NEW YEAR MESSAGE

Happy New Year to all. As one speaks these words we wonder if we really understand their total meaning. There is the message that the old year has just finished, that a new year is upon us. A question that comes to all our minds is where did the old year go and has it been a good year for each one of us. For those of our residents who have enjoyed the beauty, the warmth, and the friendship of the Villa Serena, 1977 should be a year full of many pleasant memories. It began with the preparation for the beginning of our second decade of existence, and it culminated with the serenity of our holiday season. We watched as the Villa Serena continued to mellow and grow sweeter with each passing day.

Of recent times years have been added to the lives of older people by reason of improved health, living conditions, and a higher standard of living. Now we must add "life" to those added years. It is our hope that each person who comes through the doors of the Villa Serena will be blessed with good health and will by their participation in our activities and by becoming more involved find that the new year will indeed be a blessed year, and hopefully with peace throughout the world all will have added peace to their hearts.

On behalf of the Board of Trustees, the entire staff of the Villa Serena, we wish each of you a very happy New Year.

-- Howard I. Chesler

NEW YEAR HOPE

The bells are ringing loud
and clear,
A New Year is born to bring
us cheer,
As upon the New Year tide
we sail,
May hope and peace again
prevail,
Hand in hand we will travel
along,
With love in our hearts and
singing a song.

Edith Madge
