Here's what's going on...

On Friday, September 6th, at 3:30 we will have communion services and all are welcome to attend. A minister from St. Francis will preside.

COMMUNION SERVICES

Some people measure their lives in pulse rates and sit-ups. Far better to measure yours in licks of ice cream, well-told jokes, mad dashes to be first in the water, belly laughs. And, when you die, it won't be an erratic shift in your heart-rate, it will be an overdose of mirth, fun poisoning, death by laughter.

Two deacons were having a social drink at a bar when they saw their preacher go by. One of them became very upset. "I surely hope he didn't see us," he said. "What difference does it make?" his friend replied, "God knows we're in here." "I know said the first deacon, "but God won't tell my wife I'm in here."

TO YOUR HEALTH (cont'd)

No other facility offers the kind of exercise program that is taught by Susan D'Amore.

Let's all come in and welcome her to the Villa Serena.

This class will be held every Wednesday at 1:30 P.M. Within the next several weeks, we will add line dancing and other health activities that we know will continue to keep you "fit as a fiddle" and "rarin to go"

Join us on the 11th and we promise we'll keep you "lookin' younger", well, maybe a little younger.

TO YOUR HEALTH!!!

With the coming of the Fall season, it is time to get out of your patio chairs, take stock of the added weight you have put on after all the summer get togethers, picnics, and family parties, take a good look in the mirror and remember that you need to take advantage of our exercise activities.

Villa Serena is announcing that our 1996-97 coming year of activities will be focusing on more activities that stimulate the mind and will activate your body.

With more and more studies showing that the "life span" of Americans is increasing, good health and exercise is something each one of us can do something about.

We urge you to put on your leotards, or your sweat suit and join us in the Red Room beginning WEDNESDAY, SEPTEMBER 11th at 1:30 P.M. when we will welcome our new health instructor, SUSAN D'AMORE.

Susan has been associated with Fitness programs since 1981. She is certified as a personal trainer and fitness instructor.

You are welcome to participate or if you choose to merely come in and watch at first. You will benefit as your mind and body react with understanding that it is time to "Feel Young" again.

We wish every one of our Jewish friends a very blessed holiday with a prayer that God inscribe you in the Book of Life for another year of good health and peace of mind and happiness.

Rosh Hoshana will be celebrated this year beginning on the eve of September 13th and ending with the most solemn day of the year on September 23rd which is Yom Kippur.

September has once again rolled around much sooner than we would like, and it is a special month for our many dear friends of the Jewish faith. It is a time for renewing our faith and beginning of a new year.

SEPTEMBER IS HERE!!!

We have welcomed many new faces this past year both at the Villa Serena and in our added membership. Therefore, they all would welcome a smile and a "hello and glad to see you", kind of greeting.

As we begin our social activities and dinners once again this year, we hope that those of you who have not availed yourselves of these lovely activities will come and participate.

Come to play cards, they are always much fun and of course we can't do without Bingo. Find some time to come to join Sally Kinney in the Sewing Class. You can create so many beautiful things and you may find you have a hidden talent. In Ceramics, you can also be very creative and have much fun.

