonderful little ice cream shops with special tables and chairs where in the evening half of the gang had sodas and sundaes.

I thought of those things last week when I was at the Great Lakes Mall sitting in "Eat Street" waiting for a friend. The most interesting sight was the young mothers pushing one or two babies in strollers and often one more trailing behind. So many young families - and the very elegant strollers were equipped with a bottom shelf holding packages. Does this boggle the mind that each of these many little groups got there in a car

or a van. I think most of us did not have the where with-all or the energy to make such extreme shopping trips when we were young.

A great use of these malls in that of walking as prescribed by doctors or just the most comfortable place to walk. When I do that, my eyes always roave to the windows and I de-tour into that store. By the way, I must cut this short because I must go walk and shop.

CERAMICS CLASS

We have a new student to spark our interest. Her name is Violet Ruch and she is from Puerto Rico. Vi started with two holly dishes. Her enthusiasm gives us all a lift.

Marge is making pumpkins. Everyone else is working on Christmas items. Mercedes and Alma will be working on Santa' workshop till the holidays. Marie will soon have a watermelon bowl to take home. Mary Jane and Rose will have pasta bowls by next week and Jenny and Sally are not far behind with theirs.

Mary feels her eyesight is failing and she can't do ceramics any longer. I am sure her family will remember her everytime they eat spaghetti. She made her share of pasta bowls.

We have room for those of you who would like to join us. Come on down and see what we're doing.

HAVE YOU MET...

...Jerry and Jennie Cellura? They have made their home here at the Villa for five months. They both express how much they enjoy living here.

Jennie was born in Pennsylvania and the family moved to Cleveland when she was just a little girl. She is an alumni of John Hay High School. Jerry moved to this area when he was a young man. They met through a mutual friend of Jennie's brother. They have been married for 47 years.

Jerry was a carpenter for many years before his retirement. They made their home in Euclid for 32 years and raised their family there. They have two sons, two daughters and seven grandchildren. One son and one daughter live in this area. Two of their grandsons are in the service. The two youngest grandchildren live in Concord. Little Timothy is 16 months old and Jennie takes care of him a few days a week.

Jerry and Jennie lived at Gates Mills Towers and Jenny enjoyed working at Zayer's and Ames. Now she keeps busy with Timothy and thoroughly enjoys the card games with her friends and also here at the Villa. Jerry is often downstairs shooting pool or joining in the card games.

Next month Jennie is looking forward to our excursion to the Carousel Dinner Theater.

NOVEMBER

My how those holidays creep up and fly by! As the multitudinous shades of red, yellow and brown blend with the green of summer, we become very aware that Fall is here again. That means it's time to give a little thought to all of the blessings bestowed on us from above. Not just now, but the whole year through. So it's time to count our blessings and being a tenant at Villa Serena is one of the biggies! Make your own list and check it twice, then join in a big THANKS this Thanksgiving time. Happy holidays.

THANKSGIVING DINNER

Yes, Thanksgiving comes around but once a year, but that year seems to go by faster and faster. And so once again, we are preparing for the coming holiday season at the Villa Serena.

Our special Thanksgiving celebration this year will take place on Wednesday, November 18th.

(cont'd to next column)

This year will be no different than it has been in the many past years at the Villa Serena. It is the time when we all gather together as one family in unison and have the opportunity to give thanks for the many many things we have to be most thankful for and to offer our special appreciation to God for giving us another year together in the midst of so many friends.

Naturally the guest of honor at our special dinner is always "Tom Turkey". What would a Thanksgiving celebration be without him. He will provide us with the nourishment we need at dinner time along with all those additional delectable trimmings we serve to enhance dear "Tom's" flavor and taste. Dinner as usual starts at 5:00 P.M.

