## KITCHEN KORNER

### MEAT LOAF CASSEROLE

Butter insides and bottom of baking dish or casserole. Start with a layer of sliced raw potatoes, add a sparse layer of raw onion, next a layer of sliced cooked meatloaf, a layer of potatoes and a sparse layer of onion, a layer of meatloaf and finally a layer of potatoes (do not use cooked potatoes).

Over this pour approximately 1 1/2 to 2 cups of gravy mixed with about 1/2 cup milk.

Cover and bake in a 350 degree oven for one hour. A small or large casserole may be used depending on the number of servings desired. The amount of gravy and milk mixture may be determined by the number of servings and the size of baking dish used.

"Did you know a pinch of salt in the tomato soup before you add the milk will keep the soup from separating--mix cold and heat."

"If you poach your eggs in hot water, add a teaspoon of vinegar or lemon juice to the water and then stir briskly. Roll your eggs in from a cup and whites will cling to the yolks evenly."

"If you warm the knife when cutting cheese, it simplifies the work."

RADIATING GOOD CHEER

Good cheer is contagious. The man who radiates good cheer, who makes life happier wherever he meets it, is always a man of vision and faith. He sees the blossoming flower in the tiny seed, the silver lining to every cloud and a beautiful tomorrow in the darkest today. Good cheer is something more than faith in the future; it is gratitude for the past and joy in the present. Life for all of us has its hardships and disappointments. It is out of such stuff as this that human character is made. But, after all, this world is a pretty good place, and at least we owe each other the courtesy of a smiling face and the inspiration of a cheery word. To go about our work with pleasure, to greet others with a word of encouragement, to be happy in the present and confident of the future, this is to have achieved some measure of success in living. God bless the heart of sunshine that smiles the clouds away; God bless the words of kindness that brighten each new day.

REMINISCING JUNE BIRTHDAY-ANNIVERSARY PARTY

How about the lucky June and July birthday-anniversary celebrations!!! Double publicity and congratulations were due many of us. Oh, it happens every eight or ten years!!!!

The entertainment was superior --as usual. John DiPuccio, violinist par excellence, and his accompanist, Norman Schmidt, headed the evening's musical program. The attentive audience showed this group really enjoyed the "finer things in life."

Then an innovative intermission was suggested--"just like downtown"<sup>NY</sup>--and we all partied on cake and punch.

Sylvester Blue was billed as the headliner of the evening. We had a real treat when he and Sammy Berk continued the program. They are just incomparable. Mr. Blue reminisced a little and then sang and sang and sang. It was late but all enjoyed this extraordinary musical evening.

"THANK YOU POWER. What power there is in the simple words "Thank you!" They contain the power of gratitude...one of the most creative energies available to us all (and, unfortunately, one of the least used or under-used powers in our spiritual reservoir). Thank-you power benefits and uplifts the one who thanks and the one who is thanked. Thank-you power stimulates the circulation system of the universe, making a giver and receiver out of the one who uses it...and indeed making a giver and receiver out of the universe. One might say that thank-you power makes the whole creative process possible."

TOURNAMENT POOL NEWS

A dinner party was held by the Pool Players on Wednesday, June 15th. Mary Calogero, substituting for Mr. Chesler, broke all records at the Villa by being the first lady to enter the inner sanctum of the Men's Activities. Mary Calogero also had the honor of presenting the awards to the lucky players. She said a few words which the men enjoyed. Each man was given a Father's Day surprise gift--which no doubt comes in handy. Many thanks to all who attended for a wonderful evening.

JULY BIRTHDAY-ANNIVERSARY PARTY

Something uniquely special in entertainment for the Villa Serena birthday-anniversary party has been planned this month. Some of our own Villa Serena members will put on an amateur talent show that promises to be highly amusing, entertaining, and just marvelously enjoyable. We have great performers among our members, and we are eagerly looking forward to having them share creative and artistic gifts with us. The date to mark on your calendar is Friday, July 8th, and the time is 8:00 p.m.

\*\*\*\*\*

ANNUAL RESIDENT PATIO COOK-OUT

Every year about this time we plan a get together for the residents of the Villa Serena so that they can renew acquaintanceship with their neighbors and meet the new residents in the convivial atmosphere of an old fashioned cook-out.

On ~~Wednesday~~, July 20th, we invite all the residents of the Villa Serena to join us for our special patio cook-out. The management will provide free hamburgers, hot dogs, buns, and coffee. To make this a truly shared experience, we ask that everyone prepare and contribute one of his/her favorite recipes. The delicacies shared with us in the past years have been long remembered, and we are all eager to sample them again this year.

For those who cannot cook, we suggest that you contribute cold drinks or perhaps some other goodie.

