A LITTLE ROCK

I wish I was a little rock
A-sittin' on a hill,
A-doin' nothing all day long
But just a-sittin' still.
I wouldn't eat, I wouldn't drink,
I wouldn't even wash.
I'd sit 'n' sit a thousand years
And rest myself, by gosh!

NEEDLEWORK CLASS

Summer has come and gone and we all know that means the Boutique is just around the corner. Our needlework class meets on Monday from 1:00 to 4:00 P.M. and we can use more nimble fingers. This is one way we can all help the Villa Serena and gain satisfaction by doing it.

Knitting, crocheting, crosstitch, candlewicking and needlepoint are all things offered in our class and we will assist you with anything you are doing. I look forward to seeing you all Monday, September 9th, at 1:00 P.M.

Phyllis Milbrodt

TO OUR JEWISH FRIENDS

Once again the sounds of the Shofar will herald the arrival of the new year for those of the Jewish Faith.

The Shofar signals us to rise from our sleep and stand up and be counted. How nice it is indeed that at the Villa Serena, peoples of all faiths live together in harmony.

Each person, no matter what his faith, has an obligation to stand up and become part of the American Heritage without losing his identity or his roots.

We do remember on these holy days that another year has passed and we can say, "may the old year and its troubles fade away", but let us pray that the new year will be one of our very best years.

To each of our friends of the Jewish Faith, we extend wishes for a year of good health, long life and peace.

BOCCI AND HORSESHOE

The bocci/horseshoe season has ended and the party is over. We had a large number of people-- about 25 to 30 including players and spectators. The cheering section was the loudest ever!

The group met on Friday evenings and all enjoyed the competition. And it did get a bit hot at times especially when the guys and the gals had a playoff to find out who were the better players. The gals congratulate the guys who won but only by a few points. So you see it was pretty evenly matched.

Possibly next year we will extend the season so more people can participate. See you then.

PICNIC

Our annual picnic was held on Wednesday, August 14th, a sunny, hot day at the Villa Serena. Tables with red covers were set up on the patio and scattered around the grounds. Truly a picnic atmosphere. Everyone furnished his or her own lunch...and Kenny King chicken boxes were seen all around. Coffee and pop were furnished by the Villa Serena.

After a leisurely lunch, the patio was filled with happy relaxed people. A few hardy souls followed Mary Calogero and Mr. Chesler's advice and participated in games such as "passing the string" and throwing eggs and water filled balloons. A bit messy but this was a picnic! The audience heartily cheered for the winning team.

The theme of the afternoon was good food...fun...friendliness. Everyone is looking forward to next year.

On Thursday, August 22nd, 33 of us went to the AM Cleveland show at Channel 3. It was very interesting to see just how a show is put together. And it was live, not taped. It is surprising to see how everything dovetails and no hitches.

Julia Balasz won a door prize. She received two tickets to the Tina Turner concert and two albums.

When we returned to the Villa, several people told us they saw us on TV. Just wish we could have seen ourselves.

Join us the next time we go.

1985-1986 SEASON

The 1985-1986 season of classes and activities will begin on Monday, September 9th. We will have our usual classes and most of them at the same time as before.

We have classes to please just about everyone so do hope you will check the calendar page and decide just which class you would like to attend.

Maybe you could try your hand at ceramics or painting. Or maybe needlework of some form is your wish. There will also be a dancercise class so you can lose those pounds you may have added during the summer. And don't forget bridge.

There will also be a travelogue once a month and Prof. Kall will talk on current events. So you can see there definitely is something for everyone. Do hope to see you at one or more of the classes.

BOWLING NEWS

Now that the summer sports-- bocci and horseshoes are over we can get ready for bowling. Bowling starts Monday, September 9th at 1:00 P.M. at Eastgate Coliseum.

In the meantime, those of you who would like to become members please call me at 442-3928. Glad to sign you up.

Secy., Bill Pace

CARD PARTY

Another very popular evening at the Villa is an evening of cards. We aim to please everyone so on Friday, September 20th we will have our first card party of the season. Dinner at 5:00 P.M. and cards immediately after dinner. I know many of you can't wait to get started! The cost is a mere 50¢ per person for the card party and you may win some great door prizes. Somebody has to win and it may as well be you.

We will serve dessert during intermission. What a deal -- an evening of cards for only 50¢. See you on Friday, September 20th.

BOUTIQUE

Our annual boutique will be in November. This is our one big money-maker so mark your calendar now and start spreading the word.

We have many, many handmade items for sale as well as homemade baked goods. Several people have been working all summer in preparation for the boutique.

And did you know that we also have drawings for numerous prizes? Check the calendar for October and definitely plan on attending. This is too good to miss!

Be sure to check the October issue of the Villa Voice because we will have a full page spread telling you all about the upcoming boutique in November.

HOW PROUD WE ARE

Eighteen years ago when the Villa Serena first opened its doors, Barbara Chesler, daughter of Mr. and Mrs. Howard Chesler, was a mere 10 years old and she always appeared on the scene, helping clean tables, serving and other little duties of this nature.

Since then, Barbara graduated from Cleveland Heights High, then on to Indiana University and subsequently receiving a Master's at Iowa University.

For the past five years, Barbara has served as an assistant and associate director of athletics at Manhattanville College in Purchase, New York.

On August 1st, 1985, Yale University announced the appointment of Barbara as Associate Director of Athletics. This prestigious position has catapulted Barbara into the big league of college athletics throughout the entire country.

She has the distinction of being the "youngest" at age 29 and also the "first woman" to ever hold this position.

It is with singular delight that those of us who have known Barbara and seen her develop over the years, congratulate her and her family in the joy that we all share in knowing that at one time Barbara left her footprints at the Villa Serena.

Mary Calogero

RESIDENT COOKOUT

Paper streamers waved merrily in the warm, summer breeze on Tuesday, July 30th, as the residents filled all of the patio chairs and some in the lounge waiting impatiently for our annual dinner. As Mr. Chesler called diners by birth month, everyone waited eagerly to hear their month called.

Everyone had prepared a special delicacy of his or her own choosing. Salads of all descriptions, casseroles too, appeared in view as one surveyed the tables on the patio. Such a variety of tasty food! Plump, delicious hot dogs and tender grilled hamburgers were furnished by the Villa Serena and the cooking was done by Frank Shaw and Mr. Chesler. Great chefs, men! We will keep you in mind for next year.

Filled plates were taken to the dining room where our waitresses poured coffee or pop. Plates of assorted cookies and cakes were on each table. Slices of cold watermelon topped off the meal. All agreed we have many gourmet chefs in our building. Thanks to everyone for making the day a huge success.
