DINNER/BINGO REPORT

We enjoyed a marvelous dinner on Friday, September 20th. Mr. Chesler honored Thelma Lilje on her 90th birthday. She has lived at the Villa Serena for 22 years!

By 6:30, we were anxiously waiting for Bingo to begin. Mary Calogero called for a variety of games with lucky winners and sorrowful losers.

Door prizes were drawn and the men won wine and the ladies wallets. We had quite a few men present and an avid crowd.

Mr. Chesler called for the final fill-up game and if someone filled their card in 57 numbers, they would win \$200. No one did so the calling continued until two players filled their cards and won \$20 each.

Try your luck next month. You may be lucky!

HAVE YOU MET.....

.....Ann Delisio? Perhaps some of you already have but let me introduce her to those who have not.

Ann is a native Clevelander. She was born in 'Little Italy' and lived in Mayfield Heights. She and her mother shared a home for the last 17 years until last September when her mother passed away. It has been a difficult time and the decision to move to the Villa Serena was prompted by Ann's cousin and a friend whose mother lives here. In May Ann moved into the Villa.

For the last eight years Ann has been employed at The Joseph & Feiss Company. She also drove a cab for 25 years. She enjoys people and driving is something she truly likes to do. Ann said it was much safer then and when you put down the flag, the meter started at 35¢! Times have changed! I'm sure she must have many interesting tales to recount after so many years.

Being an employed lady, we do not see Ann often but she has availed herself of bingo at the Villa a few times. Ann expressed a desire to learn to play pinochle. Perhaps she will get an opportunity to learn here.

Ann enjoys Vegas and was there just recently on her vacation. I asked her if she was lucky and her reply was "Easy come, easy go". This seems to be the 'norm' for Vegas visitors. Those slot machines must have a charm uniquely their own.

Ann is still in the process of getting really settled in.

Have you met - Continued

Hang in there, Ann. We all can sympathize with you - trying to decide what we can eliminate or do without is very difficult.

The Villa Serena welcomes you, Ann. We hope you will enjoy the activities and the friendly residents who are here. Don't forget to come to our dinners and entertainment that begin in September. We will enjoy your company.

Thelma Olson

DINNER AND DANCE REPORT

Friday, September 13th, was a lovely day as we assembled for the first dinner of the fall season; starting toward our 25th year.

Mr. Chesler honored Eleanor Wolff for her birthday, the 13th...

At 6:30, Chuck Tarantino and his band appeared on the stage to entertain us and they surely were welcomed warmly. Their music is sweet, melodious and definitely our kind. Fox trots, waltzes, you name it, they played it. A medley of songs from the 1920s were played and we sang along. Included in these were 'Ramona' for Mr. Chesler. The lively program closed with our theme 'I'll See You in My Dreams'.

RUBY'S CHATTER

I don't know who wrote this, but we offer our thanks to the author. And it proves the old saying -- 'The best things in life are free'.

Suppose God charged us for the rain.
Or put a price on a songbird's strain of music.
Or on the dawn-mist on the plain.
How much would autumn landscapes cost
Or a window etched with winter's frost
And the rainbows glory so quickly lost?
Suppose that people had to pay to see the sunset's crimson play
And the magic stars on the Milky Way.

Suppose it was fifty cents a night

(Continued next column)

Ruby (Continued)

To watch the pale moon's silvery light,
Or watch a gull in graceful flight.
How much, I wonder, would it be worth to smell the good, brown, fragrant earth in spring - the miracle of birth.
How much do you think people would pay
For a baby's laugh at close of day?
Suppose God charged us for them, I say.
Suppose we paid to look at the hills,
For the rippling mountain rills,
Or the mating songs of the whippoorwills. Or the surfing breakers of the sea.
For grace, and beauty, and majesty?
And all these things He gives us FREE!!!

EXERCISE CLASS

With the new season of fall upon us, it gives each of us an opportunity for renewed resolutions. Taking care of yourself, hopefully is at the top of the list. The quality of your life is affected by the choices you make everyday.

According to studies and research done at the University of California, there are seven simple steps to wellness which will affect your own longevity and general health.

