A LETTER FROM THE SIGHT CENTER

A wonderful letter was received by Mr. John Gallagher, a resident of the Villa Serena, from the Sight Center expressing their thanks and appreciation for the bag of eyeglasses which were donated to them from so many of you at the Villa Serena.

The Society uses some of the frames to fill prescriptions for clients of the Society for the Blind, and for distribution to the Cleveland House of Correction.

The Society also salvages gold frames as an added source of income and in this manner helps the agency in providing glasses, eye examinations and artificial eyes for persons with visual problems.

Mr. Gallagher has been working with the Sight Center for many years and we sincerely thank all who contributed to this worthy cause. Let's keep on!!

INFLATION - INFLATION - INFLATION!

One has only to read the daily newspapers to understand that inflation is growing at the rate of 1½% per month or 18% per year. Shopping at the super markets has become more and more frustrating as we realize that \$20.00 worth of purchases result in a very small bag of groceries.

The Villa Serena dining room is no different. Food prices for us have also escalated to the point that each week we are unaware of what the cost of each item will be.

Were it not for the graciousness of the ladies (and men on many occasions) who volunteer their services to help in our dining room, there would be an additional factor for the cost of help to be added to our meals. Very fortunately, we do have to worry about this.

However, we have not been able to live within our budget when it comes to the actual cost of food served. Therefore, we must sadly announce that effective with our first meal on September 14, 1979, all regular meals will not cost \$3.00 per person.

We have determined that we will not sacrifice the quality nor the quantity of our food. Our fine meals have become a known tradition.

We urge all those who have participated in our weekly dinners to understand that this is the first increase in several years. A decision which was made only after much consideration.

We need the cooperation of every one if we are to continue meals in our dining room.

"Never laugh at a fat man, he is only a little boy gone to waist"

"Worry is like a rocking chair, it keeps you busy but it doesn't go anywhere"

OK gang, it's time to get up off your--pretty colored patio chairs and start the new season off right. I'll grant that there are 21 more days of summer, but before you know it there'll be 40 days till Halloween and your costumes and your tricks and treats won't be ready. Maybe 75 days, give or take a few, till our all important main event of the year--November Boutique.

We can't start doing all the things that have to be done a week before; then there's that turkey to be stuffed too, and ourselves"to be stuffed" at our annual Thanksgiving dinner together. Before you know it, it'll be time for that jolly old gent in the bright red suit to put in an appearance. Dinners and dances and movies and classes to attend-who can say that they're bored.

Now that you've caught your breath, sit back down and enjoy subtle, sweet colorful September. Hazy days and a harvest moon at night, that brings back beautiful memories and can still make so many beautiful memories too, that we can enjoy when we're "old and gray", now we're just gray. Don't forget an "apple for the teacher" when you return to our wonderful classes and maybe just maybe if you're attending for the first time you'd better take "two". May the One that hangs out that moon and sets that twinkling stars in place each night, shine down peace and love, good luck and good fellowship and all that is good on our Villa as we commence another busy season.

--Eileen Bentler--

DANCERCISE CLASSES WILL OFFICIALLY BEGIN IN THE MONTH OF OCTOBER

Only two and one-half months left to get done all that we and you hope to accomplish in an all out effort to make this year a really outstanding success.

This is our only "monetary" project of the entire year, all of you benefit from the results of this sale and it should be the responsibility of each "resident" and "member" to be a committee of one to see that our combined efforts prove a huge success.

HOW CAN YOU HELP!!! - START RIGHT NOW!!

Join all of classes whatever they may be, they need your willing hands and efforts - if you cannot do this, plan and start to make some things on your own to donate to our Boutique - those of you who can bake, start planning ahead for your contributions to our Bake Sale, this always proves to be very popular and it seems there is never enough bakery to go around.

You will have a real sense of pride on the day of our Boutique when our doors are opened and you see the beauty of the finished items being offered for sale and know that you each had a hand in putting it all together.

The Villa Serena needs your help this year more than ever, so let's all pull together and have the most successful "BOUTIQUE" ever held.

LAST ROUNDUP OF SUMMER

The "last roundup" of our summer activities was held on Wednesday, August 8th at the Villa Serena "home on the range" where many "galloping broncos" and gals enjoyed a heart steak dinner plus!! followed by a birthday-anniversary party. "Whoopee", was there action in the old corral!! The "stampede" was on!

It was surely a "humdinger" of a celebration with our favorites Ed and Gilda Cifani and Wally Scaffidi entertaining us with their singing and catchy beat beat of their dance music! A bit of the western flair could be seen here and there which added to the mood of the day.

A "hot" time was had by all in more ways than one, especially those who were dancing. The heat surely didn't bother them!!. Others enjoyed lounging on our patio and listening to the lovely music of this great threesome! Really a celebration to be remembered! We'll be seeing you in the Fall, all "rarin" to go! "Grr-Grr".

OUR EVENING PRIMROSES

Those of us who have daily watched the beauty of our Evening Primroses coming to life everynight and fading away every morning to make way for the new, surrounding our lovely Patio, will certainly appreciate the meaning of the following well written tribute to the Evening Primrose which was recently printed in the last issue of Modern Maturity Magazine. We reprint the same here for those who may not have seen the original.

