SHOWCASE CLASS

I know you don't think this class is doing much since there isn't much in the showcase - believe me, we are busily working but our hands are few. And you, dear ones, are such good customers ...well, what's a teacher to do? Right now we are working on orders for our "stealth" dolls - er, I mean, "Christening" dolls. Well, I call them "stealth" dolls because everybody talks about them but no one ever sees one in the showcase. This batch brings our total number of Christening dolls to 97 since we started making them in 1986. Her real name is "Sharon". Since 1977 we have made 120 other dolls and 117 clown dolls. And you thought

nothing has been happening!

Class will meet through the first half of June. Have a nice, not too warm summer and I will see you in September.

MOTHERS DAY CELEBRATION

A large crowd turned out for our wonderful dinner on Friday, May 10th. Flowers were given to 10 lucky ladies (whose tickets were chosen at random). Ten men volunteered to deliver them (with a kiss too)!!!

Our guests were the dynamic CARMELINA with Greg and Al on keyboards and guitar. They made an exceptional trio! They opened with an Italian folk song and we joined in the chorus with 'tra'la'la and hand clapping. Carmelina sang 'Mama' and 'O Sole Mio'. Several records made by Carmelina were given to mothers in the audience. 'Have Negala' was sung and danced with enthusiasm.

A Russian gypsy song was played and sung by Greg and Al. A standing ovation was given our entertainers.

The program closed with 'God Bless America'. A fantastic evening of beautiful, lively music!

EXERCISE CLASS ACTION

Our exercise class is taking a summer break during July and August. Even though we won't be meeting formally to exercise, I would like to encourage all of you to keep up the good work you've done all year by working on your own. Enjoy the wonderful weather and be active bywalking. Enjoy your family and friends by participating in many activities

together. Enjoy your yard by working in the garden. Enjoy your home or apartment by giving it a good cleaning. Enjoy each other by giving of yourself. Enjoy your body by keeping it moving.

Our class will resume after Labor Day. Can't wait to see you all there - bring a friend.

VILLA VOICES!

Thursday, May 9th, the Villa Serena Chorus made its debut at Finast Supermarket at Eastgate. Josephine Gisondo directed the singing.

Tony from Finast and Ginny Russell added to the program with their lively piano playing. Tony Seaman sang a solo 'La Paloma' in Italian, Hungarian and German. He was excellent!

The group was formed when Mary Calogero put a notice on the bulletin board. DO YOU LIKE TO SING? Response was amazing and enthusiastic. Mildred McCurdy and Harvey Sternberg demonstrated the 'Swing'. Several prizes were given out by Finast. We also had pastry and coffee. Somebody called the Villa Voices.

We really had fun. Our training by Mr. Chesler showed up today.

LOOKING FORWARD

Thinking about all the different times when summer is special, I came up with a few goodies.

Of course the warm breezes and lots of sunshine are always great. There are those who love the game of golf - or just taking a leisurely walk with a friend and stopping for ice cream or frozen yogurt would hit the spot.

I like the church festivals with all the music and dancing and wonderful choice of foods - the ever present hot dog, pasta with meatballs and a great favorite they call Elephant Ears. We used to call that fried bread dough. I make them but I never roll them thin enough. My grandchildren like it anyhow.

Another treat is the celebration of 'Home Days' sponsored by many municipalities. The commercial establishments offer corn on the cob, barbecued ribs and more, but I am getting hungry already.

A ride to Chagrin Falls to watch the falls and do some people-watching from those handy benches. Also, if you like baseball, it is fun to watch the young groups play, especially if one of them is a relative of yours.

A wonderful trip is a ride downtown to Tower City and to watch the Indians at the stadium. However, because my companion Arthur Itis talks to me quite often, I haven't attempted that trip. You

understand what I refer to, I know. But tell me something now, how come I can dance so much?

I wish happy times,

DINNER AND DANCE REPORT

On Thursday, April 25th, after our delicious dinner, we gathered in the Red/Blue room and lobby to listen to one of our favorite bands...Ed and Gilda Cifani!. They opened with 'April showers' then to dance time. Dancers overflowed to the 'annex' across the hall...our pool room.

Ed's accordion solo was 'Underworld Overture Magic Flute, with 'CanCan'. Marvelous! Back to more music and the program closed with our theme -- 'I'll See You In My Dreams'.

SEWING CLASS

Where has the year gone? I can't believe we are already getting ready for the summer recess. Don't you wish this beautiful weather could go on forever? Everyone in the Sewing Class is busily trying to finish up the outfit she started earlier this spring. We've discovered that sewing is a matter of patience and persistence - it may take a while but it gets finished eventually if we keep at it. My job is to keep everyone from getting discouraged - sort of like the coach. I will be here through the first half of June and then we will take a relaxing break until September. (Hopefully your summer will be more relaxed than mine - we have another wedding). Then it will be time to think about those fall fashions again.

DINNER/BINGO REPORT

Friday, May 17th, was a beautiful day and after our dinner we walked around our beautiful grounds or sat on the patio to relax.