1. Eat regular meals;
2. Don't snack between meals;
3. Don't drink, or use moderation;
4. Exercise at least 3 times a week;
5. Keep weight under control;
6. Don't smoke;
7. Sleep seven to eight hours a night.

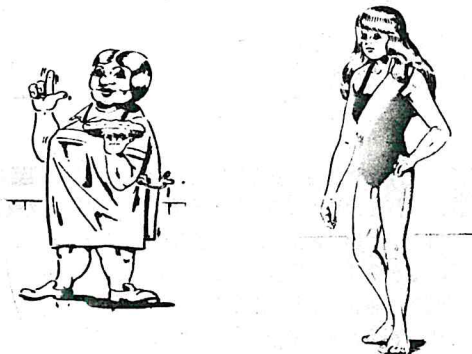

An exercise opportunity is available for you at the Villa Serena.

Take advantage of an experience in good fun and improved health. Exercise classes are held at the Villa on Tuesdays from 2:00 P.M. to 3:00 P.M.

Happy Halloween!!

I HAVE NOTICED:

Everything is farther away than it used to be. It is even twice as far to the corner and they have added a hill.

It seems to me they are making the stairs steeper than in the old days, and have you noticed the smaller print they use in the newspapers?

There is no sense in asking anyone to read aloud anymore, as everybody speaks in such a low voice I can hardly hear them.

The material in dresses is so skimpy now, especially around the hips and waist, that it is almost impossible to reach one's shoelaces.

Even people are changing. They are so much younger than they used to be when I was their age. On the other hand, people my own age are so much older than I am.

I ran into an old classmate the other day and she has aged so much that she didn't recognize me.

I got to thinking about the poor dear while I was combing my hair this morning and in so doing I glanced at my own reflection. Really now, they don't even make good mirrors like they used to.

CERAMICS CLASS

The second week we had a nice class of 11. Four of the class are making pasta bowls. Next week we are starting on Halloween projects. In fact Jeanette has the jump on that as she has already started 3 pumpkins for the showcase.

Would you like to join us? Stop in and browse during class time. Take advantage of an opportunity to make holiday gifts at a savings. And doesn't it mean so much more when you make it yourself?

ISDA WOMEN'S LEAGUE DINNER

Once again that time of the year is fast approaching for this special dinner and we would like to make an early announcement so that we can give this organization our full support.

It is the Women's League of the Order Italian Sons and Daughters of America who are our sponsors who are having another of now famous yearly Poor Man's Raffle and Spaghetti Dinner to raise funds in behalf of the operation of our senior citizens center.

The dinner is January 15, 1992 at the Casa DiBorally. Cost of the dinner is \$15.00. As those of us who have attended in the past know, the dinner is great and the many door prizes given away are fantastic.

We ask your total support of this function inasmuch as it is for our benefit. This dinner sells out very rapidly because of its great popularity and we urge you to get your reservations in as early as possible to avoid being left out.

Tickets will be available in the office or from Mary Calogero. Transportation will be arranged for anyone needing the same on the night of this dinner.

TIME PASSES BY VERY QUICKLY. IT IS NOT TOO SOON TO THINK ABOUT THIS!!!!!!

BRIDGE TOURNAMENT

We are happy to announce that there will be another of our traditional Bridge Tournaments at the Villa Serena to be held on FRIDAY, OCTOBER 18th at 1:00 P.M.

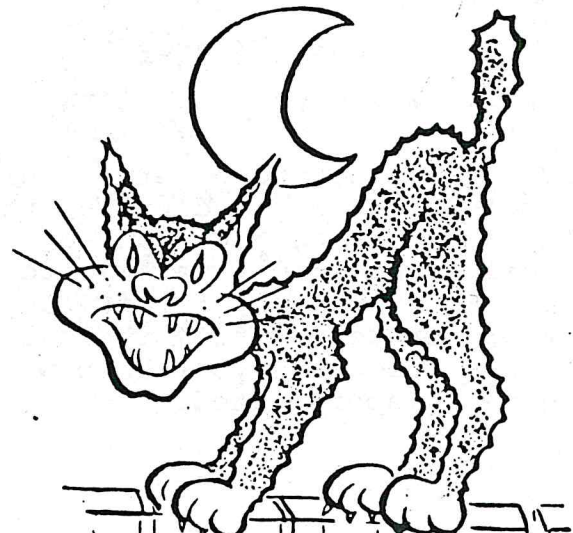

It will be open to all our residents and members and will provide a wonderful opportunity for all bridge lovers to get together for a little friendly competition, comradery and of course, desserts.

