"AUTUMN LEAVES"  
DINNER/DANCE

Friday, September 19th, was clear and cool as 250 "hungry" people assembled at 5:00 for dinner at Villa Serena. There were fresh fall flowers on each table. Fish or pork chop was served with cool sherbet for dessert.

At 7:00 we were all seated in the Red/Blue Room and lobby waiting for Johnny Singer and his band of four wonderful artists. They were Johnny Singer on sax, Stanley Slayko on string bass, Herb Schindler on drums and Bill Sneller on accordion and piano. What a great group!

The program opened with requests, "Hello Dolly", "Alley Cat" and "New York, New York". The dance floor was soon crowded

(Con't. next col.)

Birthdays were celebrated by five people and there were three anniversary couples present.

Mr. Chesler sang "Shalom" and "Hava Negala" with great feeling.

More of our favorite music and then the evening ended much too soon with our theme. What an exciting evening of unforgettable tunes!

## SEWING

Where does all the time go? Now that the weather is cooler, we all have more pep and I like that. Does your closet look like mine? --nothing exciting, or perhaps something needs a bit of work. Well, let's get going and put these lovely autumn days to good use. Do you have an upcoming big event that you need something new for? What about making some Christmas or holiday gifts? Come to sewing class Tuesday mornings and let me help you get started. I promise I'll stick with your project as long as you do. Come see what's going on. I know you will enjoy yourself and make some lovely new friends. Tuesdays -- 9:00 to 1:00.

## MONDAY ART CLASS

Summer vacation is over and the fall Monday Art group has resumed classes. We had a fine attendance for the opening class on September 8.

It would be a good time to join the class even though you have little or no previous art instruction. Beginners are welcome as well as artists who would like to improve on their current art work.

The class meets from 1 to 3 pm every Monday.

## BOUTIQUE SHOWCASE

As you may know, our Boutique Showcase is located in the TV room. It is loaded with all kinds of handmade items-- needlework, ceramics, sewing, stuffed dolls etc.

It is a good place to shop for a gift or for something for yourself. And the prices are reasonable.

If you would like to shop or just browse, please tell Dorothy and she will open the shop for you. The hours are from 9 - 4 Monday through Friday.

One more thing. We are getting new items all the time so you will find something to please you.

\* \* \* \* \*

## BOCCI

The bocci season is over and there are many sad people. We had a great group who really enjoyed themselves and the competition. Now we will have to find something else to keep us occupied until spring arrives.

We will not say who were the best players--we will just say they were all great. See you in the spring.

A big thank you to Frank Thomas, Lou Vargo, Rose Vitale and Gen Devney. They all put a lot of time into the success of the '86 season.

## NEEDLEWORK CLASS

Where did the summer go to? The needlework classes have started and we meet on Thursday afternoon from 1:00 to 4:00. Did you see the beautiful quilt that was sold? We will have another one soon and some afghans for the cool evenings ahead. The showcase is getting empty and we need to fill it. Do you remember that the proceeds go to the Villa Serena? Christmas will be here before we know it and this is a good time for us to make the items for sale. I do have some new counted thread and needlepoint items that are unusual. The baby items sell so quickly and I have some yarn and other material for you all. Do come and join us. See you soon.

## TRAVELOGUE

If you have ever wanted to visit Scandinavia, come to the Red Room, Wednesday, October 29th, at 7:30. The Neiswanders will present slides of Norway, Oslo, Stockholm and Copenhagen.

This is a very relaxing way to travel. There are no problems and you can cover the whole area in about an hour.

The Neiswanders visit the usual tourist attractions but at times go off the beaten path for another view of the area.

## CERAMIC CLASS

AUTUMN: Can you believe it? Here comes the pumpkin season. It was so good to see everyone again. And I want to give a special hello to all the new members. We are now a group of 25. I know that in a matter of weeks you will all feel like we have been together for years and years--that's the wonderful friendliness of the Villa Serena people.

Also lets all remember the gift showcase. Now that summer is over and the new season has started, the Villa Serena needs pieces to offer for sale to the many people who love to shop for our beautiful hand made art work. Keep the showcase going because some people need to have a place where they can buy items without going out of doors, and of course, each sale benefits the Villa.

I will keep everyone posted on what seasonal items will be featured each month. See me in class for details.

Remember now is the time to get going on those HALLOWEEN pieces and, of course those lovely turkey casseroles that look so gorgeous on the Thanksgiving buffet.

See you next month.

OCTOBER

After the first frost which comes this month, we will be soothed by Indian summer. The days will be so inviting and beautiful that we won't be able to resist being outdoors as much as we can.

Even those of us who are football fans are tempted to be out instead of being glued to the games on TV. A personal note -- since receiving a generous gift of a video recorder I can be outside and enjoy every hour of the hazy, tangy fall air. Then I can catch the all important football game when I must come in.

Of course, the most impressive spectacle is the sight of the leaves as they change colors, each color more exquisite than the last -- russet, gold, crimson. Even some wild flowers bloom in October such as goldenrod and asters.

The frost kills many insects. Many birds have gone to warmer climates, but the sparrows are still here eating weed seeds and helping to give us a better chance for good fruits and vegetables next year.