By 6:30, we were again in our places with our carefully chosen BINGO cards, ready to start the game!

Six door prizes were given to lucky ticket holders.

The final fill-up game was called by Mr. Chesler. If the card was filled in 57 numbers, the winner would get \$200.00, but since no

one filled their card in 57 numbers, calling continued until an EXCITED guest filled her card and won \$40.00 as a consolation prize! What a treat!

Next time could be your chance. Why not try it?

HAVE YOU MET...

Inez and Michael DiCesare? Both are native Clevelanders. Inez was born in Little Italy. When she was two years old, the family moved to the Collinwood area. There she met Michael and they became high school sweethearts. Michael attended Miami University in Oxford, Ohio. In 1941, they were married and had two sons - Michael and Gary.

During the war, Michael was in the navy and based in the San Francisco area. Inez joined him there with the boys and after the war, they returned to Cleveland. Their daughter Lucille (Little Lulu) was born in Cleveland.

Michael became manager of Euclid Coal and Supply Company and later managed an Ohio Liquor store for many years.

The children are all graduates of Collinwood High.

Inez has been busy preparing an album and scrap book with pictures and clippings of Michael Sr's football and basketball days at Collinwood. Their sons were also active in sports. so Inez also has clippings of their activities.

Michael and Inez have traveled to Italy and enjoyed cruises to the Caribbean and Hawaii. Michael enjoys reading but the horse races are his special joy.

Inez is busy here with bingo and cards and the I.S.D.A. They are both into sports so watching games is no problem.

Their oldest son married his high school sweetheart. Like father - like son! Gary and Lucille are also married. There are now 10 grandchildren.

On June 14th, Inez and Michael will celebrate 50 years of marriage. It should be a gala event with all their beloved family. Congratulations to both of them.

CERAMICS CLASS NEWS

We are nearing the finish line for classes and the pasta bowls are still out front.

Jeannette is making a chicken scrubber holder. Marie will be taking home a corn husk scrubber holder and a tooth pick holder to match. Roz, Mary and Rose are fond of making figurines and they will be finishing those next week.

Jenny is thinking Christmas and her village will be well on the way by the time we break up for summer. Everyone who took ceramics this session is invited to my house on June 3rd. Hope to see you all there. I'll meet you at the Villa at 11:00 and you can follow me so we won't have any lost people.

It's been a great season!

INDEPENDENCE

In 1765 the Englishe Parliament passed the stamp act, whereby any official writing had to obtain a stamp. This was for a fee that went to the British government and was essentially a tax paid by the Americans with no benefits received. This complaint among others, led to the American Revolution.

In 1774, the 1st Continental congress of the American colonies met in Philadelphia. John Adams was one of the important members, representing Massachusetts. This Continental Congress and its decisions led to the formation of the United States of America. By the time the 2nd Continental Congress met one year later, most of the delegates had decided they should have independence from British rule and the Declaration of Independence was adopted July 4, 1776.

In the meantime, the Revolutionary War had begun and with John Adams influence was financed with the help of the French and Dutch. In 1783 - 9 years from the start, the Treaty of Paris was arranged and the United States was recognized as an independent nation.

With Desert Storm over and most of our troops back home, we come again to celebrate July 4, 1991.

God Bless the United States of America!

SUMMER BREAK WILL BE HERE

Yes, it is time to close up shop for the months of July and August, so that everyone can have a well deserved rest.

All activities are canceled until the first part of September. That is when the action begins again at the Villa Serena.

On behalf of our teachers, we want to thank you all for your support.

Also our kitchen "guys" and "gals" will be getting a well deserved rest during the months of July and August.

We hope you all have a healthy and happy summer and that we will see you again in September when we will be looking forward to greeting all of you again.

DINNER AND BIG BINGO COMING

Time again for an evening of
food and fun. We will have
the usual for big bingo -
three cards for \$5.00. Not
a bad price to pay for a
chance to win prizes and
possibly the BIG prize of
\$200 if you get a fill-up
in 57 numbers. Wouldn't
that be great if you were the
lucky one? Come on down and
try your luck. The date is
FRIDAY, JUNE 7th, with din-
ner at 5:00 and then on to
the games at 6:30.

INDEPENDENCE DAY CELEBRATION

The 4th of July is soon and
we invite all of you to at-
tend the Villa Serena Pre-
Holiday celebration on FRI-
DAY, JUNE 28th.

To start things off, we will
have dinner at 5:00 with your
choice of either Barbecued
Ribs or Baked Chicken. And,
of course, all of the trim-
mings. Sound like a good
holiday dinner? We think so.

For your enjoyment later, we
will have our usual fantastic
music for dancing, listening
or just plain toe-tapping.

What better way to celebrate
the 4th of July than with
dinner and entertainment at
the Villa Serena? Please
note the prices of the din-
ners. Get your tickets early,
is my advice.

See you on FRIDAY, JUNE 28th!
for great food and fun for
the holiday.