"How far from hate you are, Queen of the Night.
You speak to us of Love beyond all crime and fault.

We watch as you unfold first one stage, then another;
Lemon-scent, yellow, fragile, short-lived, visible in the night.

Your Mover knows no end to the beauty He imparts.

In time, we sense a splendid joy, deep within our hearts.
We watch amazed, breathless, eager to smell,
Anxious to tell, all that we feel, as we share in the twilight air, your brief and beguiling ballet.

MAYFIELD HTS. SCHOOL VOLUNTEERS

September is back to school month for so many of our youngsters. At the Villa Serena is will be no different because we have our Mayfield Heights School Volunteer Program which will be going back into action after its summer slumber.

Those of you who have participated in the past know very well the excitement of creating so many projects which will be of help to our teachers as well as our youngsters in school.

Our first class will be in session beginning, Monday, September 17th at 7:30 P.M. "Many hands produce more", so how about coming! You'd be surprised how much we ourselves can "re-learn" from our school days of not so long ago.

HIGH HOLY DAYS

Friday, September 21st, at sundown is the beginning of the Jewish high holy days, ending with Yom Kippur the most solemn day of the year on October 1st.

On this day God is asked to forgive the past sins against family and friends and to be inscribed in the Book of Life for another year of good health and peace.

The Shofar is sounded to remind everyone of the passing of one year and the arrival of another. It reminds that life has its moments of joy and moments of bittersweet.

We of the Villa Serena wish every one of our Jewish friends a very blessed holiday with a prayer that God inscribe you in the Book of Life for another year of good health and peace of mind.

SERGIO FRANCHI SHOW

DID YOU HEAR THAT:

S. Clinton Cro was soloist as part of the services in Wellington, Ohio recently in honor of St. John's Day, a Scottish celebration observed by Masonic Lodge #127. Mr. Cro has also been doing solo work at many churches in our community as well as at the Villa Serena.

Did you ever hear him sing???

DID YOU HEAR THAT:

Ida Caruso is back from her exciting trip to Italy. She was away for three months. Telling lovely stories about her experiences and good times. But the bottom line is that "its good to be back home". I'll drink some "vino" to that!!!!

DID YOU HEAR THAT:

Mayor Ross DeJohn was kind enough to provide the transportation to deliver the lovely tables which Bill Pace made for us?? - Thanks, Mayor, may be if you are real nice, we'll let you come over to play cards with our men

"In any organization, those who do the most, feel their hackles rise at those content to coast, but quick to criticize!!!!"

MY HAND IN GOD'S

Each morning when I wake, I say
"I place my hand in God's today."
I know He'll walk close to my side
My every wandering step to guide.

He leads me with the gentlest care
When paths are dark and I despair.
No need for me to understand
If I but hold fast to His hand.

My hand in His, no surer way
To walk in safety through the day.
By His great bounty I am fed,
Warmed by His love- and comforted.

When at day's end I seek my rest
and Realize how much I'm blest,
My thanks go out to Him - and then
I place my hand in God's again.

SINGING ALONG WITH SAMMY

Our "scintallating" Sammy Berk,
the "old smoothy" of the piano
will be back with us again on
Friday, September 14th, 7:30 P.M.
for one of our favorite sing-a-
longs.

Whether you sing or not come on
in and enjoy the evening. Sammy
will treat us to some piano favor-
ites as only he can play them as
well as "try to keep with us" as
we sing the songs we all love.

Let's fill the Red Room to capacity
for this really special one marking
the beginning of our fall program
of activities.

Bring your neighbor with you.
They may be new in our midst or
never been to a sing-a-long before
and don't know what they are missing.

See you at the "Sing-a-Long".

GOOD "OL DAYS" DINNER

Seems as though September has crept
around and is suddenly upon us, long
before we wanted it to - you might say
that we haven't had enough summer yet.
Unfortunately, we can't hold back
"father time", so we may as well
admit that September is really here.

In this very auspicious month, it
has become a tradition to go back
in time and celebrate the fall season
with one of our special "good ol days"
dinner of "finger'lickin' chicken"
for the unheard of price these days
of \$1.99. Sounds unbelievable????
Well come on over to the Villa Serena,
and you can see for yourself.

After dinner we will celebrate all of
our September birthdays and anniver-
saries with a lovely program of enter-
tainment which every one will enjoy.

All of this eating and good times will
take place on Wednesday, September 5th
starting with dinner at 5:00 P.M.

Dinner tickets are available in the
office. If you want to be sure
you don't miss out on this rare treat,
buy your dinner ticket right away.

QUESTION OF THE MONTH

Luke had it before
Paul had it behind
Matthew never had it all
All girls have it once
Boys cannot have it
Old Mrs. Mulligan had it twice in
succession
Dr. Lowell had it before and behind
He has it twice as much behind as before
Can you guess what the answer
is, smarties??

Answer will be printed in next issue
of Villa Voice...
Try your luck.

We are pleased to announce that classes will officially begin the week of September 10, 1979. We'll welcome back our "OLD" teachers, Lawrence Blazey, Jean Daniels, Gretchen Grimm, Joseph Kall, Sally Kinney, Vivian Karash, Phyllis Milbrodt, all at their same dedicated stations and all
