UP AND DOWN THE HALLWAYS

Say, have you seen those very "spiffy" pictures of our last Cookout that were taken by our own Felix Pawloski. He is quite a photographer. Thanks for making us all look so good, Felix.

\* \* \* \* \*

Dorothy Jacobs is back home after 2 weeks of sitting on the banks of Lake Erie up at the "Islands". Nice to have you back home, Dorothy.

\* \* \* \* \*

We are sending our get well wishes to Vera DiCarlo, Mike Volino, Doris Robertson, Joseph Bernatt and Loretta Killion.

\* \* \* \* \*

Our sympathy to Walter Nye in the loss of his grandson, Kenneth at the age of 30 years.

\* \* \* \* \*

Our sympathy to the family of Anne Skigen who was a resident of the Villa Serena for many years.

\* \* \* \* \*

We would like to take this opportunity to thank our wonderful Bingo callers who three times a week give of their time to see that those of us who enjoy playing Bingo are able to do so.

They have not had a vacation during the summer and in spite of the heat they have been there night after night courteously and devotedly serving us.

Of course, we are well aware of the fact that they would not have jobs if it were not for the many dedicated people who just "love" to play Bingo.

So we thank you all, ! ! ! ! !  
those who call ! ! ! ! !  
and those who play ! ! ! ! !

There is one thing that we all know.

BINGO WILL NEVER BE A "LOST ART"

\* \* \* \* \*

Lest we all forget, how about stopping in the library from time to time, get a book to read and catch up on what you have missed by not reading through the summer.

And even though you may not get a book from the library, how about stopping in just to say a word of "thanks" to our very loyal and hard working library volunteers.

They deserve some real nice words of praise from us!!!!

DEVOTIONAL HOUR SCHEDULE

Our ministers are still on vacations as we go to press with our September issue, so that it has not been possible to set forth an actual schedule of who our ministers will be each week.

But rest assured that Church Inspiration Services will commence once again on Thursday September 15th at 10:00 A.M. and every Thursday thereafter just as in the past.

How about coming to the Services and welcome our dedicated ministers back again.

BOCCI BALL TOURNAMENT

The Bocci Ball Tournaments for the Ladies and Men which took place this summer have come to an end with all participants having had a good time.

Here's a little ditty to our Bocci Players:

"Time for Bocci Ball once more,  
The teams really tried to score;

This year more spectators came,  
Cheered the teams to winning games;

The season is short, but oh, so  
sweet,  
The Party at the end makes participating a treat."

LET ME GIVE

I do not know how long I'll live  
But while I live, Lord, let me give

Some comfort to someone in need  
By smile or nod-kind word or deed

And let me do what e'er I can  
To ease things for my fellow man.

I want naught but to do my part  
To "lift" a tired or weary heart

To change folks frowns to smiles  
again

Then I will not have lived in vain

And I'll not care how long I'll live  
If I can give-and give - and give.

LIGHT AND LIVELY

By: Eileen Bentler

During a grammar lesson the teacher wrote on the black-board, "I didn't have no fun at the seashore." Then she turned to the class and asked "How I should correct this?" One kid hollered, "Get a boyfriend."

For more than a year a man had eaten in a small restaurant whose sign read "Mary's Home Cooking." But never once had he seen Mary. Finally he pulled a waitress aside and said, "I've been eating lunch here for a long time, and Mary is never around, "Where is she?" "Just where the sign says," came the reply, "Home Cooking."

In high esteem for her homemade

Today, instead of bread she's

We treasure her for the dough

Three men with different occupations were viewing the Grand Canyon. The archeologist said, "What a wonder of science!" The clergyman said, "One of the glories of God!" The cowboy said, "A hell of a place to lose a cow!"

Two deacons were having a social drink at a bar when they saw their preacher go by. One of them became very upset. "I surely hope he didn't see us," he said. "What difference does it make?" his friend replied, "God knows we're in here." "I know" said the first deacon, "but God won't tell my wife."

An alarmed motorist stopped beside an overturned small sports car. "Anyone hurt in the accident?" he inquired. "There wasn't any accident" replied a young man calmly, "I'm changing a tire."

BOUTIQUE TIME

There is not much we can say about our Boutique that has not already been said in the past years. It is a well known fact that the Villa Serena Boutique is the only "monetary project" of the entire year, when we all work very hard in raising money to help in maintaining the operation of the Villa Serena Senior Citizens Center. The Boutique has become our pride and joy because of the magnificent creations which are made by our "nimble fingered" Boutique workers and the dedicated work that goes into the making of every item we offer for sale.

Now we are coming into the "home stretch" when many more "nimble fingers" and "devoted workers" are needed so that when "Boutique 1983" arrives we will be ready .

If you have never participated in the preparation of items that are made, how about doing something about it right now and begin to come down to the Boutique classes when we get into full swing in September.