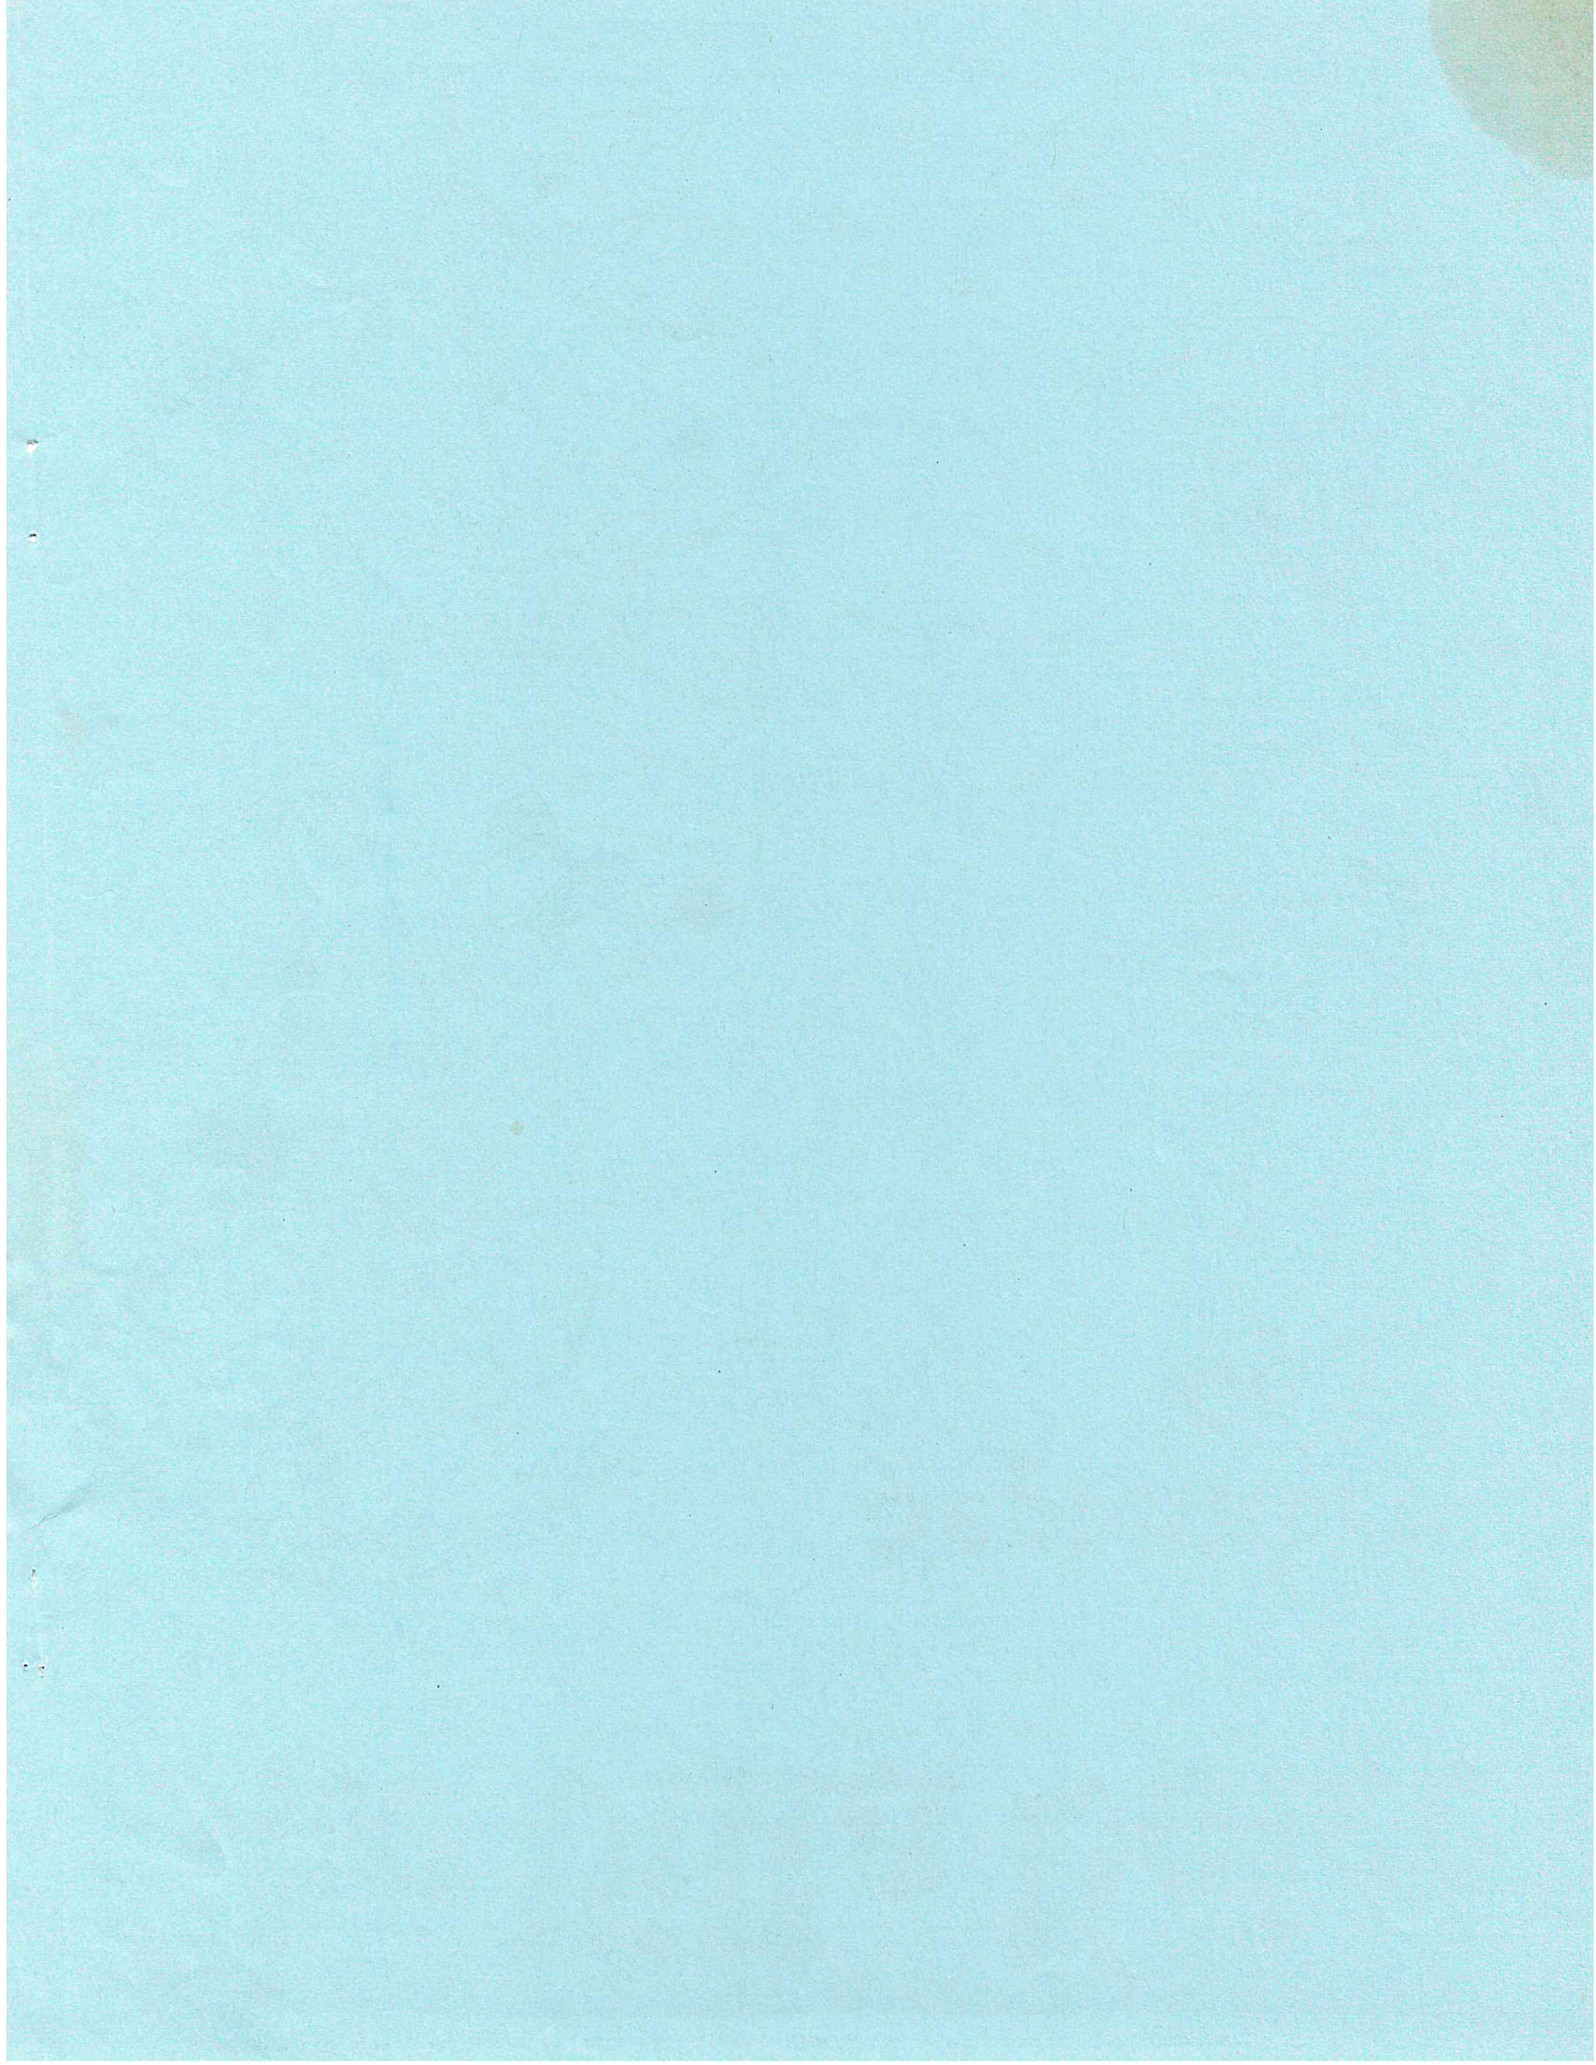

Our entertainment programs will continue to be of the very best and our dinners will also continue to be served in our traditional "first class" manner.

