PROF. KALL

Our favorite lecturer, Prof. Kall, is returning for the new season on Wednesday, October 24.

He is well versed in current events and willing to share his thoughts with you. Why not be in the Red Room at 6:30 on the 24th. If you have never attended his lectures, you are in for a pleasant evening.

Please note the change in time. Due to previous commitments, Prof. Kall will be here at 6:30 instead of 7:00 as he previously was.

EXERCISE CLASS

Welcome to the start-up of fall activities. Hope you have all had a nice summer in spite of all the rainy weekends. I am looking forward to seeing all of our class members and hopefully finding some new faces. Now is a good time to consider joining an exercise class. It would be a special gift to yourself. Everyone can work at their own pace. Do come and have fun. It is also a chance to meet other people. Wellness involves many aspects of life. One may not think of friendships as being that important as far as health is concerned -- but having someone special you can confide in and pal around with helps you stay healthy, especially emotionally. Your emotional wellness directly affects your physical wellness. Come and see.

Beth Parnin

A DAY AT THE RACES!

There were 25 avid bettors who went to Thistledown for lunch and a day at the races.

We chose our horses by our own 'secret' system. Some worked out very well but others not so great. We all kept trying our luck and would you believe that on one race (trifecta) 18 people joined together to bet and WON \$207.00 - \$11.50 each. What excitement!!!

Maybe we will go again. If we do, why come along? Who knows, maybe you could be a winner.

DINNER NEWS

Friday, September 14th, we gathered for our first dinner of the fall season. We had veal, pasta and apple turnovers. DELICIOUS!!! It was very nice to be back with our friends.

We celebrated September birthdays and anniversaries. All celebrants received a small glass of wine (pre-Rosh Hashanah).

At 6:30, Sam Finger and his lively band appeared on stage for our dancing and listening pleasure. Their music was brisk, bright and bouncy. A great variety of songs we all remember well were played enthusiastically by this dynamic band. Under Mr. Chesler's direction, we also sang along with the music, if we so desired (and we did).

The evening closed, much too soon, with our theme 'I'll See You In My Dreams'.

Margaret Rose

ART CLASS NEWS

The Art Class is back! Come one, come all and learn drawing, painting, lettering, pastels, cartooning, anatomy and also how to correct mistakes.

We meet from 1:00 to 3:00 every Monday. Just bring pencils, paper and some ideas.

Cindy Nelson

BINGO REPORT

On Wednesday, September 19th, we gathered for BIG BINGO. Ice cream was served as a special treat. We carefully chose our Bingo cards. Mary Calogero called for a variety of games, with happy winners and sad losers. Four door prizes were given to persons with lucky ticket numbers.

Mr. Chesler called for the final fill-up game. If won in 57 numbers, the winner would get \$200.00 but since no one was fortunate, calling continued until a guest filled his card and won \$40.00 as a consolation prize.

Margaret Rose

WEDNESDAY CARD PARTY WINNERS

Winners September 5th, were Margaret Rose, Kate Blumer, Alma Reinke, Pauline Kubik, Minnie Prokep and Evelyn DeFlorentis.

Winners September 19th, were Marie Verba, Rose Schock, Mary Blasko, Christine Stech, Carl Schock and Florence Treichel.

October dates are the 3rd and the 17th. See you then.

Len Shoemaker

.

HALLOWEEN PARTY TIME

Time for those spooks and scary things to visit the Villa Serena. Get in the spirit of the day and wear a costume. Or just a mask will do.

Dinner will be served at 5:00 and then on to the party. For your entertainment we will have Chuck Tarantino and his Trio. There will be lots of wonderful music for dancing and singing. So why not check out the costume situation right now so you will be ready.

(Continued next column)

Dinner will be your choice of either barbecued ribs or baked chicken. The price is \$7.00.

Get your tickets early so you will not be disappointed. The date is Tuesday, October 30th. Because of so many people coming to dinner, we have to limit tickets to MEMBERS ONLY. Of course tenants are also invited. See you at the party.

* * * * *

CALLING ALL BINGO PLAYERS

This month we will have our BIG BINGO on Friday, October 5th, after dinner.

Again, as usual, the cost is \$5.00 for three cards of your choice. And the big prize will be \$200.00 if you get a fill-up in 57 numbers. Yes, it can be done and maybe this is YOUR time to win it.

Dinner will be at 5:00 and bingo at 6:30, so bring your lucky charms whatever they may be and possibly walk off with the big prize.

* * * * *

The first part of the paper discusses the importance of maintaining accurate records of all transactions. This is essential for ensuring the integrity of the financial statements and for providing a clear audit trail. The second part of the paper focuses on the various methods used to calculate the cost of goods sold, including the first-in, first-out (FIFO) method, the last-in, first-out (LIFO) method, and the weighted average cost method. Each method has its own advantages and disadvantages, and the choice of method can have a significant impact on the reported profit.

The third part of the paper discusses the importance of proper inventory management. This includes maintaining accurate inventory records, conducting regular physical counts, and using the appropriate costing method. The fourth part of the paper discusses the importance of proper depreciation and amortization. This includes using the appropriate method, such as straight-line or accelerated depreciation, and ensuring that the assets are properly classified and valued.

The fifth part of the paper discusses the importance of proper tax reporting. This includes understanding the applicable tax laws, calculating the correct tax liability, and filing the tax returns on time. The sixth part of the paper discusses the importance of proper financial reporting. This includes preparing the financial statements in accordance with the applicable accounting standards and providing a clear and concise explanation of the results.

The seventh part of the paper discusses the importance of proper internal controls. This includes establishing a system of checks and balances, separating duties, and maintaining accurate records. The eighth part of the paper discusses the importance of proper budgeting and forecasting. This includes setting realistic goals, monitoring performance, and adjusting the budget as needed.

The ninth part of the paper discusses the importance of proper risk management. This includes identifying potential risks, assessing their impact, and implementing strategies to mitigate them. The tenth part of the paper discusses the importance of proper communication. This includes providing clear and concise information to all stakeholders and maintaining open lines of communication.
