PROFESSOR KALL

Did you know that Prof. Kall visits with us twice a month and talks about current events? On his last visit he discussed something we all were eager to hear--the Mondale-Reagan debate. He talked about comments made and also about the attitudes of the two speakers. Sometimes when we look at things from Prof. Kall's version, we get a different slant on them.

I am sure when he returns on Tuesday, November 13th at 3:30 we will discuss the election results. I say discuss because questions or comments from the floor are always welcome. Hope to see you on November 13th and again on Thursday, November 29 at 7:00 PM.

MENS CLUB NEWS

President LoCastro opened the September meeting at 7:00 PM. John Curry acted as Sgt. at Arms for Felix Pawloski who was away on vacation.

Welfare Chairman John Smola reported that Frank Vigneri and Holden Smith have been released from Hillcrest Hospital and are back home with us again. In fact, we're happy to report that as of this writing all of our members are relatively healthy and back in the swing of things.

Now that the summer vacation period is about over, we look to better attendance at our meetings in the future. In this regard, John Pazderak, John Curry and Len Shoemaker volunteered to contact absentee members. Thanks for your efforts, men.

Our main topic for discussion was the up-coming annual Boutique. As has been our custom in past years, the Mens Club will figure prominently in the sale of raffle tickets, as well as help out in the dining room and wherever else we're needed.

A show of hands at the meeting was a good indication that we will be out in full force to support this worthy cause.

See you at the Boutique on Saturday, November 3rd and, for you members, also at our next meetings on Tuesday, November 13th. Refreshments at 6:30, meeting at 7:00.

(We hope everyone has a lucky raffle ticket!)

Bill Nau, V.P. & Secy.

TRAVELOGUE

On Wednesday, October 10th, we had an enthusiastic group in the Red Room for our travelogue on a trip west. The Rossers make their slides into an enjoyable trip for all of us who have seen the sights and those of us who have never been to near or far away places. A good way to travel is via the Rossers slides. With a commentary along the way we get a good insight.

Do join us on Wednesday, November 14th at 7:30 when we will be taking a trip to "Melodious Austria" along with the music of Strauss. Sit back, relax and enjoy the scenery, music and narration.

SUNDAY DANCE CLASS

The Sunday evening dance class has been cancelled because not enough people attended. We would like very much to continue the classes but will not be able to do so unless we have many more participants. If you would like to have the lessons resume, please sign up in the office as soon as possible. The cost is only \$5.00 for seven lessons -- a very nominal fee.

Besides learning the various dances from professionals, the evening is a fun time and gives us a chance to socialize. So come on people, and join the group. Singles as well as couples are invited to join the class.

THANK YOU, FATHER

Dear Father, thank you for bringing us all to another Thanksgiving Day. Each year as we celebrate this old and beautiful holiday we turn our thoughts, which have a habit of getting lost in the hustle and bustle of everyday life--to You. To tell You that we are so grateful for your blessings, our safe, warm home, neighbors and friends who have become so dear to us, something to do, something to love and something to hope for: for your love, Father, which has enriched our lives since the first breath that we drew, good and (loving) parents, sisters and brothers: for education, employment, recreation and above all, the chance to establish our own homes with the "greatest gal or guy" on earth and with your help to send our own precious children out to start the cycle of life over again.

We thank you, Father particularly for your grace and help which has brought us through the storms and helped us over the rough spots, especially the grace to face our senior years with serenity, with a little more kindness, a little more of loving, helping, smiling, giving, patience, tenderness and courage and a little more trust in our fellowman and in you Father, our most gracious benefactor.

May the sun never set on a single day that has not echoed our grateful "thanks,"--a six letter word with a most powerful meaning.

Eileen Bentler

WEDNESDAY CARD PARTY

HI! The month of October was the most beautiful of the year. I don't think that I have ever seen so much color! The woods looked as if they were on fire, lots of sunshine and mild days.

On Tuesday, the 17th of October Kate Blumer broke the record. She, while playing pinochle, had a quadruple pinochle--try to beat that with two decks of cards. The book rules are 3000.

September 26 winners were Clem Brazis, Hilda Griffin, Flossie Podojil, Mildred McCurdy, Mary Blasko and Loretta Smola.

October 3rd winners were Bill Pace, Hilda Griffin, Helen Burns, John Schultz, Christine Stech and Mae Brazis.

October 17th winners were Kate Blumer, Loretta Copeland, Mary Fran Dunlap, Esther Everett, Isabell Byron and Margaret Harding.

I hope the month of November will be as nice as October. The dates for the November Card Parties are the 7th and 21st at 7:00 PM. See you then.

Len Shoemaker