October brings Halloween and we think about the fun and daring this day brought in our younger years.

Columbus Day, commemorating the discovery of America by Christopher Columbus is a holiday especially celebrated by the Italians.

A solemn time for our many Jewish friends comes with Rosh Hashanah and Yom Kippur. May the holidays be spent in peace and good health.

BINGO

We filled the dining room on a clear, cool Sunday afternoon, September 7th, waiting for Mr. Chesler to start calling numbers for BINGO.

As usual, winners were elated and losers hopeful for "next time".

Fill-up was not won in 55 numbers but a lucky guest received \$35.00 as a consolation prize. Why not join us next month and try your luck to win a buck??

## DINNER AND DANCING

On August 28th, dinner was served promptly at 5:00 to 276 hungry guests in our usual brisk pace. Veal cutlets and spumoni was the fare. Delicious! Mr. Chesler welcomed us back to fall festivities.

After dinner we filled the Red/Blue room and lobby waiting eagerly for our favorites...Ed and Gilda Cifani with Wally Scaffidi. They opened with "Stars and Stripes" in honor of the 100th anniversary of the Statue of Liberty.

The dance floor was crowded (as well as the pool room) with dancers. Music was chosen for our dancing and listening pleasure of songs we all know and love to sing (and did).

August birthdays were celebrated by many. Ten couples danced to the "Anniversary Waltz".

Mr. Chesler sang his favorite song "Ramona" in a loud clear voice. An accordion solo by Ed "Underworld Overture" received a standing ovation.

The program closed, much too soon, with "I'll See You in my Dreams".

## DANCERCISE

We got off to a good start with a class of 28. It was like the first day of school; everyone so glad to see each other and getting caught up on the summer happenings.

We will be doing a lot of the same exercises and line dances--adding new ones. Those who haven't been to our classes yet don't know what they are missing. Come and join in the fun every Tuesday at 2:00. You'll benefit by feeling better and meeting new and old friends.

As most of you know, I will be away for a few classes but the class will continue every Tuesday. So be sure to come and support the person who is filling in for me. Thanks!

## PROFESSOR KALL

On Wednesday, October 22nd, at 7:00, Prof. Kall will return for his first monthly talk on current events. Prof. Kall is very knowledgeable about what is going on in the world and will pass this information on to us.

If you have not had a chance to hear him, be sure to come to the Red Room on Wednesday, October 22nd. You may learn a lot.

## BIG BINGO -- BIG BINGO

Do you think you are seeing double? Well, not quite, but this is just our way of telling you that in October we are going to have TWO BIG BINGOS!!

The first will be on Friday, October 10th at 7:30. We will serve dinner at 5:00 and then on to the big games!

This is the deal. Everyone who attends the dinner and buys 3 bingo cards will get a free card. That means you will have 4 cards instead of the usual three. And the cost is only \$2.00 for the 3 cards. Where else can you get such a bargain?

If you are lucky enough to get a fill-up in 56 numbers, and you will win \$125!!!! Wouldn't that be something. If no one gets a fill-up in 56 numbers, we will give a consolation prize to the one who gets the first fill-up.

The next Big Bingo game will be on Sunday, October 19th, at 1:30. We will have the same arrangement as listed above, that is, 3 cards for \$2.00 and a prize of \$140 if you get a fill-up in 57 numbers.

All you avid bingo players be sure to mark your calendars right now so you won't miss the big money. Big bucks can be had for just a small investment. See you at either or both bingos.

\* \* \* \* \*

## FLU SEASON IS COMING

Again this year you can get your flu shot at the Villa Serena. It is a good idea to get the shot so as to avoid the flu which can be bad for the elderly.

The doctor will be here to explain the procedure. It is painless and quick so please take advantage of it. The immunization will help you avoid three kinds of flu.

The cost is only \$5.00 and well worth it to avoid getting ill. Why pass up this opportunity?

Sign up now in the office. Payment is not due until you get your shot.

The date is Saturday, October 18 from 11:00 to 12:00.

Be sure to make a note of this.

\* \* \* \* \*

To all our Jewish residents and members of the Villa Serena, holiday greetings for the coming year.

Best wishes for good health and happiness and may this be a year for Peace.

BOUTIQUE (SHOWCASE CLASS)

It's nice to be back and involved in all the pretty things under construction. Yes, we are up to our old tricks making a variety of projects to make your holiday giving easier. All our items are or will be available in our showcase (in the TV room) starting now and on going until Christmas. We can take orders (within reason, of course) and welcome your suggestions. If our sizes are not for you, let us know -- our desire is to please you.

We also welcome your help making all these cute things and if you can spare a few hours on Wednesdays it would be great. We can use help with sewing, stuffing, tracing, cutting and anything else I can think of. Do remember to start your holiday shopping at the Villa Serena -- you'll be giving a gift that pleases.

WEDNESDAY CARD PARTIES

The Wednesday card parties are still going strong. We had only one party in September and these are the lucky winners.

May Luke, Frieda Vormerker, Helen Lysko, Thelma Lilje, Ruby Jacobs and Pauline Kubik.