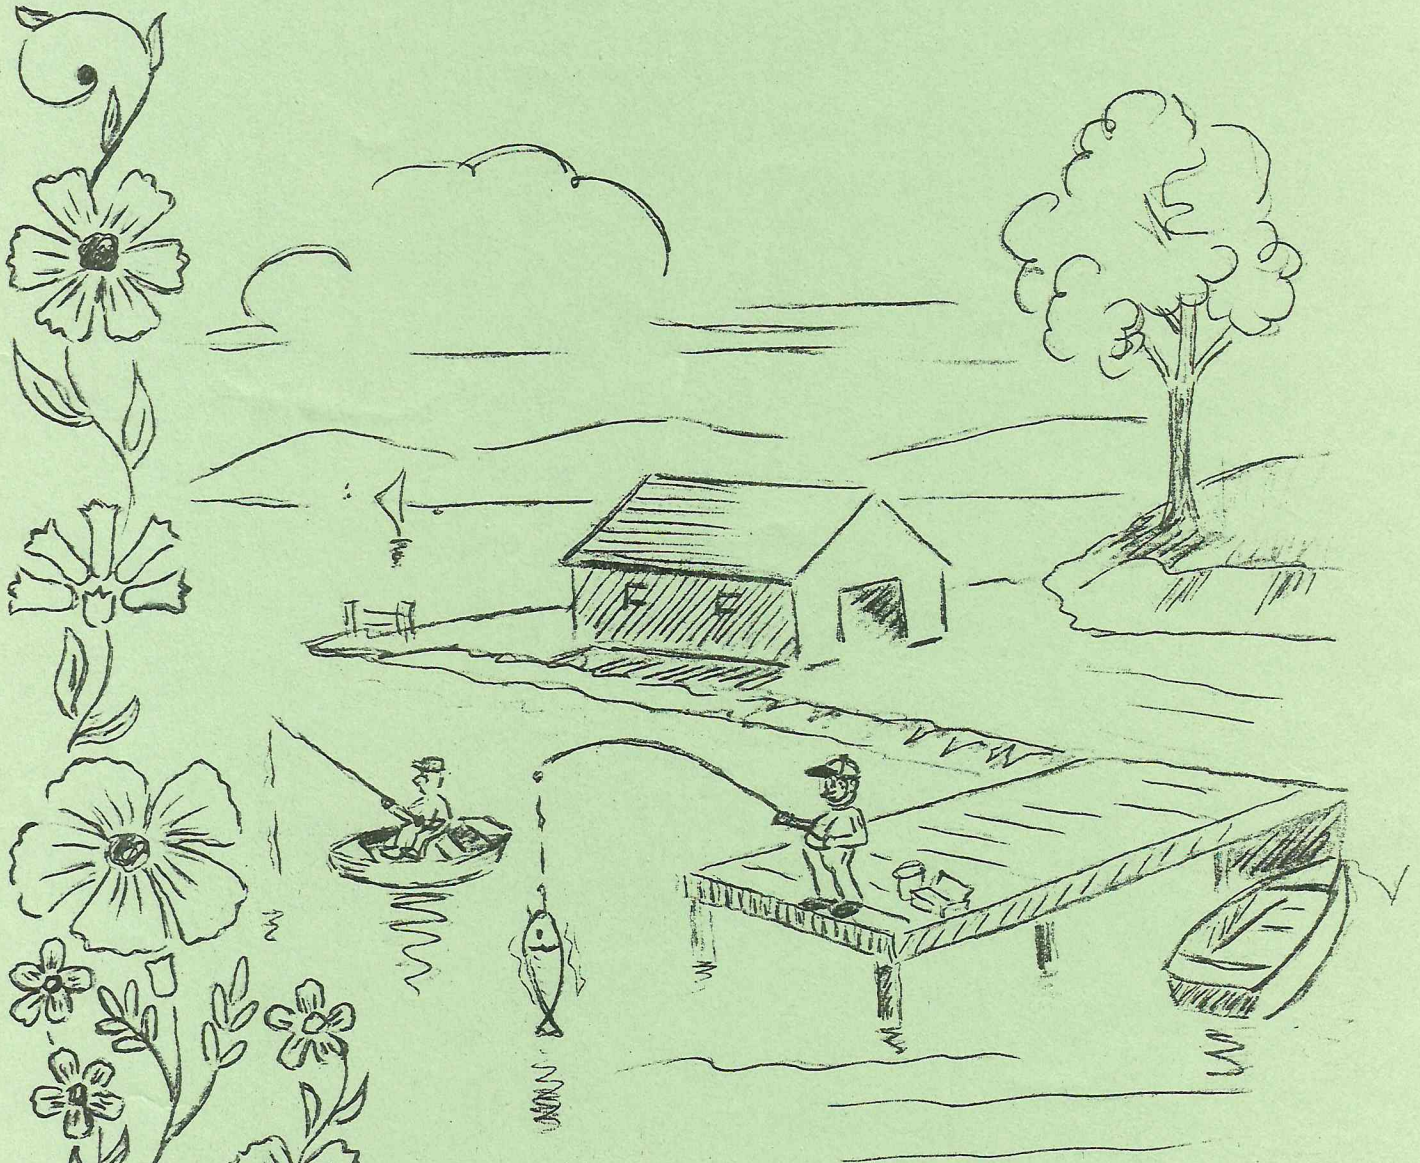

There will be a sign up sheet in the mailroom so that you can let us know what you are planning to contribute in order to avoid too much of one item.

Remember the date for the special patio cook-out for the residents is ~~Wednesday~~, July 20th, at 5:00 p.m.