The day of our Boutique will be on November 12th. The date is just around the corner. We could use your help in so many ways. SO HOW ABOUT GIVING US A HAND! ! ! ! !

IT'S SEPTEMBER

O'K gang, it's time to get up off your----pretty colored patio chairs and start the new season off right. I'll grant that there are 21 more days of summer, but before you know it, there'll be 40 days till Halloween and your costumes and your tricks and treats won't be ready. Maybe 75 days give or take a few till our "all important main event of the year---- the November Boutique.

We can't start doing all the things that have to be done a week before: so get out the needles and thread, the paints and the yarn and better yet, come to class and answer our call for--"Help": Then there's that turkey to be stuffed too, and ourselves "to be stuffed" at our annual Thanksgiving dinner together. Before you know it, it'll be time for that jolly old gent in the bright red suit to put in an appearance. Dinners and dances and movies and classes, who can say that they're bored.

Now that you've caught your breath, sit back down and enjoy subtle, sweet colorful September. Hazy days and a big yellow harvest moon at night, that brings back beautiful memories and can still make so many beautiful memories too, that we can enjoy when we're "old and gray", now we're just gray. Don't forget an "apple for the teacher" when you return to our wonderful classes and maybe, just maybe if you're attending for the first time, you'd better take two. May the One who flips the switch on the sun in the morning, hands out that moon and sets the twinkling stars in place each night, shine down peace and love, good luck and good fellowship and all that is good on our Villa as we commence another busy season.

--Eileen Bentler--

HIGH HOLY DAYS

As we begin the Jewish new year with the sounding of the Shofar, we start the ten days of penitance ending with the holiest of the holy days, Yom Kippur.

The people of the Jewish faith are instructed by their Rabbis to begin a period of cleansing with the rendering of their garments and the spiritual cleansing of the sould. Jews are admonished to ask forgiveness of those they have wronged in the past year. They are told that to be inscribed in the Book of Life for the year ahead, they must be worthy of such a gift from God.

As the sun sets on the past year and the new year is about to begin it is hoped by all that peace will once again return to the land from which all religions began. That from this beginning will come peace to all mankind.

We wish all our Jewish friends a very happy and healthy new year.

KEEPING ABREAST OF THE TIMES

When we say "keeping abreast of the times" we can think of none other than our own Professor Joe Kall and his wonderful informative, "thought-provoking" lectures. His first lecture of the season will be Thursday, September 15th at 3:45 p.m. There will be an evening lecture on September 28th also.

Lets all welcome Professor Kall back for the new season.

OUR TRAVELOGS RETURN

When you think of travelogs, you can only remember one person, Josephine Rosser, with her charm and super "arm chair" trips all over the world.

Well, she is coming back again and we urge all of you to turn out in numbers to welcome her back for her delightful travel talks.

Mark your calendars for Wednesday, September 14th at 7:30 P.M. Then make sure you are with us to enjoy a fabulous trip to Austria, "City of Song".

You won't be sorry you took the trip with us - and as we have said many times before "it will not have cost you a single penny".

See you in Austria!!!!!!!!!!

TALENT NIGHT AT VILLA SERENA

On Friday, September 23rd beginning at 7:00 P.M. we will have our own spectacular "Villa Serena Talent Show" We have gathered together some of the best talents possible among our staff, residents and members and can truly say that this is going to be a "don't miss" night at the Villa.

Come and applaud your friends and show them that the talent we have in our midst is just as great as any talent in the "whole world" - WELL --- in the "State of Ohio" -WELL--- in the City of Cleveland,--WELL--- at the Villa Serena at least!!!!!!

Come and have some "homespun" fun with us. We guarantee you will love the program we have planned, and really cheer our performers!!!!!!

\* \* \* \* \*

STARTING A NEW SEASON

Well, it looks like all too soon we are going to get back into the swing of the coming Fall Season and the passing of summer (where or where did it go)!!!!!!.

Lets not get depressed because at the Villa Serena it signals the beginning of classes, so much to learn, keeping abreast of the times by attending our lectures, those keep our minds active. For the physical enthusiasts, there is Dancercise, bowling and the dances we will have during the coming months.

For those who do not like "physical" exercise, there is the ever popular Bingo nights and Card Parties.

And, naturally, what would be the Villa Serena be like without our ever luscious and tasty dinners. They will begin with our first dinner of the season on Friday, September 9th followed by an evening of fine entertainment, (top notch as always) and the observance of the beautiful people who were born in September and who are celebrating their anniversaries. Come and celebrate your birthday or anniversary with us on the 9th.

Also why don't you let us know what you would like in the way of entertainment at the Villa, and we will surely endeavor to make you happy.

As we have said before, the days may be getting shorter outside, but inside the Villa Serena, they are going to be "warm and bright" for a long time to come.