We will meet again on Wednesday, October 8th, at 7:00.

BRIDGE NOTES

Now that our beautiful summer is coming to an end and outdoor activities will be curtailed, it is time to think about the fall and winter programs at the Villa Serena.

Our Friday Bridge Group will be of interest to those of you who enjoy the game and want to brush up on your bidding system. I will cover the Goren Point Count System of bidding plus the Stayman and Blackwood conventions. You will have the opportunity to ask questions at any time to clarify points of bidding and during your play. I will answer questions concerning the play of the hand.

During the year we will have several parties with prizes and refreshments. These are progressive games where you meet other players and make new friends.

My goal in this class is to help you improve your game thus increasing your pleasure at the bridge table. After all "that's what it's all about"!

ITALIAN AND FRENCH LESSONS

The Villa Serena has had many requests to resume the Italian language class. In addition we may be able to add French. If you are interested, please sign up so we will know how many to expect. We will have a very well qualified instructor.

\* \* \* \* \*

MUSIC FUND

We are very thankful for all of the donations to our Music Fund. There have been many people who gave but did not want their names mentioned.

The Music Fund was started just recently and will be an on-going fund. If anyone cares to contribute to the fund they may do so at any time.

Again we want to take this opportunity to than all of you and especially the anonymous donors. We will remember you.

\* \* \* \* \*

RELIGIOUS INSPIRATION

Every Thursday at 10:00 AM we have religious services. There is a minister who presides over the services. If you have not attended, why not come to the Red Room any Thursday at 10:00.

As we go to press, we do not have the names of the ministers for the month of October. When we get the names, we will let you know.

ELEANORA LVOV  
CONCERT PIANIST

Eleanora Lvov, a great concert pianist, will give a performance at the Villa Serena on Wednesday, October 15th at 7:30.

Miss Lvov comes from a family of musicians. Her father is a renowned pianist and teacher and her mother is a piano instructor.

In 1977 Miss Lvov graduated from the Rubin Academy of Music in Jerusalem a year ahead of time. She has performed before Queen Fabiola of Belgium.

During her stay in Boston, she performed on radio, television and also with the Brookline Sympony.

Miss Lvov is currently Head of the Piano Department at the Cleveland Music School Settlement.

Don't miss this wonderful concert pianist! Plan now to attend the concert on Wednesday, October 15th at 7:30.

DINNER AND A NIGHT AT  
THE MOVIES

How long has it been since you went to a movie? A bit too long I would guess. We plan to correct that situation so on Friday, October 17th at 7:00 we will present a great movie and also furnish popcorn for your enjoyment. The price? How about for free? Sounds great, doesn't it?

We will serve dinner at 5:00 and then settle down to an evening of unusual entertainment--movies at the Villa Serena.

Plan an evening out -- dinner and a movie. We will present "Oh, God!" starring George Burns and John Denver. A great comedy.

Remember the date is Friday, October 17th.

MEN'S CLUB

In behalf of the Villa Serena, I wish to congratulate all the men of the Men's Club for the initiative and enthusiasm which took place at their last meeting.

A wonderful group of men elected William Olson, President, Harvey Sternberg, Vice President, Benno Hentemann, Treasurer and four members at large to comprise the executive committee, Don Gisondo, Al McMunn, George Lisy and Anthony Filly, and Adam Stegh as Sergeant at Arms.

(Continued next column)

We know these men will go forward with a constructive program of new and exciting activities which will make being a member most desirable.

The Pool Tournament has already begun on Monday nights with a super group of players.

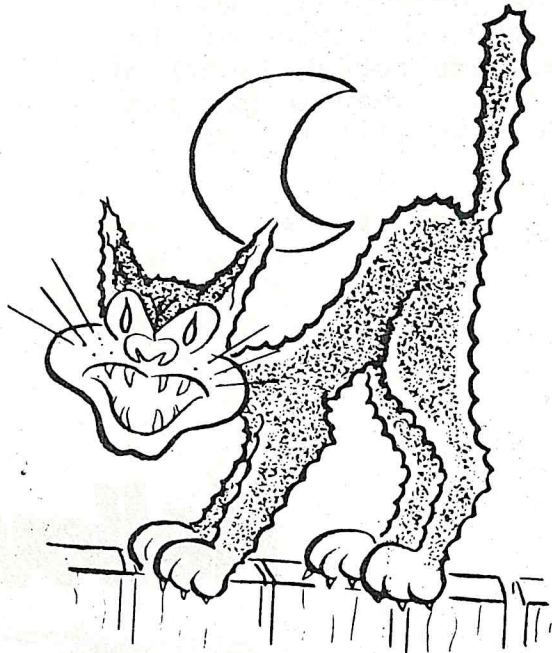

The Villa Serena has committed itself to catering the first social evening of the new year with a buffet dinner, followed by a meeting and the Pool Tournament on Monday, October 6th, at 5:00 P.M.

Let us continue to see more new faces along with our "old" faces and we know we will have the greatest Men's Club.

Congratulations to all of you for your hard work. May the future be as rewarding as the beginning.

Howard I. Chesler