We are very proud of our Bridge Class and the fact that we have Vivian Karash as our instructor who has been with us since the inception of the Villa Serena almost 25 years ago.

There will be a registration fee of 50¢ with prizes being awarded to the winners.

If you have not been a regular Bridge player and are a resident or member, and know how to play Bridge, we will be happy to welcome you and hopefully you may become a regular player.

We can assure you of one thing. You will have a lovely afternoon.

A FUN HALLOWEEN PARTY

Now is the time for all of us to begin planning how best we can mystify our friends, by making this the most fun Halloween we have ever had. We can only do it if each of you help us by joining in the festive spirit of this evening -- that is by planning a gay costume to wear. Fool your friends, it is so much fun guessing who is under the mask and it brings such a smile to everyone's face.

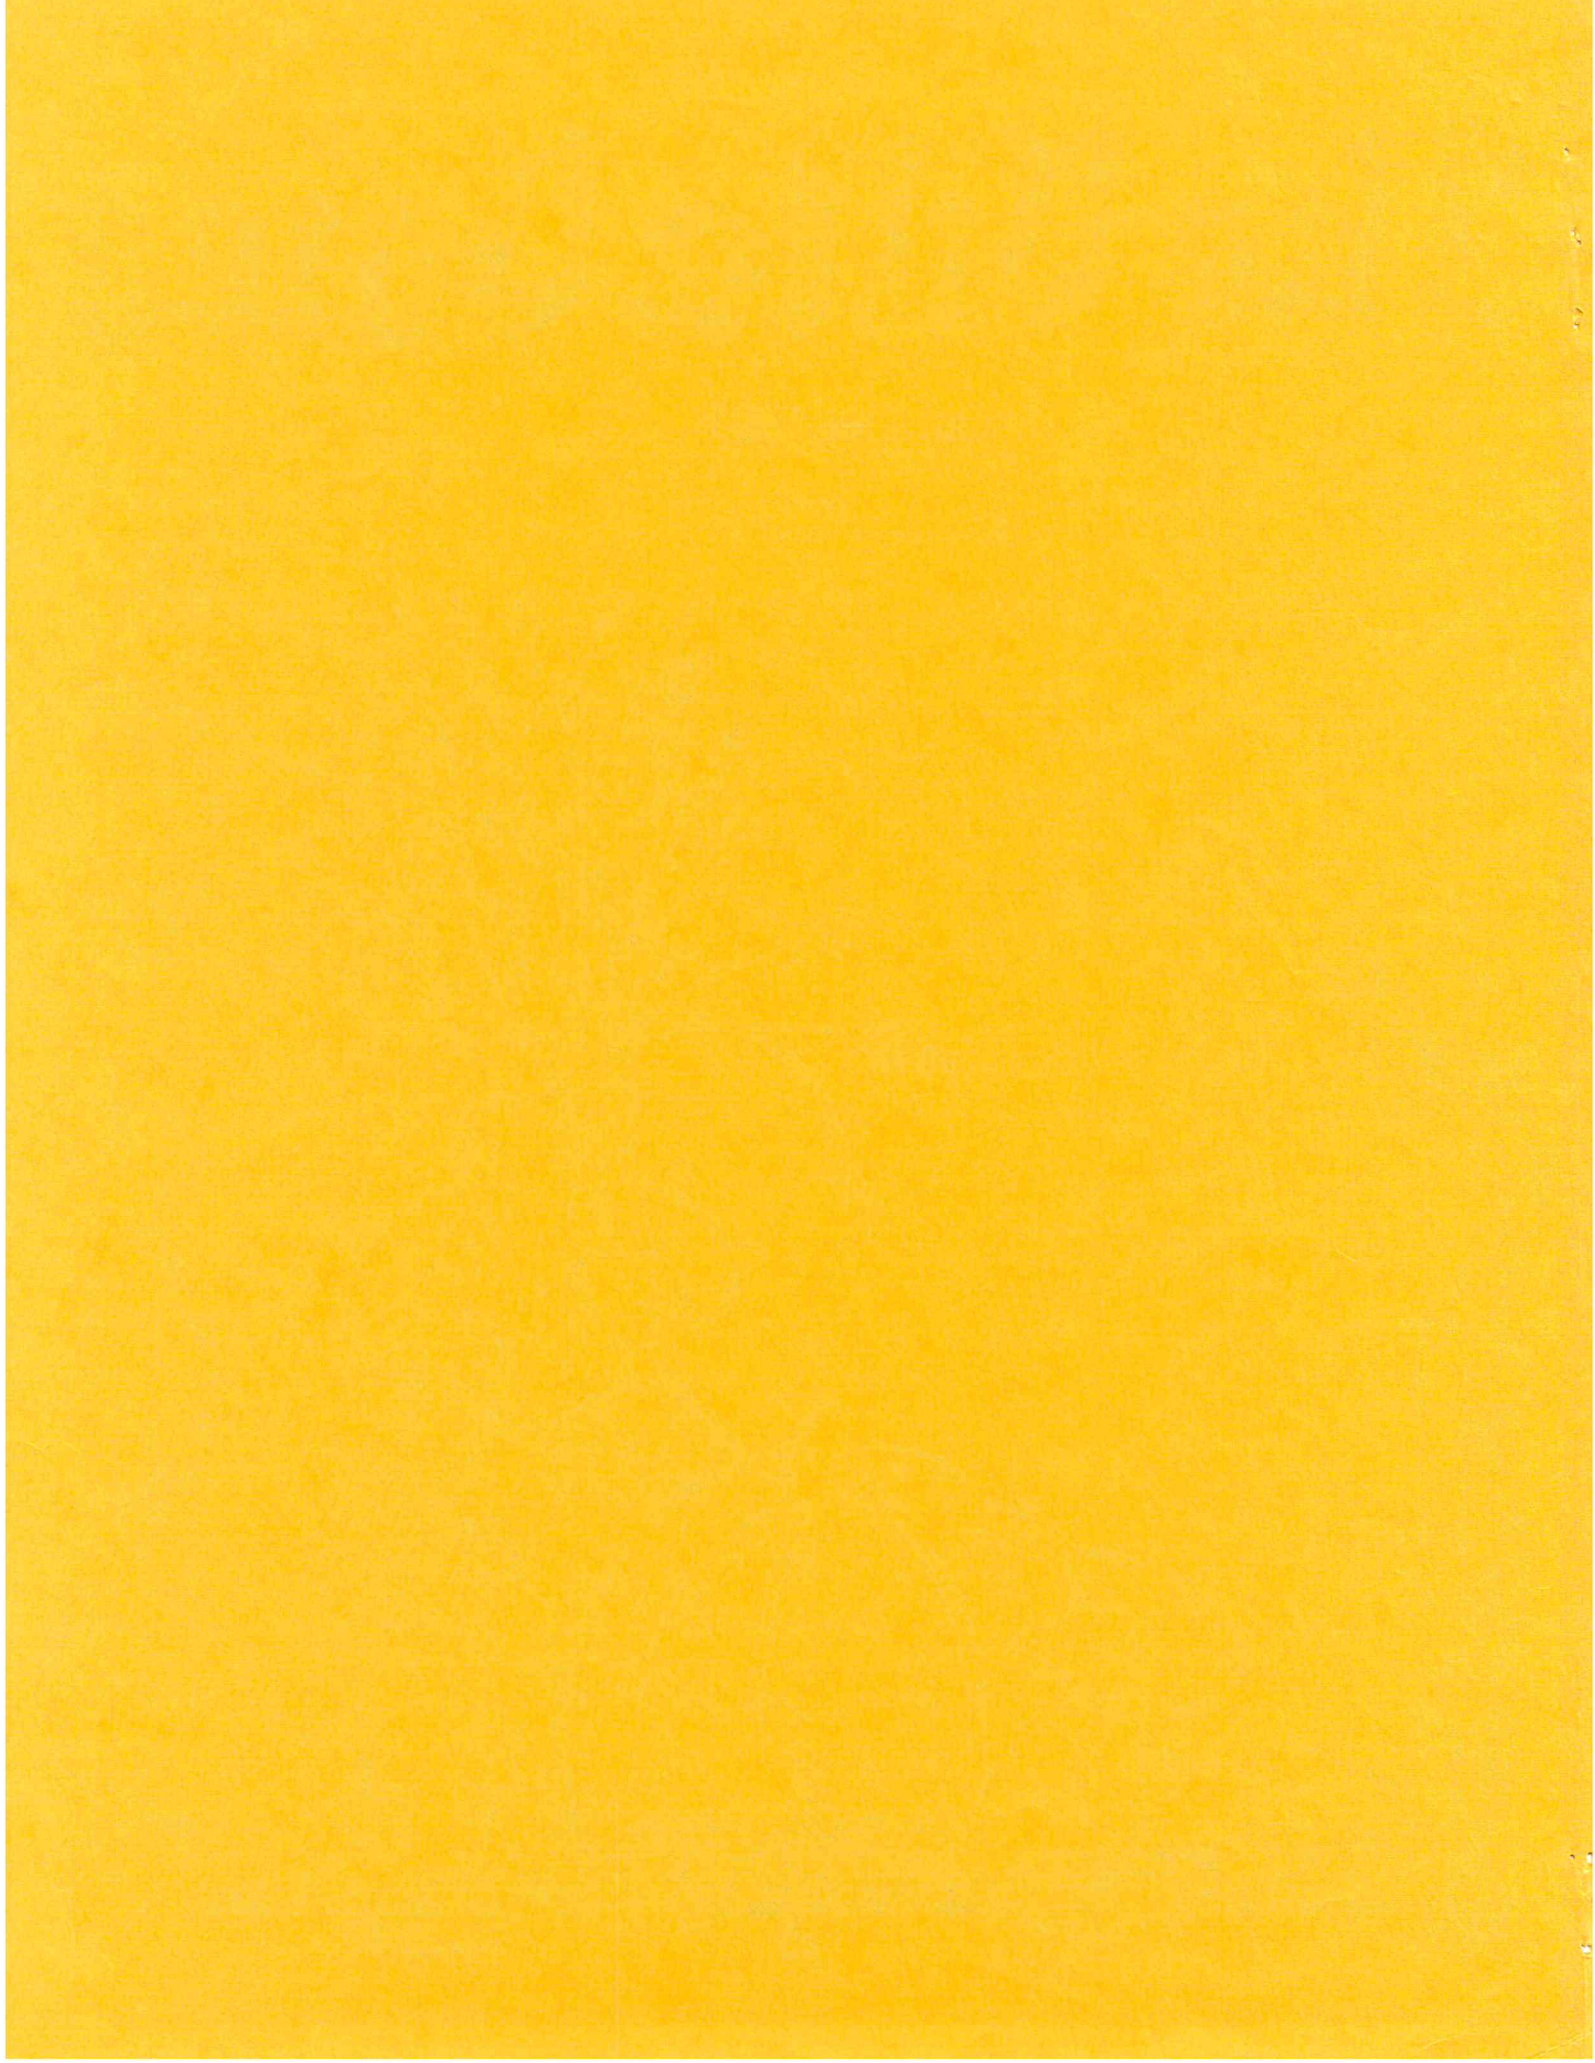

The date to circle, naturally is THURSDAY, OCTOBER 31st. Our special Halloween dinner will begin at 5:00 P.M. to be followed by the magical part of our evening entertainment by once again welcoming Billy Kaye and his extraordinary, fabulous group.

It promises to be a "howling" and "uproarious" funtime. So get into the spirit of it and get together that "something special" costume to add to the festivities

Tickets will be available for this event in the office. Place your reservations early. This great evening has always been a sellout.

"SEE YOU BEHIND THE MASK FOR HALLOWEEN - I'LL BE WEARING ONE!! HOW ABOUT YOU!!!!!!!"