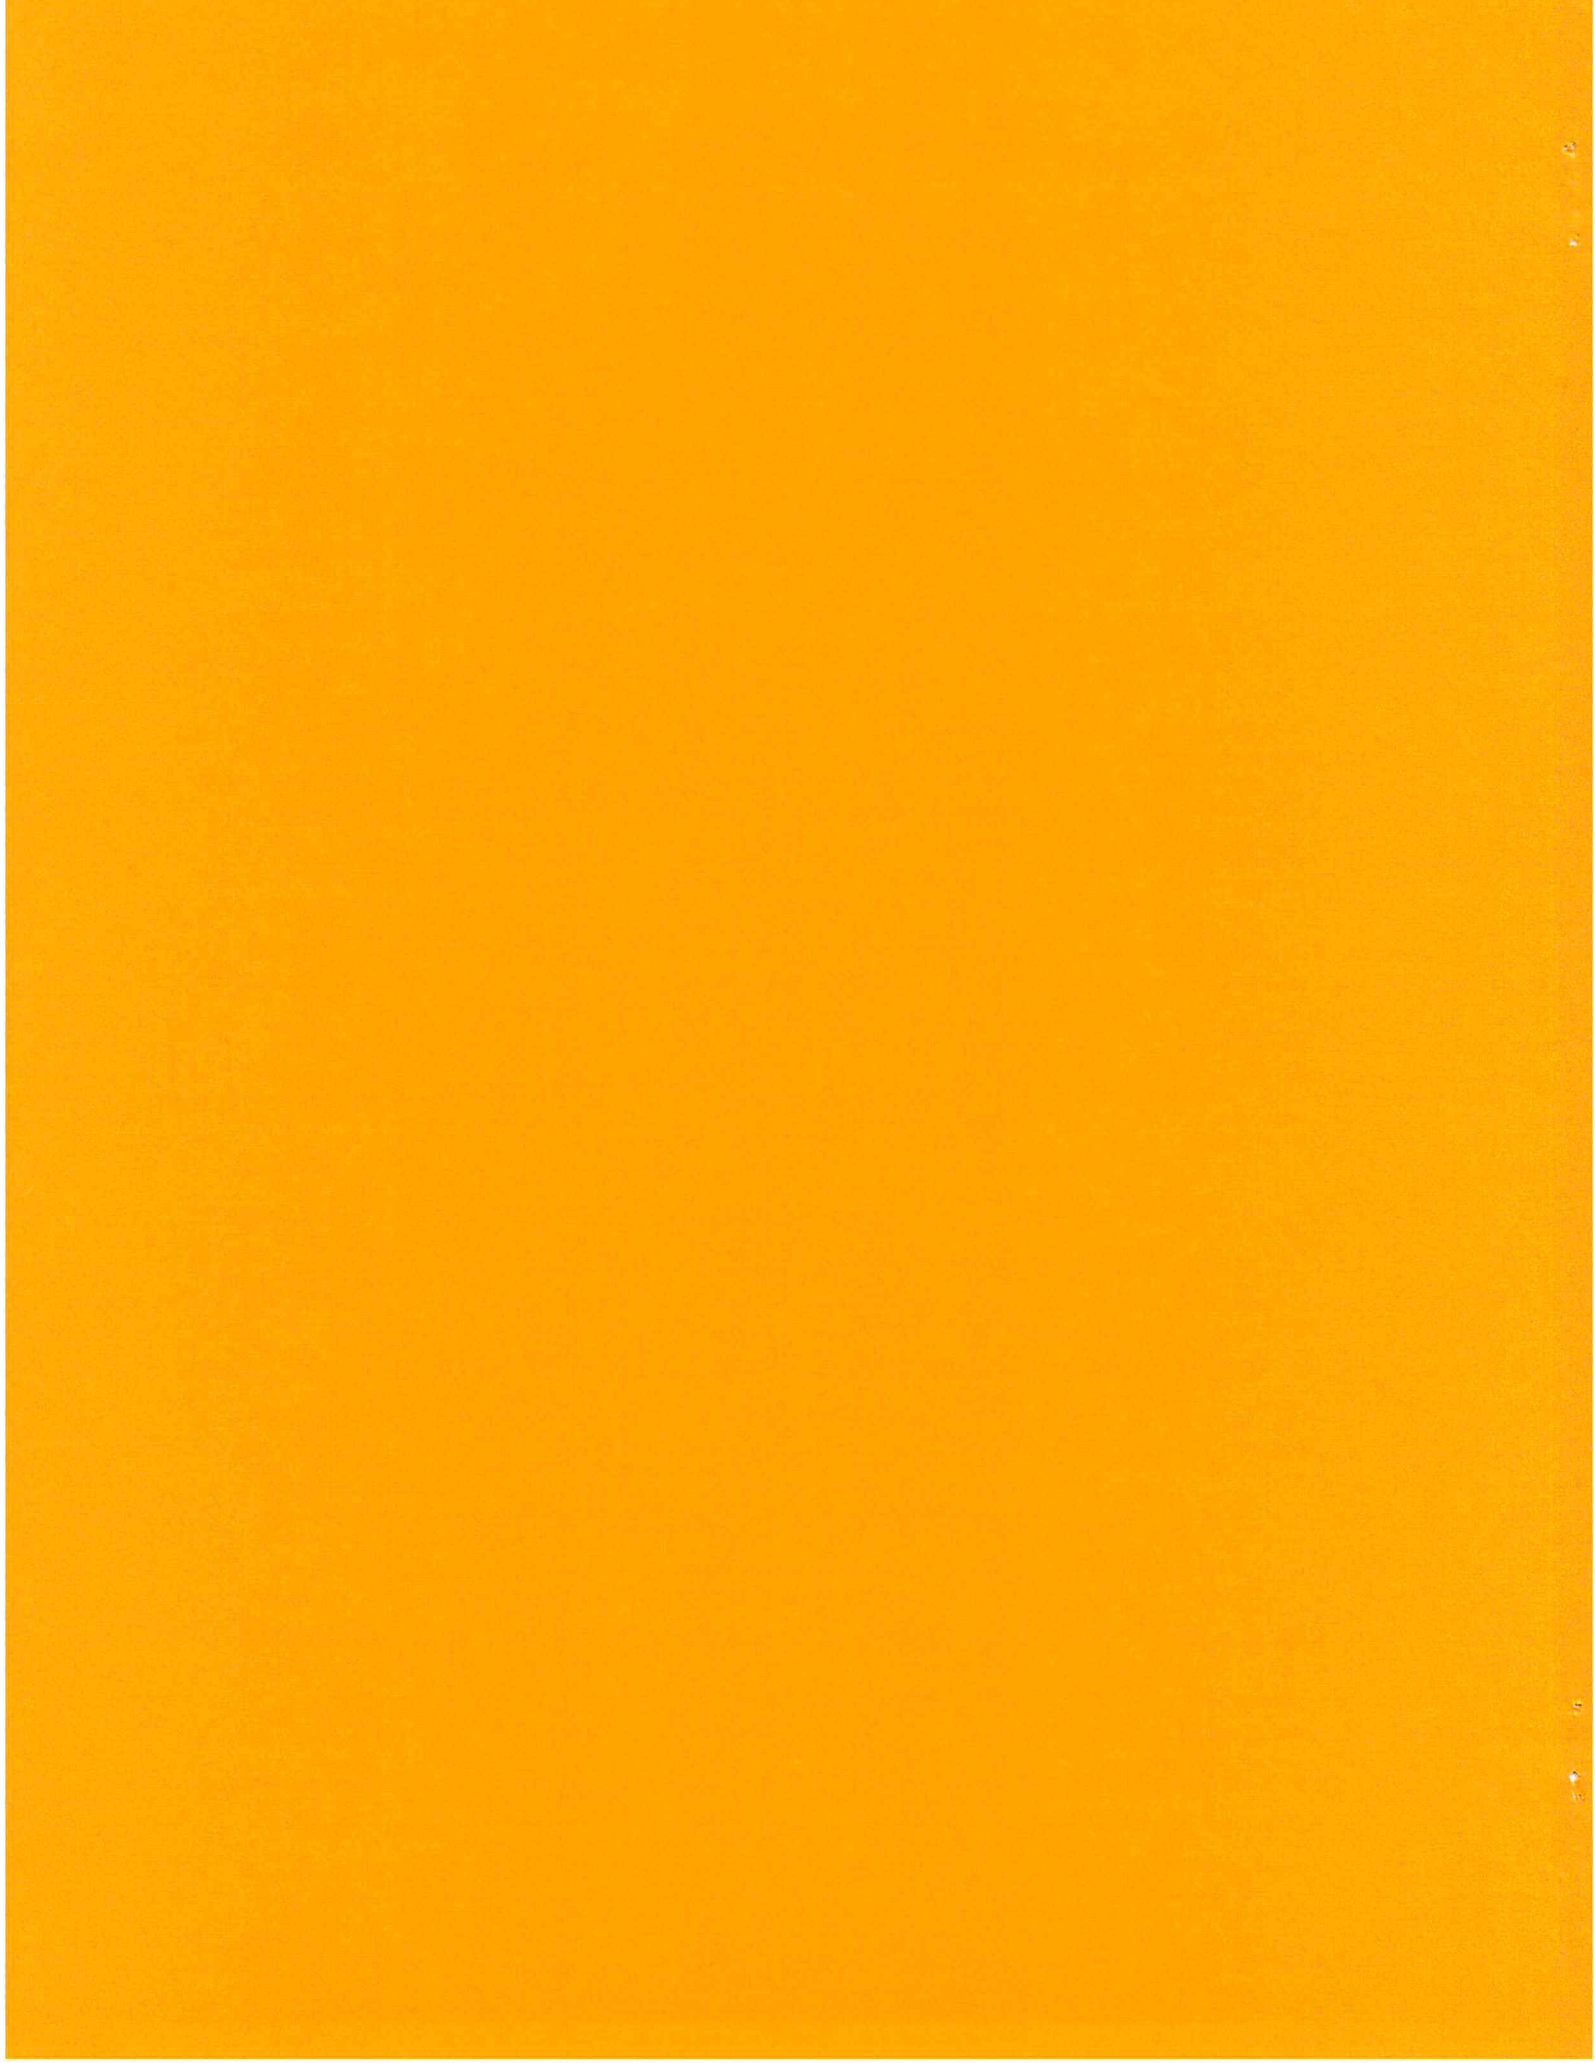

After our traditional dinner, in keeping with the dignity of this very memorable day, we have planned an evening of grand entertainment in keeping with the spirit of Thanksgiving.

Come join with us in ushering in the holiday season of the year, by breaking bread with our many friends and a wonderful evening to be remembered.

Please purchase your tickets early. Dinner and the evening's entertainment will be only \$7.50 per person.

WE PROMISE YOU A NICE EVENING.