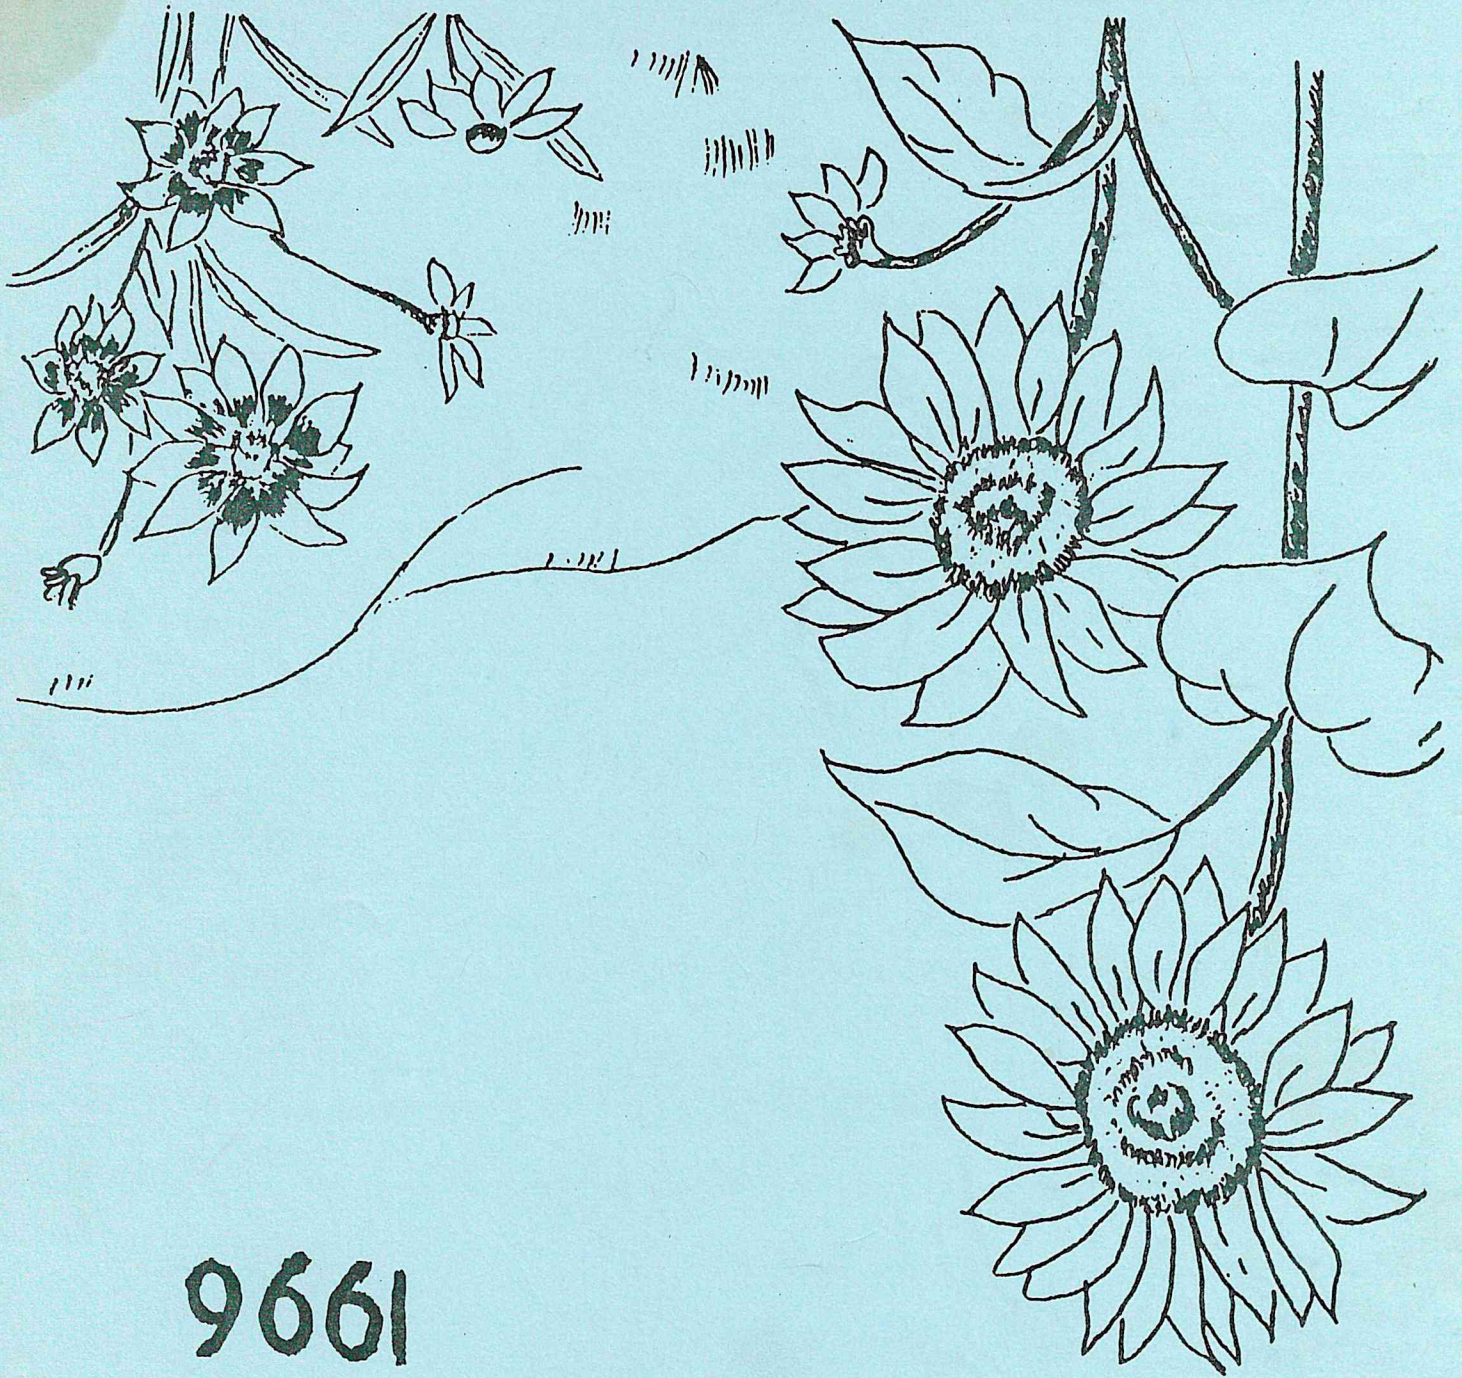

REMEMBER, "its never too late". Come and be a part of the fun and entertainment at the Villa Serena. We will always do our best to make you welcome and provide you with friendship and laughter.

* * * * *

Well, here at the Villa Serena it only means we will once again see our dear friends we have not seen during the summer lull and that is always something nice to think about.
